Call the Health Department (496-8100) between 8:00 AM and 9:00 AM on Monday-Friday to schedule an appointment with an environmental health specialist to evaluate your lot. He/she will show you where to locate the well and septic system, in relation to the desired dwelling location and any property lines. If approved, an improvements permit will be issued. After the septic tank has been installed and approved, the Sanitarian will issue a certification of completion.
