Property Disclosure Statement

Offerpad

This Offerpad Property Disclosure Statement ("Disclosure") contains important information about the Property. Review it carefully and verify all information. It is important to remember that Offerpad, its agents and representatives, have never occupied the Property and there are likely facts about the Property that Offerpad does not know. Offerpad does not guarantee the physical condition of the Property and you should not rely solely on this Disclosure or any other reports or disclosures provided by Offerpad. A general physical home inspection does not cover all aspects of the Property. You should thoroughly investigate the condition of the Property personally and with professionals of your choosing.
