SECTION A.1: ONE (1) YEAR LIMITED WARRANTY:

MANUFACTURER’S LIMITED WARRANTY &

ARBITRATION AGREEMENT

The Manufacturer warrants to you, the Homeowner, for a period of one year, that the new manufactured home purchased by you was manufactured free from substantial defects in materials and/or workmanship. The term “substantial defects in materials and/or workmanship” means any factory-introduced failure of the structural, mechanical, electrical, plumbing, or weather-resistance system of the home to meet the performance or specification requirements of the applicable building standards as specified on the house certification label, but excluding minor problems not caused by the manufacturing process. The warranty only applies if the home is purchased from an authorized retailer, which does not include retailers or persons that acquire the home from sources other than directly from the manufacturer.

This warranty begins on the date on which the retailer installs the home at its original installation site and continues for one year from that date. If the home is not moved from its original installation site, nor used for commercial purposes, then this constitutes the one-year “Warranty Period.” The warranty only applies to substantial defects that become evident within the Warranty Period and where written notice is provided to the Manufacturer not later than 10 days following the expiration of the Warranty Period. **The only remedy for substantial defects offered under this warranty is repair or replacement of affected parts after inspection by the Manufacturer or its authorized representative.** If the identical part or component is not available, the Manufacturer will provide a similar part or component of equal or greater value. All parts or components repaired or replaced under the warranty are the exclusive property of the

Manufacturer. The Manufacturer will make the final decision whether to repair or replace any part or component or system.

The Manufacturer reserves the right to make changes or improvements at any time in the design or manufacture of its manufactured home or any component thereof without incurring any obligation to others.

*Consists of one-year limited warranty from home manufacturer to original homeowner and a separate six year warranty (starting on page 5) for years 2 through 7, which is provided by independent third-party administrator; deductible will apply for years 2-7; see terms and conditions for details.

THIS WARRANTY DOES NOT COVER:

- Problems not caused by defects in workmanship, materials and/or the design of your home;
- problems resulting from failure to comply with instruction in this Guide, including instructions for obtaining warranty service, or instruction in the Installation Manual;
- the home if it is used for anything other than private residential occupancy;
- appliances and accessories installed in the manufactured home, which may be separately warranted by the appliance or accessory manufacturer;
- alterations or modifications provided by retailers, you or other third parties, including appliances, accessories or options such as air conditioning installation and service, skirting and other similar items;
- problems resulting from transportation, improper or inadequate set-up leveling or re-leveling;
- problems resulting from an inadequate foundation, settling, shifting soil, frost upheaval, drainage or problems that relate to daily changes in temperature and humidity (i.e., the appearance of minor cracks in walls or ceiling texture, wavy exterior siding, minor gaps in trim or trim pulling away from wall or ceiling, or doors or windows becoming out of adjustment – such items are generally the result of normal settling of a home or seasonal changes and not an indication of any type of warranted item and therefore, considered normal maintenance items);
- problems resulting from damage by you or others, including but not limited to, abuse, misuse, unauthorized repairs, negligence or accidental damage, or from theft, vandalism, natural disasters or Acts of God;
- deterioration or damage from high relative humidity, condensation, ground moisture, the use of moisture producing appliances (e.g., kerosene heaters, humidifiers, etc.) or extended moisture exposure caused by plants, building attachments or accessories, or unmitigated leaks; or the failure to maintain adequate ventilation in and/or underneath the home; or the failure to properly vent the dryer exhaust away from the home; or the failure to provide an adequate vapor barrier, or the failure to provide adequate drainage away from the home;
- deterioration or damage caused by unauthorized repairs or alteration of the home or any component parts or the imposition of loads for which the home was not designed to support or resist, including damage as the result of attaching additions, decks, porches, carports, etc. to the home.
- deterioration from exposure to insects or decay;
- normal wear and tear, which includes, but is not limited to, visible scratches, tears, cuts and dents, and other similar damage to the roof, exterior siding, bottom board, floor coverings, wall coverings, countertops, ceiling, cabinets, trim, doors, windows, screens and other components occurring during or after delivery and installation;
- water distribution leaks on systems that have water pressure supplies in excess of 80 psi;

- improper or inadequate connection of utility systems to the utility supply services or between sections of multi-sectional units;
- roof leaks caused by ice or debris build-up, ice or debris dams, or water standing on the roof;
- damage caused by improper electrical service grounding or connections;
- bedding, blinds, draperies, furniture, wheels, tires, axles or brakes;
- any undertaking, representation or warranty made by a retailer or other person beyond those expressly set forth in this warranty;
- loss or damage that the owner has not taken timely action to minimize or damage caused by improper preventive maintenance as specified in this Guide (e.g., caulking of roof vents, windows, doors, sinks, tubs, shingles, fasteners, or failure to clean gutters, etc.);
- payments by Homeowner to third parties for work performed on the home unless such work is approved by Manufacturer in advance pursuant to the procedures set forth herein; and
- INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO YOUR LOSS OF TIME OR INCONVENIENCE, LOSS OF REVENUE, COMMERCIAL LOSS, BEING DISPLACED OR UNABLE TO USE YOUR HOME, MENTAL DISTRESS, TRAVEL, LODGING, OR TELEPHONE CALLS. NEITHER THE MANUFACTURER NOR OTHERS ASSUME ANY RESPONSIBILITY UNDER ANY CIRCUMSTANCES FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. ANY SUCH CLAIMED DAMAGES ARE HEREBY DISCLAIMED.

DISCLAIMER OF WARRANTIES: THIS WARRANTY IS GIVEN EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES SET FORTH IN THIS WARRANTY ARE THE SOLE REMEDIES PROVIDED BY THE MANUFACTURER. ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE EXTENT IMPLIED BY LAW, ARE LIMITED IN DURATION TO ONE YEAR AND OTHERWISE DISCLAIMED. Some states do not allow limitations on how long an implied warranty lasts, and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS THAT MAY VARY FROM STATE TO STATE.

If any part, subpart, clause or sentence of this warranty is determined to be in conflict with any applicable law, rule or regulations, this limited warranty and all other provisions shall be effective to the extent required thereby.

Manufacturer reserves the right to make changes at any time in prices, colors, materials, equipment, specifications and models and also to discontinue models without notice and/or obligations.

-NOTICE-TAPE & TEXTURE DRYWALL FINISH IS NOT WARRANTED BY MANUFACTURER

The Manufacturer does not warrant that tape texture finishes of drywall walls or ceilings will be free from cracks. The manufacturer will not make or pay for repairs to drywall or ceiling cracks, or drywall or ceiling finishing including multi-section close-ups. We strongly recommend that all homes with tape and texture finishes have additional perimeter blocking, as described in the Installation Manual. The additional blocking may reduce the opportunity for minor movement and settlement, which can affect tape and textured drywall finish.

DAMAGED ITEMS and NORMAL WEAR AND TEAR

Damaged items and normal wear and tear are not covered under our limited manufactured home warranty. However, we will repair the minor problems or damage described below provided they are present when the home is delivered from the factory and provided they are listed on a written document. We must receive written notice within 30 days of your home's installation date at its original site.

The following are examples of damage or normal wear and tear:

- Loose molding, trim or counter edging; wavy exterior siding.
- Cracks, dents, bows, chips, or scratches in wood, counter top laminate, linoleum, tile, drywall or other interior or exterior finish materials.
- Loose, torn, stained, stretched, or matted (worn from foot traffic) carpet

APPLIANCE AND OTHER PRODUCERS' WARRANTIES

Warranties issued by other producers of appliances, accessories, heating and air conditioning equipment, and other items installed in the manufactured home, remain in effect. These other producers or their local service agents should be contacted first for warranty repairs and for routine service and maintenance. The appliance warranties are usually shipped with the appliances. Such appliances are not covered by this warranty.

If you have problems obtaining warranty service on any factory-installed appliance, contact the service department of the Manufacturing Plant that built your home. They will assist you in obtaining warranty service from the appliance or accessory manufacturer.

ARBITRATION AGREEMENT: It is agreed that any controversy, claim or dispute between or among the Manufacturer, homeowner, independent dealer, finance company or any other person or entity arising from or relating to the Manufactured Home, its sales, transportation, setup, repair, installation, use, design, manufacture, financing, insurance, any other condition, the manufacturer's limited warranty, any contract or any alleged promise, representation, agreement or instrument relating to or delivered in connection with the Manufactured Home, or any alleged breach thereof, and any claim based on or arising from an alleged tort or claim of any kind whatsoever, including any claim relating to the validity of this arbitration provision [collectively "Claim(s)"], and if the Claim(s) cannot be resolved through direct discussions or negotiations, - and unless the parties otherwise agree on a different mediation or arbitration process – then the Claim(s) first shall be mediated as administered by the American Arbitration Association ("AAA") under its applicable mediation Rules before resorting to binding arbitration. Thereafter, any unresolved Claim(s) shall be settled by binding arbitration administered by the AAA in accordance with its applicable Rules for Claim(s), and any judgment on the award rendered by the arbitrator(s) may be entered in any Court having jurisdiction thereof. The parties reserve their rights to resolve the Claim(s) in an applicable small claims court for disputes or

Claim(s) within the scope of the small claims court's jurisdiction. The assessment of all fees and expenses of the mediation or arbitration shall be governed by the applicable rules of the AAA, unless otherwise agreed by the parties. All mediation or arbitration proceedings shall be conducted in the jurisdiction of the original retail sale of the home or at any other place selected by agreement of all parties.

IT IS AGREED AND UNDERSTOOD THAT THE PARTIES ARE KNOWINGLY GIVING UP AND WAIVING CERTAIN RIGHTS TO LITIGATE DISPUTES IN COURT, INCLUDING WAIVING OF A TRIAL BY JURY. This arbitration provision is part of the manufacturer's limited warranty for the Manufactured Home and shall be binding on and inure to the benefit of the parties' respective heirs and assigns.

A copy of the applicable Rules of the AAA is available upon request by contracting the American Arbitration Association at the following address: 2200 Century Parkway, Suite 300, Atlanta, Georgia 30345-3203 or (800) 778-7879.
