No hazardous or dangerous activities are permitted on the Premises. Absolutely no excessive drinking, illegal drug use, public disturbances, physical abuse, verbal abuse, threats, or unauthorized pets, firearms, or smoking is permitted on Premises. Any violations of the foregoing paragraph shall be an immediate and incurable default of this Lease and shall be cause for eviction.

SUBLETTING: *Tenant may not sublease the Premises or any portion thereof nor assign this Lease without the prior written consent of Landlord, which may be given or withheld in Landlord's sole and absolute discretion.*

PEST CONTROL: Pest control, after the first thirty days of the term of this Lease, shall be the sole responsibility of the Tenant, including, without limitation, prevention and remediation. MOLD: It is generally understood that mold spores are present essentially everywhere and that mold can grow in most any moist location. Tenant acknowledges the necessity of housekeeping, ventilation, and moisture control (especially in kitchens, bathrooms, break rooms and around outside walls) for mold prevention. In signing this Lease, Tenant has first inspected the Premises and certifies that it has not observed mold, mildew or moisture within the Premises. Tenant agrees to immediately notify Landlord if it observes mold/mildew and/or moisture conditions (from any source, including leaks), and allow Landlord to evaluate and make recommendations and/or take appropriate corrective action. Tenant relieves Landlord from any liability for any bodily injury or damages to property caused by or associated with moisture or the growth of or occurrence of mold or mildew on the Premises. In addition, execution of this Lease constitutes acknowledgement by Tenant that control of moisture and mold prevention are Tenant's obligations under this Lease.

DEFAULT: Should Tenant default under any of the terms and conditions of this Lease, Landlord shall have any and all remedies available to Landlord under this Lease, at law or in equity, including, without limitation, (1) the right to re-enter and repossess the Premises pursuant to applicable laws, (2) the right to recover all present and future unpaid rent, damages, costs, and attorneys' fees, and (3) the right to recover all expenses of Landlord incurred in re-entering, re-renting, cleaning and repairing the Premises. Interest will begin accruing at 18% per year on any amount due and owing to Landlord from the time that any such amount first became due and payable. Tenant agrees to pay Landlord's reasonable attorneys' fees and costs in connection with any default by Tenant and same will be charged to Tenant as additional rent and due immediately. If evicted, to the maximum extent permitted by law, Tenant shall be responsible for all rent due for the balance of the Lease term, even though Tenant may no longer be able to live in or use

the Premises due to the eviction. Landlord may proceed against Tenant either for eviction or for a money judgment, or both, either at one time or one remedy at a time, in any order.

ABANDONMENT: The Premises will be deemed abandoned if Tenant defaults in rent payment, appears absent from the Premises, and there is reason to believe that Tenant will not be returning to the Premises, as determined by Landlord in its reasonable discretion. Should the Premises be considered abandoned, Landlord will take possession immediately, change all locks, and store Tenant's personal property items, at Tenant's expense (to the extent Landlord is required to do so by applicable laws). Landlord shall have no liability to Tenant whatsoever in connection with the storage of any of Tenant's personal property. Tenant shall indemnify, defend and hold Landlord harmless from and against any and all penalties, damages, fines, causes of action, liabilities, judgments, expenses (including, without limitation, attorneys' fees) or charges incurred in connection with or arising from Landlord's storage of Tenant's personal property.

DEATH/DISABILITY DURING LEASE: If one of the Tenants under this Lease dies before the end of the Lease term, any remaining Tenants shall continue to carry out the terms of the Lease. ☐

Tenant must transfer all utilities to be paid for by Tenant into Tenant's name before moving in and maintain service throughout the duration of the tenancy. If the Premises is a single-family home, Tenant agrees to pay for all metered electrical, water and sewer service charges, the cost of which is billed by the local municipality periodically, even if said bill is sent to Landlord. Tenant must pay this bill by the due date written on the invoice and include all late fees or other charges. If payment for the electrical, water and/or sewer is not paid by the due date, the total amount will be treated as additional rent payable by Tenant and due immediately. In such cases the Tenant shall be subject to eviction for nonpayment of electrical, water and sewer service charge(s), in the same manner as any other rent. Tenant's failure to promptly pay for all utilities may result in a \$35.00 service charge.

PLUMBING: Tenant shall be held responsible for all costs related to Landlord's repair or maintenance of any plumbing stoppage or slow-down caused by Tenant, whether accidental or purposeful. Tenant agrees not to place into any drain lines non-approved substances such as cooking grease, sanitary napkins, diapers, children's toys or other similar object that may cause a stoppage. Tenant shall notify Landlord of any plumbing leak or slow drainage within 24 hours to avoid additional charges. Landlord shall use all reasonable efforts to remedy the plumbing problem. Tenant shall only use a plunger to attempt to fix a slow or stopped drain, and not pour chemical or other drain cleaners into any stopped or slow drains. Tenant shall also be responsible for any plumbing system freeze-ups occasioned by Tenant's negligence.

LIABILITY AND RENTERS INSURANCE: Tenant understands and agrees that Landlord has no obligation to obtain insurance for Tenant including, but not limited to, liability, hazard, or contents insurance. Tenant shall, at Tenant's sole cost and expense, obtain renter's insurance covering the full value of all personal property of Tenant in the Premises, and providing liability coverage to Tenant in an amount not less than \$ 10,000, which policy shall name Landlord as an additional insured.

Tenant shall maintain such renter's insurance at all times during the term of this Lease. Tenant shall provide a certificate of insurance to Landlord demonstrating that Tenant has procured the required insurance coverage, within ten (10) days after the commencement of the term of this Lease and within ten (10) after any renewal or change in such insurance coverage. If Tenant fails to procure the required insurance, allows such insurance to be cancelled or to lapse, or fails to timely provide the required certificates of insurance, the same shall be a default of this Lease. In addition to the foregoing, Tenant acknowledges that if Tenant fails to obtain and maintain renter's insurance, Tenant alone shall bear the consequences of the loss or damage to Tenant's personal property.

ACCESS AND SIGNS: Tenant agrees to allow the Landlord access to inspect the Premises at reasonable times by appointment, use of key or by force, if necessary. Landlord may enter the Premises for the purpose of emergencies, inspections, repairs, prospective purchasers, bank representatives, contractors, or other individuals as deemed necessary by Landlord, in its sole and absolute discretion. Landlord may also display "For Rent" or "For Sale" signs on the Premises, including, without limitation, in the windows of the Premises or the front yard. Tenant's request for service or maintenance shall be considered Tenant's approval for all necessary access by Landlord or Landlord's agent in connection with such service or maintenance, if no other written arrangement related to such access between Landlord and Tenant is

made.

MAINTENANCE: Landlord agrees to maintain the structure, roof and foundation of the Premises, and the heating, plumbing and electrical systems of the Premises unless the repairs needed are a result of any act or omission of Tenant (excluding normal wear and tear). In such case that the damage is a result of the act or omission of Tenant, Tenant will be billed for the repair. Landlord will carry out all required repairs in as reasonable time as possible in accordance to applicable laws, but will not be liable to Tenant for any disruptions or inconvenience to Tenant or any claim that the Premises is uninhabitable (except to the extent of any non-waivable warranty of habitability provided by applicable laws).

CARE OF THE PREMISES - Tenant agrees to care for the Premises and keep it in a good, neat and sanitary condition. Tenant shall keep garages, decks, porches, and other personal areas clear of trash, rubbish, and other junk, as determined by the Landlord. Trash shall be placed in approved receptacles only and may not be left outside for any amount of time, including on decks or porches. Tenant shall report all building damage, water leaks, or other maintenance issues immediately to Landlord or will be held liable for the costs of repairing any unreported damage. If the need to repair is caused by Tenant or Tenant's family, visiting friends, dependents, guests, licensees or invitees, Landlord may make the necessary repairs and the cost of which will be treated as additional rent to be paid by the Tenant upon notification of amount. Failure to pay costs of repairs will be treated as additional rent payable by Tenant and due immediately.

Additionally, Tenant hereby agrees as follows:

Tenant agrees not to affix any structures to the Premises including, but not limited to, antennas, satellite dishes, or signs, without prior written consent of Landlord, which may be granted or withheld in Landlord's sole and absolute discretion.

Tenant agrees not to use a barbeque grill (or any other similar cooking device) inside the Premises or under any covered area (as carbon monoxide (CO) is a very poisonous combustion gas that cannot be seen or smelled, but can injure or kill individuals with little to no warning).

Tenant will maintain water heater temperature at no more than 120 Degrees Fahrenheit.

Tenant agrees to give immediate notice to Landlord of any fire, flood, or other damage to or within the Premises. If the Premises is damaged and the Premises rendered uninhabitable, the rent shall cease until such a time as the Premises has been repaired or Landlord shall have the option of terminating this Lease upon five (5) days' prior written notice.

Tenant agrees not to store boats, RVs, waterbeds, firearms, equipment, hazardous materials, paints, fuel, chemicals, waste, and non-usable items, including non-operating vehicles, in or around the Premises without prior written consent of Landlord, which may be granted or withheld in Landlord's sole and absolute discretion.

WINDOW COVERINGS: Tenant will not use bed sheets or any other coverings over the windows of the Premises other than materials which are solely designed to cover windows, such as blinds, mini blinds, and curtains. If window coverings are provided, and Tenant destroys or damages the coverings, Landlord will, at Tenants financial responsibility, replace them, the cost of which will be treated as additional rent payable by Tenant and due immediately.

ACCESS FOR REPAIRS: If Tenant does not allow access to the Premises when Landlord or Landlord's hired contractors agree to repair the Premises, Tenant will be assessed a \$100.00 fee due with the following month's rent.

PETS: Pets are not allowed to reside in the Premises, unless written permission is granted by Landlord before the pet is moved in, which permission may be granted or withheld in Landlord's sole and absolute discretion. If allowed, pets will be subject to additional upfront and/or monthly fees, which will be non-refundable. The granting of consent for pets to others in properties under management by Landlord shall in no way be considered the granting of consent to Tenant.

SMOKING - Tenant shall not smoke on the Premises, including the use of any vapor products.

MARIJUANA AND OTHER DRUGS: Tenant shall not be permitted to, and shall not permit any family, visiting friends, dependents, guests, licensees or invitees of Tenant to grow, produce, possess, consume, use, smoke, or ingest any marijuana, cannabis or any products or ingestibles containing marijuana or cannabis in any location in, on or about the Premises; the foregoing prohibition to be absolute and without exception and shall include any growing, production, possession, use or consumption pursuant to any medical use or medical prescription, or any medical, retail or recreational marijuana activities that may otherwise be permitted under any local, state or federal laws, rules or regulations now or hereafter in effect. Tenant's violation of this rule shall be an immediate and incurable default of this Lease and shall be cause for eviction.

QUIET ENJOYMENT: While paying the rental and performing its other covenants and agreements contained in this Lease, Tenant is entitled to quiet enjoyment of the Premises during the duration of the term of this Lease, subject to all the terms and conditions of this Lease. Tenant may not infringe upon the quiet enjoyment right of other tenants through disturbances including but not limited to TVs, stereos, musical instruments, other loud noises, heavy walking, or other disturbing actions.

Tenant acknowledges that pools are potentially dangerous (especially to small children). Tenant assumes full responsibility for any injuries to Tenant and any family, visiting friends, dependents, guests, licensees or invitees of Tenant in connection with any pool on the Premises. Tenant shall indemnify, defend and hold Landlord harmless from and against any and all penalties, damages, fines, causes of action, liabilities, judgments, expenses (including, without limitation, attorneys' fees) or charges incurred in connection with or arising from any pool on the Premises. No trampolines, pools, satellite dishes, TV antennas, air conditioners, spas, swing sets, or other similar features shall be added to the Premises by Tenant unless express written permission is given by Landlord, which permission may be granted or withheld in Landlord's sole and absolute discretion.

Tenant (___ is / ___x___ Is not) responsible for lawn/yard maintenance and snow removal. If Tenant is responsible for lawn/yard maintenance, such maintenance shall include, without limitation, mowing, watering, edging and pruning of trees, shrubs and bushes, and Tenant shall at all times keep the lawn/yard of the Premises sufficiently watered, well maintained and in good condition. If Tenant is responsible for snow removal, Tenant shall promptly remove snow and ice from the sidewalks and walkways serving the Premises.

PARKING: *Vehicles parked at the Premises must be in working, drivable condition. Tenant may not repair Tenant's vehicles on the Premises if such repairs take longer than one day, unless in an enclosed garage. Vehicles may never, under any condition, be parked in or driven on the yard of the Premises. Tenant may not park more than one vehicle, per adult living at the home, at the Premises. Tenant has no rights in or to any particular parking spot, and Landlord does not guarantee Tenant a parking spot on the Premises or any property surrounding the Premises. If street parking is permitted by applicable laws, Tenant may be permitted to park vehicles on the street in front of the Premises in accordance with all such laws; however, Landlord does not guaranty the availability, quality or location of any street parking. In no event shall Landlord be liable for any damage or loss to Tenant's vehicles or to any personal property contained in such vehicles.*

ALTERATIONS: Tenant agrees not to make any repairs, improvements, or alterations to the Premises unless prior written permission is given by Landlord, which may be given or withheld in Landlord's sole and absolute discretion. Any repairs, improvements, or alterations made by Tenant must be completed in compliance with all local, state, and federal laws. As used herein "repairs, improvements, or alterations" includes, without limitation, lock changes, painting, replacing fixtures, installing wallpaper, attaching shelves, installing curtains or shades, or other permanent or semi-permanent changes to the Premises.

KEYS AND LOCKOUTS: Landlord shall provide a key to the Tenant for the Premises and Landlord shall keep a duplicate key for access. If Tenant changes the lock without supplying Landlord with a key, and Landlord is prevented from entering the Premises due to the lock change, Tenant shall bear the financial cost of Landlord's effort to enter by force. If Landlord or contractor is unable to enter the Premises to perform repair or maintenance tasks due to the Tenant's unauthorized lock change, Tenant will be charged \$100.00 for each violation, which will be charged to Tenant as additional rent and due immediately. If such consent to a lock change is given, Tenant will immediately provide Landlord with a key for the use of Landlord or Landlord's agent pursuant to Landlord's right of access to the Premises. Upon vacating the Premises, Tenant shall return all keys to Landlord or Tenant will be charged \$50.00 per unreturned key. As of the commencement of the Lease, Tenant acknowledges that Tenant has examined the Premises and approves of the condition of the Premises, including all systems and appliances in the Premises. Taking possession of the Premises by Tenant is conclusive that the Premises are in good order and satisfactory condition.

MOVE OUT AND CLEANING INSTRUCTIONS: If Tenant intends to move out, Tenant must give Landlord ___ 30 ___-days advanced written notice, delivered to the Landlord's place of business and must supply a forwarding address to Landlord, or Tenant may forfeit the entire security deposit to Landlord as liquidated damages, in Landlord's sole and absolute discretion. Tenant agrees that Tenant will leave the Premises in the same or better condition than when Tenant moved in (ordinary wear and tear excepted), or may be charged for any repairs or cleaning needed to prepare the Premises for the next tenant. Upon

receipt of Tenant's notice to vacate the Premises, Landlord will schedule a move-out inspection of the Premises. Tenant has the right, but not the obligation, to be present for this inspection, which will take place after all of Tenant's belongings have been removed from the Premises.

PREMISES RELOCATION: If Tenant desires to relocate to another unit/property owned by Landlord, and Landlord consents to such relation, in its sole and absolute discretion, a relocation fee may be charged to Tenant, plus any cleaning or damage charges attributable to the Premises being vacated. In such event, Tenant's security deposit and credit for any prepaid rent shall transfer to the new unit/property; provided, that Tenant may be required to provide additional security deposit and/or prepaid rent, as determined by Landlord, in connection with such relocation.

NOTICES: Any notices required by either law or this Lease may be hand delivered to Tenant or mailed to the Premises. If there is more than one Tenant signing this Lease, then any notice given by Landlord to any one Tenant will constitute notice to all Tenants.

If Tenant becomes delinquent on rent or fees due, Tenant agrees to pay all landlord/agent charges including 18% annual interest.

If such invalid or unenforceable provisions exist, at Landlord's sole discretion, those provisions shall be (a) modified to the extent necessary to comply with such law, or (b) removed from this Lease and will cease to be a part thereof.
