To Whom It May Concern

On 20 December 2023, this office conducted a site evaluation in accordance with the Repair application that you submitted on 1 December 2023. If proposal is acceptable, please sign, date, and return to Brunswick County Health Services. For an Improvement Permit/Authorization to Construct to be issued, the following criteria must be met:

- 1) **Submit pump plans**
- 2) **Submit Application for well abandonment (for well at front of property)**

System Design Criteria:

- Install new septic and pump tanks.
- Two (2) - 75' trenches on 9' centers with 18" trench bottom
- Maximum trench bottom 7.25" below benchmark
- Benchmark at top of large wooden post (see site plan)
- Traffic barrier to be installed.
- Maximum structure size 47' x 58' with three bedrooms

Please contact the Brunswick County Health Services at 910-253-2150 for an inspection. If you have any further questions, please contact me at 253-2208.

An Authorization to Construct shall be issued before the repair system can be legally installed.

Sincerely,

James Parmeter, MS, REHS
