The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time of the assessment. Such assessment shall not pass to his successors in title unless expressly assumed by them.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used

exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, landscaping maintenance, the cost of repairs and maintenance, electricity, replacements and additions, the cost of labor, equipment, materials management and supervision, the payment of taxes assessed against the Common Area, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Basis and Maximum of Annual Assessments. No assessments shall be made on any lot until the platted lot shall have been conveyed by deed. The maximum annual assessment shall be \$120.00 per originally platted lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington D.C.) from the preceding month of July.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for the next succeeding two (2) years may be increased above that established by the Consumer Price Index formula by a vote of the members, and for each succeeding period of two (2) years thereafter, provided that any such change shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting forth the purpose of the meeting. Section 4: Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy at the meeting duly called for this purpose.

Section 5: Notice and Quorum for Any Action Authorized Under Sections 3 and 4.

Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) per cent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6: Uniform Rate of Assessment. Except as provided for Class B members, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7: Date of Commencement of Annual Assessments and Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the lot to any owner. However, it is not the intent of the owners to assess any Lot during the construction phase. That is to say the initial lot owner who receives a deed from the Declarant shall not pay assessments until the initial owner receives a certificate of occupancy from the local governing authority. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessments against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessment and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen per cent per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape or deny liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9: Subordination of the Lien to Mortgages. The lien of the assessments provided

for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

Section 10: Exempt Property. All property dedicated to and accepted by, a local authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina, shall be exempt from the assessments created herein.
