How to: Register Vehicles for Lands End Decals, and Request Bar Codes, Gate Cards, PINs, & Phone Access

How to Get Forms:

Download/print forms at the Lands End website: <https://ccmc.cincwebaxis.com/>. (Log in; select Documents Tab; then Security Forms and Information.) Note: A small supply of Vehicle Registration Forms, Golf Cart Registration Forms, and Security Envelopes is available in the clear Information box to the right of the gatehouse back door.

How to Submit:

Drop off the completed document with check (if payment is required) at the security mail slot to the right of the gatehouse back door. You can use printed security envelopes for most requests. As an alternative, documents can be emailed to sandymccaw1950@gmail.com and checks, payable to Lands End HOA, mailed to Lands End Security, ATTN Sandy McCaw, 214 Tradewinds Drive, Emerald Isle, NC 28594.

How to Receive:

If you include your email address, you be notified that your request has been processed and you can ask for your envelope at the gate. It will typically be available within 48 hours...just ask at the gate for your envelope.

Windshield Decal and Optional Bar Code

1. Complete the Lands End Vehicle Registration Form and attach a copy of the state registration/owner card for each vehicle to be registered in order to get a windshield decal. If the vehicle is already registered and you have a current year windshield decal, skip to step #2. (No cost for a windshield decal.)
2. Complete the pre-printed security envelope and enclose required documentation and/or check if requesting a bar code. Bar Codes are \$6 each.

Golf Cart Decal

1. Complete the Lands End Golf Cart Registration Form.
2. Complete the pre-printed security envelope and enclose your Golf Cart Registration Form (and check if required).
3. Golf Cart decal one-time fee is \$25. There is no fee if you are *replacing* a currently registered golf cart and had a Lands End black and white permanent decal on the windshield. If you are a new owner of a previously registered Lands End golf cart, please complete the Registration Form to transfer ownership; no fee will be collected. If registering an additional golf cart, there is a \$25 fee for that permanent decal.

Gate Card

1. Complete the pre-printed security envelope and enclose your check for \$10 per additional gate card requested.
2. If you are replacing a lost gate card, it will be deactivated and we need the numbers from all functioning cards in your possession.
3. To replace a non-functioning gate card, complete the pre-printed security envelope and enclose \$5.

Personal Gate PIN

1. To set or replace your personal Gate PIN, complete the pre-printed security envelope or simply email sandymccaw1950@gmail.com.

Phone Access

1. To update or change the phone numbers programmed for you at the gate call box, complete the pre-printed security envelope or simply email sandymccaw1950@gmail.com.
