4.4 Disclaimer of Liability. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to promote the health, safety and welfare of Owners and occupants of any Lot.

(a) Notwithstanding anything contained herein or in the Association Documents or the Act, neither the Association, the Board, the management company of the Association, Declarant nor any successor Declarant shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner or occupant of any Lot or any tenant, guest or invitee of any Owner or occupant or for any property of any such Persons. Each Owner and occupant of a Lot and each tenant, guest and invitee of any Owner or occupant shall assume all risks associated with the use and enjoyment of the Property, including all Recreational Facilities.

(b) No provision of the Association Documents shall be interpreted as creating a duty of the Association, the Board, the management company of the Association, Declarant nor any successor Declarant to protect or further the health, safety or welfare of any Person(s), even if the funds of the Association are used for any such purpose.

Each Owner (by virtue of his or her acceptance of title to his or her Lot) and each other Person having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands and causes of action against the Association, the management company of the Association, if any, Declarant and any successor Declarant, their directors, officers, committee and Board members, employees, agents, contractors, subcontractors, successors and assigns arising from or connected with any matter for which the liability has been disclaimed.

4.5 Safety. The Association may maintain or support certain activities within the Property designed to provide a greater level of safety than exists within the Property.

(a) Neither the Association, any management company of the Association, Declarant, nor any successor declarant shall in any way be considered insurers or guarantors of safety within the Property. Neither the Association, any management company of the Association, Declarant, nor any successor declarant shall be held liable for any loss or damage for failure to provide adequate safety or ineffectiveness of safety measures undertaken.

(b) All Owners and occupants of any Lot, and all family members, tenants, guests, and invitees of any Owner, acknowledge that the Association, its Board of Directors, and Association committees, the management company of the Association, Declarant, any successor declarant, and the Architectural Committee and the MC (as defined in Section 11.2(b) hereof) do not represent or warrant that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any safety system that may be designated by or installed according to guidelines established by Declarant or the Architectural Committee or the MC may not be compromised or circumvented; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will prevent loss by burglary, theft, hold-up, or otherwise; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will in all cases provide the detection or protection for which the system is designed or intended.

(c) All Owners and occupants of any Lot, and all family members, tenants, guests, and invitees of any Owner, acknowledge and understand that the Association, its Board and committees, the management company of the Association, Declarant, or any successor declarant are not insurers of safety within the Property. Each Owner acknowledges, understands and shall be responsible for informing its tenants and all occupants of its Lot that the Association, its Board and committees, and Declarant are not guarantors of security or safety and that each person using Property within the Project assumes all risks of personal injury and loss or damage to property including Lots, improvements thereon and the contents thereof, resulting from acts of third parties.

(d) All Owners and occupants of any Lot and all family members, tenants, guests, and invitees of any Owner assume all risks for loss or damage to Persons, to Lots, and to the contents of Lots and further acknowledge that the Association, its Board and committees, the management company of the Association, Declarant, or any successor declarant have made no representations or warranties, nor has any Owner, occupant, or any tenant, guest, or invitee of any Owner relied upon any representations or warranties, expressed or implied, relative to any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems recommended or installed or any safety measures undertaken within the Property.

4.6 Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including

Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include landscape maintenance, pest control service, cable television service, security, caretaker, fire protection, utilities, and similar services and facilities. The Board, without the consent of the Members of the Association, shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and facilities. Nothing contained herein can be relied upon as a representation as to what services and facilities, if any, will be provided by the Association. This paragraph shall be specifically construed to allow the Association to enter into a contract for the overall management of the Association with any individual or corporation. The Association or its managing agent shall also be permitted to provide services to any Owners where it deems it to be in the interest of the Association to do so.

4.7 Change of Use of Common Elements. Upon (a) adoption of a resolution by the Board stating that, in the Board's opinion, a service provided by the Association pursuant to Section 4.6 or the then present use of a designated part of the Common Elements is no longer in the best interest of the Owners or is no longer necessary or appropriate for the purposes intended, and (b) the consent of Declarant during the Development Period, the Board shall have the power and right to terminate such service or change the use of any Common Elements (and, in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided that any such new use (i) shall be for the benefit of the Owners, and (ii) shall be consistent with any deed restrictions and zoning regulations restricting or limiting the use of the Common Elements.

4.8 View Impairment. Neither Declarant nor the Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Lots will be preserved without impairment. Neither Declarant nor the Association shall have the obligation to prune or thin Landscaping except as set forth in Article 5. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

4.9 Relationship with Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Elements to, or transfer portions of the Common Elements to non-profit, tax-exempt organizations, including but not limited to organizations that provide facilities or services designed to meet the physical or social needs of a particular group or class of persons, for the benefit of the Property, the Association, its Members and residents. The Association may contribute money, real or personal property or services to any such entity. Any such contribution shall be a Common Expense of the Association and included as a line item in the Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code ("Code"), such as but not limited to entities which are exempt from federal income taxes under Sections 501(c)(3) or 501(c)(4), as the Code may be amended from time to time.

**Article 5. Maintenance.**

5.1 Association's Responsibility. The Association shall provide Upkeep for the Common Elements, which shall include, but need not be limited to:

- (a) all Common Elements, all improvements upon the Common Elements, and the Stormwater Management Facilities;
- (b) all Landscaping, signage, and improvements, including any parks, structures, bike, pathways and trails, situated upon the Common Elements;
- (c) all private streets, including any asphalt repairs thereto, situated upon the Common Elements;
- (d) all walls and fences constructed by Declarant on any Lots which serve as perimeter walls for the Property or which separate any Lot from Common Elements;
- (e) Landscaping within any public utility easements and scenic or access easements within the Common Elements (subject to the terms of any easement agreement relating thereto);
- (f) any additional property included within the Common Elements as may be dictated by this Declaration, any Supplemental Declaration, any plat of any portion of the Property, or any contract or agreement for maintenance thereof entered into by the Association; and
- (g) any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members and identified by written notice from Declarant to the Association until Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may also maintain and improve other property which it does not own, including, without limitation, Townhome Lots pursuant to Section 5.2 and property dedicated to public use, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard and if otherwise permitted by applicable law.

Except as otherwise specifically provided herein, all costs for Upkeep of the Common Elements shall be a Common Expense allocated among all Lots as part of an Assessment, without prejudice to the right of the Association to seek reimbursement from the Persons responsible for, such work pursuant to this Declaration, other recorded covenants, or agreements with such Persons.

5.2 Owner's Responsibility.

- (a) General. Subject to the terms of Section 5.2(b), each Owner shall provide for the Upkeep of his or her Lot and Dwelling Unit, and all other structures, parking areas, Landscaping, and other improvements upon the Lot in a manner consistent with the

Community-Wide Standard and all applicable covenants, unless such responsibility for Upkeep is otherwise assumed by or assigned to the Association pursuant to this Declaration, any Supplemental Declaration, or other declaration of covenants applicable to such Lot.

(b) Townhome Lots. The Association shall be responsible for the Upkeep of Landscaping on Townhome Lots and the Upkeep of all exterior portions of the Townhome Units. For purposes of this provision, "Landscaping on Townhome Lots" shall mean the Landscaping initially installed by Declarant and shall not include any additions or modifications to the Landscaping installed by the Owner. For purposes of this provision, "exterior portions of the Townhome Unit" shall mean the roof covering (i.e. shingles, tiles, etc.) and the siding materials on the exterior walls of the Townhome Unit (i.e. wood, siding, brick, veneer, shakes, etc.), specifically excluding exterior components of all windows and exterior doors (including the glass panes and any storm windows or screens). The Association shall provide Upkeep to the Townhome Lots from time to time as determined in the sole discretion of the Board, and said Upkeep may vary between the Townhome Lots as the Board deems appropriate in its discretion. The costs of providing the Upkeep for the Townhome Lots shall be borne by the Owners benefitted, and the Board shall levy Benefitted Assessments against each Townhome Lot for said expense pursuant to Section 10.5 of the Declaration.

(c) In addition to any other enforcement rights, if an Owner fails properly to perform his or her Upkeep responsibility, the Association may perform such work for Upkeep and assess all costs incurred by the Association against the Lot and the Owner in accordance with Section 10.5. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

### 5.3 Party Walls on Townhome Lots.

(a) Laws of North Carolina to Apply; Easement. All matters arising in connection with any wall which would constitute a party wall at common law shall, to the extent consistent with the provisions of this Article, be subject to the common law of North Carolina as modified by statute from time to time and as modified by this Article. If the centerline of a party wall now or hereafter fails to coincide with the boundary between the Lots it serves, an easement for any resulting encroachment is granted in accordance with Section 13.1 hereof.

(b) Upkeep. The Owners of Townhome Lots served by a party wall shall provide for the Upkeep of party walls and shall share equally the cost of their Upkeep except as otherwise provided in this Article. No Owner shall impair the structural integrity of any party wall nor diminish the fire protection afforded by any party wall.

(c) Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, the following procedures shall be followed in order to restore such party wall.

(i) Either Owner served by the party wall shall notify the other Owner served by the party wall of any proposal to repair the wall. If within ten (10) days after

such notice (or in an emergency, within twenty-four (24) hours after such notice or a bona fide attempt to give such notice) the other Owner has not responded to the notice, then the Owner giving notice may proceed with the repairs. Such repairs must be substantially similar to the original construction and installation and of first class quality, but may be made with contemporary materials.

(ii) If the other Owner served by the party wall responds to the notice, the Owners shall act together to repair the party wall. If the Owners are unable to agree upon the action to be taken, they shall submit the issue to arbitration in accordance with subsection (v) below.

(iii) If any Owner restores a party wall in accordance with this section, then the other Owner shall contribute one-half (1/2) of the cost thereof. An Owner may, however, demand a larger contribution from the other Owner or refuse to contribute one-half (1/2) of such costs, under any rule of law or equity regarding liability for negligent or willful acts or omissions.

(d) To the extent that any failure to repair a party wall affects the use and enjoyment of the Common Elements, the Association may participate in the repair of the party wall and, in an emergency situation threatening life or property, make such repair without notice to the Owners. The Association may assess the cost of such repair against the Owners responsible for the damage or benefiting from the repair as a Benefited Assessment.

(e) Liability. Any Owner who by a negligent or willful act or omission causes or permits a party wall to be damaged shall pay the cost of restoring such party wall to its condition prior to such damage.

(f) Arbitration. In the event of any dispute between Owners concerning a party wall, the Owners on each side shall select one arbitrator, and the arbitrators thus selected shall select one additional arbitrator. Arbitrators shall be qualified by experience and education to serve as such. Once selected, the arbitrators shall promptly agree upon and notify the parties of the discovery procedures and rules of evidence to be used in the arbitration. The arbitrators shall be requested to reach a decision within twenty (20) days after their appointment. The decision of a majority of the arbitrators shall bind the Owners and their successors in interest. The cost of arbitration shall be paid by the losing party unless the arbitrators determine that the cost should be otherwise allocated between the parties, in which case that allocation shall be binding.

(g) Fences and Other Barriers. The provisions of this subsection pertaining to party walls shall also govern any fence, other barrier or shared improvement, the Upkeep of which is not provided by the Association and to any replacement thereof authorized by the Reviewing Body.

(h) Right to Contribution Runs with Land. Rights and duties of contribution set forth in this Article and any such rights and duties arising under the laws of North Carolina shall run with the land and bind successors in interest. This subsection shall not

prejudice any right of a successor in interest to recover any amount from a predecessor in title for which such predecessor was liable. Any rights of contribution set forth in this subsection shall constitute a lien in favor of any Owner entitled to contribution against any Owner obligated to pay such contribution. Until fully paid and satisfied, the lien shall apply to and encumber all of the Lots that were owned, as of the date when payment was due, by the Owner from whom payment was due, and shall also apply to and encumber any and all Lots thereafter acquired by that Owner from the time such Owner becomes the Owner thereof. The lien created by this section shall be prior to all liens and encumbrances, except mortgages, real estate taxes and other charges levied by governmental authority made superior by law and the Association's lien established pursuant to this Declaration.

5.4 Standard of Performance. Upkeep may include irrigation as the Board may determine necessary or appropriate to satisfy the Community-Wide Standard. All Upkeep shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants, as determined by the Board.

Portions of the Property may be environmentally sensitive and/or may provide greater aesthetic value than other portions of the Property. The Board may establish a higher Community-Wide Standard for such areas and require additional Upkeep for such areas to reflect the nature of such property.

Notwithstanding anything to the contrary contained herein, neither the Association, nor any Owner shall be liable for property damage or personal injury occurring on, or arising out of the condition of, property which it does not own unless and only to the extent that it has been negligent in the performance of its maintenance responsibilities.

**Article 6. Insurance and Casualty Losses.**

6.1 Association Insurance. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect if reasonably available the following types of insurance:

(a) Blanket property insurance covering risks of physical loss on an "all-risk" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Elements to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at a reasonable cost, then "broad form named perils" coverage may be substituted. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full insurable replacement cost of the insured property. This provision for Blanket property insurance shall not be construed to require the Association to obtain coverage for any structure owned by any party other than the Association. The Association may elect to provide insurance for said structures with the approval of a majority of the Owners or if such individual coverage is not available;

(b) Commercial general liability insurance on the Common Elements, insuring the Association and its Members for damage or injury caused by the negligence of the

Association or any of its Members, employees, agents, or contractors while acting on its behalf and including coverage for non-owned automobile liability. If generally available at reasonable cost, the commercial general liability insurance shall have a limit of at least One Million and No/100 Dollars (\$1,000,000.00) per occurrence with respect to bodily injury, personal injury, and property damage;

(c) A blanket, "all-risk" form policy of fire insurance with extended coverage, vandalism, malicious mischief, sprinkler leakage (if applicable), cost of demolition, debris removal, and water damage endorsements, insuring the Townhome Units (except personal property within a Townhome Unit and betterments and improvements installed by Owners) in an amount equal to 100% of the then current replacement costs of the Townhome Units (exclusive of the land, excavations, foundation, and other items normally excluded from such coverage), without deduction for depreciation (such amount to be re-determined periodically by the Board with the assistance of the insurance company reporting such coverage).

(d) Workers compensation insurance and employers liability insurance if and to the extent required by law;

(e) Directors and officers' liability insurance or equivalent association liability insurance;

(f) Commercial crime insurance, including employee fidelity insurance, in an amount determined by its best business judgment which shall not be less than one-sixth (1/6) of the annual Assessments on all Lots plus reserves on hand for employee fidelity insurance. Such commercial crime insurance shall cover funds held by the Association's management company, unless such management company's insurance insures the Association against crimes committed by or against such management company. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation;

(g) Such additional insurance, including but not limited to flood, earthquake and hurricane insurance, as the Board in its best business judgment determines advisable; and

(h) The Association shall have no insurance responsibility for any portion of any Lot except as stated in paragraph 6.1(a).

If the insurance described in subsection (a) of this Section is not reasonably available, the Association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all Owners.

6.2 Association Policy Requirements. Prior to the renewal of any insurance policy, the Association shall arrange for a review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be familiar with insurable replacement costs in the Brunswick County, North Carolina area.

Premiums for all insurance on the Common Elements shall be Common Expenses and shall be included in an Assessment. In the event that insurance costs increase during the fiscal year, the Board may levy an Assessment for the increased costs pursuant to Section 10.3 herein, and such Assessments shall become effective upon approval by the Board. The cost of premiums for all insurance on the Townhome Units described in Section 6.1(c) shall be borne by only the Owners benefitted, and the Board shall levy Benefitted Assessments against each Townhome Lot for said expense pursuant to Section 10.5 of the Declaration.

The policies may contain a reasonable deductible as determined by the Board and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the Bylaws, that the loss is the result of the negligence or willful conduct of one or more Owners, their family members, guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Lots in accordance with Section 10.5.

- (a) All insurance coverage obtained by the Board shall
  - (i) Be written with a company authorized to do business in the State of North Carolina which satisfies the requirements of the Federal National Mortgage Association or such other secondary mortgage market agencies or federal agencies as the Board requires;
  - (ii) Be written in the name of the Association as trustee for the benefited parties. Policies on the Common Elements shall be for the benefit of the Association and its Members;
  - (iii) Not be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees;
  - (iv) Include an agreed amount endorsement if the policy contains a co-insurance clause;
  - (v) Contain replacement cost coverage;
  - (vi) Contain a waiver of subrogation as to any claims against the Association's Board, officers, committees, employees, and its manager and the Owners;
  - (vii) Make the Lot Owners additional insureds under the policy;
  - (viii) Contain an endorsement preventing the Association's insurance carrier from invoking its "other insurance" clause

to obtain any contribution from any insurance maintained by individual Owners;

- (ix) Provide that no act or omission by any Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will preclude recovery under the policy; and
- (x) Provide that if, at the time of a loss under the policy, there is other insurance in the name of the Owner covering the same risk covered by the policy, the Association's policy provides the primary insurance coverage.

(b) In addition, the Board shall secure, if reasonably available and as applicable, insurance policies providing the following:

- (i) A waiver of the insurer's rights to repair and reconstruct instead of paying cash;
- (ii) An endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;
- (iii) A cross liability provision; and
- (iv) A provision vesting the Board with exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

6.3 Owner's Insurance. By virtue of owning a Dwelling Unit upon a Lot, each Owner (excluding the Owners of Townhome Lots) covenants and agrees with all other Owners and with the Association to carry property insurance covering risks of physical loss for both the Dwelling Unit and any other insurable improvements on the Lot for the full insurable replacement cost thereof, less a reasonable deductible. Such property insurance shall include windstorm and hail coverage, and, if full insurable replacement cost is not reasonably available for such coverage, actual cash value may be substituted. Each Owner shall, upon request from the Association, provide evidence of insurance coverage to the Association.

6.4 Reconstruction. Each Owner (excluding the Owners of Townhome Lots) further covenants and agrees that in the event of damage to or destruction of the Dwelling Unit or any other structures on or comprising his or her Lot, he or she shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 11 of this Declaration. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive,

landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

Any portion of the Townhome Unit for which insurance is maintained by the Association, which is damaged or destroyed, shall be repaired or replaced promptly by the Association unless (a) repair or replacement would be illegal under any state or local safety ordinance, or (b) in the case of destruction of materially all of the structure including multiple Townhome Units, the Owners of the destroyed Townhome Units unanimously decide not to rebuild the Townhome Units. The cost of repair and replacement in excess of insurance proceeds (including any deductibles) shall be borne by the Townhome Lot Owners whose Townhome Units are repaired or replaced (or which Owners are compensated) and the Board shall levy Benefitted Assessments against each Townhome Lot for any such expense incurred by the Association accordingly, pursuant to Section 10.5 of the Declaration. Unless otherwise prohibited, any such reconstruction or repair shall be substantially in accordance with the Townhome Units as they were originally constructed.

6.5 Loss Adjustment, Repair and Proceeds. With respect to any loss covered by the policy (or policies) of the Association, it shall be adjusted by the Association and matters pertaining to the disbursement of proceeds of such insurance and the repair or replacement, including termination of the Project, shall be governed by the provisions of Chapter 47F-3-113(d) and (g) of the Act.

**Article 7. No Partition.**

Except as permitted in this Declaration, the Common Elements shall remain undivided, and no Person shall bring any action for partition of the whole or any part thereof without the written consent of all Owners and Mortgagees.

**Article 8. Permit: Transfer, Responsibilities and Covenants.**

8.1 Transfer to and Acceptance by Association. Declarant shall, at its sole cost and expense, initially construct all Stormwater Management Facilities required to be located upon the Property or upon any property annexed into the Property by Declarant to the standards required by the Permit. Upon completion of the initial construction of the Stormwater Management Facilities, Declarant shall cause the Permit and the permittee's responsibilities under the Permit to be transferred to the Association and the Association shall accept such transfer. Thereafter, upon completion of the initial construction of the Stormwater Management Facilities required by the applicable Permit for any additional property annexed by Declarant into the Property pursuant to this Declaration, Declarant shall cause the applicable Permit and the permittee's responsibilities under the Permit applicable to the property annexed by Declarant into the Property to be transferred to the Association. The Association shall accept the transfer of the applicable Permit and responsibilities under the Permit. Transfers of any such Permit shall occur on or about the date the North Carolina Division of Energy, Mineral and Land Resources allows the transfer of the Permit to occur, or, a later date elected by Declarant in Declarant's sole discretion.

Prior to any such transfer of the Permit, the Stormwater Management Facilities for the Property, including any property annexed by Declarant into the Property, shall be certified to the Association and the State of North Carolina, either by state inspection or by a licensed engineer, as being in compliance with the applicable Permit prior to such assignment or transfer.

8.2 Association Indemnification. The Association shall indemnify and hold Declarant harmless from any loss, cost, claim, fee, fine, suit, damage or expense, including reasonable attorneys' fees, incurred by Declarant in the defense of any action against Declarant as the responsible party under the Permit and any Permit applicable to any property annexed into the Property from and after the date Declarant tenders transfer of its responsibilities under the Permit. The Association shall indemnify and hold Declarant harmless from any loss, cost, claim, fee, fine suit, damage or expense, including reasonable attorneys' fees, incurred by Declarant in the defense of any action against Declarant as holder of the Permit from and after the date Declarant tenders transfer of the Permit to the Association following the approval of such transfer by the North Carolina Division of Energy, Mineral and Land Resources and the certification of compliance as set forth above. Further, Declarant may bring an action for specific performance of the obligations of the Association pursuant to this Section 8.2.

8.3 Administration of Permit. From and after the transfer of Declarant's (or permittee's if other than Declarant) responsibilities under the Permit applicable to the property annexed into the Property and from and after transfer of the Permit to the Association, the oversight, supervision, management and administration of the Permit shall be the sole responsibility of the Association. The Association's duties with respect to the Permit shall be carried out in accordance with the terms and conditions of the Association Documents, and the Permit.

8.4 Easement for Upkeep and Enforcement. The Association hereby is granted and conveyed an easement over, under and upon each Lot for the purpose of access to and Upkeep of all Stormwater Management Facilities and to enforce all requirements of the Permit. In the event Declarant annexes additional property into the Property and transfers the applicable Permit and Declarant's responsibilities under the Permit to the Association, the Association shall have, and hereby is granted and conveyed, an easement over, under and upon each annexed Lot for the purpose of access to and Upkeep of all Stormwater Management Facilities located upon such additional property and to enforce all requirements of the Permit.

8.5 Compliance with Permit. To ensure ongoing compliance with the Permit as issued by the North Carolina Division of Energy, Mineral and Land Resources under NCAC 2H.1000, Owners shall not construct any improvements on their Lots or the Common Elements or otherwise use any portion of the Property in a manner that violates the terms of the Permit.

**Article 9. Annexation and Withdrawal of Property.**

**9.1 Annexation Without Approval of Membership.**

(a) During the Development Period, Declarant may unilaterally subject any additional real property to the provisions of this Declaration. Nothing in this Declaration or otherwise shall be construed to require Declarant, or any successor, to develop any additional real property in any manner whatsoever.

(b) Declarant may transfer or assign this right to annex property, provided that such transfer is memorialized in a written, recorded instrument executed by Declarant and recorded in the Register of Deeds.

(c) Such annexation shall be accomplished by filing a Supplemental Declaration in the Register of Deeds describing the property to be annexed and specifically subjecting it to the terms of this Declaration. Such Supplemental Declaration shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the recording of such Supplemental Declaration in the Register of Deeds unless otherwise provided therein.

**9.2 Annexation With Approval of Membership.**

(a) The Association may subject any Contiguous Property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Owners representing sixty-seven percent (67%) of the votes of the Association represented at a meeting duly called for such purpose, and the consent of Declarant during the Development Period.

(b) Such annexation shall be accomplished by recording a Supplemental Declaration in the Register of Deeds describing the property to be annexed and specifically subjecting it to the terms of this Declaration. Any such Supplemental Declaration shall be signed by the President of the Association, and by the owner of the annexed property. Any such annexation shall be effective upon the recording unless otherwise provided therein.

**9.3 Withdrawal of Property.** Declarant reserves the right to amend this Declaration without prior notice and without the consent of any Person, for the purpose of removing property then owned by Declarant, its affiliates, or the Association from the coverage of this Declaration.

**9.4 Additional Covenants and Easements.** Declarant may unilaterally subject any portion of the Property submitted to this Declaration initially or by Supplemental Declaration to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property and shall require the written consent of the owner(s) of such property, if other than Declarant.

9.5 Amendment. This Article shall not be amended without the prior written consent of Declarant during the Development Period.

9.6 Additional Members. Any property annexed into the Association by the provisions of this Declaration shall be subject to all conditions and privileges of the Association and Owners of any such annexed property shall be members of the Association.

**Article 10. Assessments.**

10.1 Creation of Assessments.

(a) The Association shall levy assessments against each Lot for Common Expenses as the Board may specifically authorize from time to time. There shall be two (2) types of assessments for Association expenses: (a) Assessments to fund Common Expenses for the general benefit of all Lots; and (b) Benefited Assessments as described in Section 10.5. Each Owner, by accepting a deed or entering into a recorded contract of sale for any Lot within any portion of the Property is deemed to covenant and agree to pay these assessments.

(b) All assessments, together with interest from the due date of such assessment at a rate determined by the Association (not to exceed the highest rate allowed by North Carolina law), late charges, costs, including lien fees and administrative costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Lot against which the assessment is levied until paid, as more particularly provided in Section 10.7. Each such assessment, together with interest, late charges, costs, including lien fees and administrative costs, and reasonable attorneys' fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment was levied. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable with the grantor for any assessments and other charges due at the time of conveyance. No first Mortgagee which obtains title to a Lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

(c) All assessments shall be paid in such manner and by such dates as the Board may establish. Unless the Board otherwise provides, an Assessment for each Lot shall be due and payable in advance each year on the first day of the fiscal year of the Association.

(d) The Association shall, upon request by an Owner, furnish to any Owner a certificate in writing signed by an officer of the Association setting forth whether assessments for such Owner's Lot have been paid and any delinquent amount. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

(e) No Owner may exempt himself or herself from liability for assessments, by non-use of Common Elements, abandonment of his or her Lot or Dwelling Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be

claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it or for inconvenience or discomfort arising from repairs or improvements or other action taken by it.

10.2 Declarant's Obligation for Assessments. During the Development Period, Declarant may annually elect either to pay (i) the annual Assessment attributable to all of its unsold Lots or (ii) the shortage for such fiscal year. The "shortage" shall be the difference between:

(a) the amount of all income and revenue of any kind received by the Association, including but not limited to, assessments collected on all other Lots, use fees, advances made by Declarant, and income from all other sources, and

(b) the amount of all actual expenditures incurred by the Association during the fiscal year, including any reserve contributions for such year, but excluding all non-cash expenses such as depreciation or amortization, all expenditures and reserve contributions for making additional capital improvements or purchasing additional capital assets, and all expenditures made from reserve funds. Calculation of the shortage shall be performed on a cash basis of accounting. Unless Declarant otherwise notifies the Board in writing at least sixty (60) days before the beginning of each fiscal year, Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant or other entities for payment of Common Expenses. After termination of the Development Period, Declarant shall pay assessments on its unsold Lots in the same manner as any other Owner.

10.3 Computation of Annual Assessment. Not less than sixty (60) days before the beginning of each fiscal year, the Board shall prepare a budget covering the Common Expenses estimated to be incurred during the coming year. The budget shall include a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 10.4, but shall not include expenses incurred during the Development Period for initial development, original construction, installation of infrastructure, original capital improvements, or other original construction costs unless approved by Owners other than Declarant representing a majority of the votes of the Association and Declarant. In determining the budget, the Board, in its discretion, may consider other sources of funds available to the Association. In addition, the Board shall take into account the number of Lots subject to assessment under Section 10.6 on the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year.

Within thirty (30) days after adoption of any proposed budget by the Board, the Board shall provide to all Owners a summary of the budget and notice of a meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board shall set a date for a meeting of the Owners to consider ratification of the

budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary of the budget and notice of the meeting. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless, at that meeting, a majority of all the Owners in the Association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board.

The Assessment for the fiscal year shall be determined based upon the budget adopted by the Board and ratified by the Owners. In addition to Assessments for the fiscal year, the Board may levy Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Such Assessments shall be approved at a meeting of the Board and shall become effective upon approval by the Board, unless disapproved by Declarant during the Development Period. Such Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which such Assessment is approved. The amount of each Assessment shall be levied equally against all Lots.

10.4 Reserve Budget and Special Reserve Assessment. The Board shall prepare, on an annual basis, reserve budgets for general purposes which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of each asset. Such reserve budgets may also anticipate making additional capital improvements and purchasing additional capital assets. The Board shall include in the Assessments reserve contributions in amounts sufficient to meet these projected needs, if any.

The Board may adopt resolutions regarding the expenditure of reserve funds, including policies designating the nature of assets for which reserve funds may be expended. Such policies may differ for general Association purposes. During the Development Period, neither the Association nor the Board shall adopt, modify, limit or expand such policies without Declarant's prior written consent.

10.5 Benefited Assessments. The Board may levy Benefited Assessments against particular Lots for expenses incurred or to be incurred by the Association, as follows:

- (a) to cover the costs of providing Upkeep for the Townhome Lots, maintaining an insurance policy on the Townhome Units, and any other costs incurred by the Association for the benefit of only the Townhome Lots as set forth herein;
- (b) to cover the costs, including overhead and administrative costs, of Upkeep and replacement of any Limited Common Elements;
- (c) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners (which might include, without limitation, Landscape maintenance, caretaker service, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner; and

(d) to cover costs incurred in bringing the Lot into compliance with the terms of the Association Documents and the Act or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their family members, tenants, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing before levying a Benefited Assessment under this subsection (d).

10.6 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the first day of the month following (a) the date the Lot is made subject to this Declaration, or (b) the date the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual Assessments against each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

10.7 Lien for Assessments. All assessments authorized in this Article shall constitute a lien against the Lot against which they are levied, as provided in N.C. Gen. Stat. § 47F-3-116, as amended, until paid unless otherwise specifically precluded in this Declaration. The lien shall also secure payment of interest (subject to the limitations of North Carolina law), late charges, and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except (a) those superior by law, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. The Association may enforce such lien, when any assessment or other charge is delinquent, by suit, judgment, and foreclosure.

The Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association. The Association may sue for unpaid Common Expenses and costs without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, a Mortgagee holding a first Mortgage of record or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 10.6, including such acquirer, its successors and assigns.

10.8 Acceleration. In any case where an assessment or other charge is payable in installments, upon a default by such Owner in the timely payment of any two (2) consecutive installments, the maturity of the remaining total of the unpaid installments of such assessment or other charge may be accelerated, at the option of the Board, and the entire balance of the assessment or other charge may be declared due and payable in full by the service of such notice to such effect upon the defaulting Owner.

10.9 Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time the Association may retroactively assess any shortfalls in collections.

10.10 Exempt Property. The following property shall be exempt from payment of Assessments:

- (a) all Common Elements; and
- (b) all property dedicated to and accepted by any governmental authority or Utility Company.

In addition, Declarant and/or the Association shall have the right, but not the obligation, to grant exemptions to certain Persons qualifying for Section 501(c) status under the Internal Revenue Code so long as such Persons own property subject to this Declaration for purposes listed in Section 501(c).

10.11 Initial Working Capital Fund. Upon the initial conveyance of a Lot by Declarant to an Owner, such Owner shall contribute at the closing of said Lot a working capital fund contribution, said sum to be paid to the Association. The amount of the working capital fund contribution shall be determined by the Association and may be increased or decreased from time to time in the Association's sole discretion. The current working capital fund contribution amount is \$0.00. The sum is not an advance payment of any installment of the annual Assessment, but shall be utilized to establish the initial working capital fund for the Association. Such sum may also be utilized to reimburse Declarant the exact cost of any premiums or insurance policies purchased for the benefit of the Association by Declarant.

**Article 11. Architectural and Design Standards.**

11.1 General. No improvements (including staking, clearing, excavation, grading and other site work), exterior alteration of existing improvements (including painting), placement or posting of any object or thing on the exterior of any Lot, Dwelling Unit, other structure or the Common Elements (e.g., signs, antennae, clotheslines, playground equipment, temporarily or permanently installed basketball goals, pools, propane tanks, lighting, temporary structures, fences, yard art, and artificial vegetation), planting or removal of Landscaping, or installation or removal of an irrigation system shall take place except in compliance with this Article, this Declaration, including the Use Restrictions, and the Design Guidelines and with the approval of the appropriate committee under Section 11.2.

Any Owner may remodel, paint or redecorate the interior of structures, including the Dwelling Unit on his or her Lot, without approval. However, modification of the exterior and modifications to the interior of screened porches, patios, and similar portions of a Lot visible

from other Lots, Dwelling Units, Common Elements or streets (public or private) within the Property shall be subject to this Article and approval as set forth below.

This Article shall not apply to the activities of Declarant or to improvements to the Common Elements by or on behalf of the Association.

This Article may not be amended during the Development Period without Declarant's written consent.

11.2 Architectural and Design Review.

(a) New Construction. Declarant shall have exclusive authority to administer and enforce architectural standards under this Article and to review and act upon all applications for original construction within the Property. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board may, at its option, either assume such authority, create and appoint an Architectural Committee ("AC"), or assign such duties to the MC (as defined below). The Board and AC, if established, shall consist of at least three (3), but not more than five (5), Persons who shall serve and may be removed in the Board's discretion. The AC shall have no rights or authority until Declarant's authority under this Article is surrendered.

(b) Modifications. The Board shall establish a Modifications Committee ("MC") which shall consist of at least three (3), but not more than five (5), Persons who shall be appointed and shall serve at the discretion of the Board. The MC shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing structures on Lots or containing Dwelling Units and the adjacent open space. During the Development Period, Declarant shall have the right to disapprove any action taken by the MC which Declarant determines, in its sole discretion, to be inconsistent with the Design Guidelines. (For purposes of this Article, "Reviewing Body" shall refer to either Declarant, the MC, or the AC, as appropriate under the circumstances.)

(c) Fees. The Reviewing Body may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. Declarant and the Association may employ architects, engineers, or other persons as deemed necessary to perform the review. The Board may include the compensation of such persons in the Association's annual operating budget as a Common Expense.

(d) Security. The Reviewing Body may also require posting of security by any Owner, or such Owner's contractor or builder to be utilized for the payment of any fines and cost of any enforcement in accordance with Section 11.8 herein, or the repair of any damage to any Common Elements or providing Upkeep of such Common Elements in excess of normal Upkeep as may occur during the construction of any permitted improvements within the Property. The amount and type of security, as required by the Reviewing Body, may

be changed from time to time and does not necessarily have to be consistent as to all Owners, contractors or builders.

11.3 Guidelines and Procedures. Declarant shall prepare Design Guidelines which shall apply to all construction activities within the Property, except as provided in Section 11.1. Declarant shall have sole and full authority to amend the Design Guidelines during the Development Period. Thereafter, the AC, or if the AC is not established, the MC, shall have the authority to amend the Design Guidelines subject to ratification by the Owners as described herein. Within thirty (30) days after the adoption of any amended Design Guidelines by the AC or the MC, the AC or the MC shall provide a copy or summary of the amended Design Guidelines to all Owners, and shall set a date and give notice for a meeting of the Owners to consider ratification of the amended Design Guidelines, with such notice to include a statement that the amended Design Guidelines may be ratified without a quorum. The date of the meeting of the Owners to consider ratification of the amended Design Guidelines shall be not less than ten (10) nor more than sixty (60) days after the mailing of the copy or summary and notice. There shall be no requirement that a quorum be present at the meeting. The amended Design Guidelines are ratified unless at the meeting a majority of all the Owners in the Association reject the amended Design Guidelines. In the event the proposed amended Design Guidelines are rejected, the Design Guidelines immediately prior to the amendment shall be continued.

The Design Guidelines may contain general provisions applicable to all of the Property, as well as specific provisions which vary from one portion of the Property to another depending upon the location, unique characteristics, intended use, and any other applicable zoning ordinances. The Design Guidelines are intended to provide guidance to Owners regarding matters of particular concern in considering applications hereunder. The Design Guidelines are not the exclusive basis for decisions of the Reviewing Body and compliance with the Design Guidelines does not guarantee approval of any application.

Any amendments to the Design Guidelines shall apply to construction and modifications commenced after the date of such amendment only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines; Declarant or, upon its formation, the AC, or the MC, is expressly authorized to amend the Design Guidelines to remove requirements previously imposed or otherwise to make the Design Guidelines less restrictive.

The Association shall make the Design Guidelines available to Owners (including builders) and contractors who seek to engage in development or construction within the Property and all such Persons shall conduct their activities in accordance with such Design Guidelines. In Declarant's discretion, such Design Guidelines may be recorded in the Register of Deeds, in which event the recorded version, as it may unilaterally be amended from time to time, shall control in the event of any dispute as to which version of the Design Guidelines was in effect at any particular time.

All structures and improvements constructed upon a Lot shall be constructed in strict compliance with the Design Guidelines in effect at the time the plans for such

improvements are submitted to and approved by the Reviewing Body, unless the Reviewing Body has granted a variance in writing pursuant to Section 11.6. So long as the Reviewing Body has acted in good faith, its findings and conclusions with respect to appropriateness of, applicability of or compliance with the Design Guidelines and this Declaration shall be final.

11.4 Submission of Plans and Specifications.

(a) No activities within the scope of Section 11.1 shall commence on any Lot until an application for approval of the proposed work has been submitted to and approved by the Reviewing Body. Such application shall be in the form required by the Reviewing Body and shall include plans and specifications ("Plans") showing site layout, structural design, exterior elevations, exterior materials and colors, signs, landscaping, drainage, lighting, irrigation, utility facilities layout and screening therefore and other features of proposed construction, as applicable. The Design Guidelines shall set forth the procedure and any additional information for submission of the Plans.

(b) In reviewing each submission, the Reviewing Body may consider quality of workmanship and design, visual and environmental impact, ecological compatibility, natural platforms and finish grade elevation, harmony of external design with surrounding structures and environment, and location in relation to surrounding structures and plant life. The Reviewing Body may require relocation of native plants within the construction site or the installation of an irrigation system for the landscaping including the natural plant life on the Lot as a condition of approval of any submission.

The Reviewing Body shall, within the period specified in the Design Guidelines, advise the party submitting the same, in writing, at an address specified by such party at the time of submission, of (i) the approval of Plans, or (ii) the segments or features of the Plans which are deemed by such committee to be inconsistent or not in conformity with this Declaration and/or the Design Guidelines, the reasons for such finding, and suggestions for the curing of such objections. In the event the Reviewing Body fails to advise the submitting party by written notice within the period specified in the Design Guidelines of either the approval or disapproval and suggestions for curing the objections of the committee of the Plans, approval shall be deemed to have been given. Notice shall be deemed to have been given at the time the envelope containing such notice, properly addressed, and postage prepaid, is deposited with the U.S. Postal Service, registered or certified mail, return receipt requested. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the submitting party.

(c) If construction does not commence on a project for which Plans have been approved within sixty (60) days of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the Plans to the Reviewing Body for reconsideration provided that the Reviewing Body may grant a longer time period for expiration of the approval at the time the approval is granted. If construction is not completed on a project for which plans have been approved within the period set forth in the Design Guidelines or in the approval, such approval shall be deemed withdrawn, and such incomplete construction shall be deemed to be in violation of this Article.

11.5 No Waiver of Future Approvals. Each Owner acknowledges that the members of the AC and the MC will change from time to time and that interpretation, application and enforcement of the Design Guidelines may vary accordingly. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

11.6 Variances. The Reviewing Body may authorize variances in writing from its guidelines and procedures, but only: (a) in accordance with duly adopted rules and regulations; (b) when unique circumstances dictate such as unusual topography, natural obstructions, hardship or aesthetic or environmental considerations; and (c) when construction in accordance with the variance would be consistent with the purposes of the Declaration and compatible with existing and anticipated uses of adjoining properties. Inability to obtain, or the terms of, any governmental approval, or the terms of any financing shall not be considered a hardship warranting a variance. Notwithstanding the above, the MC may not authorize variances without the written consent of Declarant during the Development Period, and the AC, if established.

11.7 Limitation of Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither Declarant, the Association, the Board, the AC or the MC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither Declarant, the Association, the Board, the AC or the MC, or any member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot. In all matters, the AC and the MC and their members shall be defended and indemnified by the Association as provided in the Bylaws.

11.8 Enforcement. Any construction, alteration or other work done in violation of this Article or the Design Guidelines shall be deemed to be nonconforming. Upon written request from Declarant, the AC, the MC, or the Board, Owners shall, at their own cost and expense and within such reasonable time frame as set forth in such written notice, cure such nonconformance to the satisfaction of the requester or restore the property, Lot and/or Dwelling Unit to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant, the Association or their designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Lot and collected as a Benefited Assessment unless otherwise prohibited in this Declaration.

All approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, Declarant or the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be

heard in accordance with the Bylaws, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Benefited Assessment unless otherwise prohibited in this Declaration.

All acts by any contractor, subcontractor, agent, employee, or invitee of an Owner shall be deemed as an act done by or on behalf of such Owner. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded from the Property, subject to the notice and hearing procedures contained in the Declaration. In such event, neither Declarant, the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this section.

In addition to the foregoing, the Association and Declarant shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the Reviewing Body.

**Article 12. Plan of Development and Use Restrictions.**

**12.1 Plan of Development: Applicability: Effect.**

(a) Declarant has established a general plan of development and occupancy for the Property under this Declaration in order to protect all Owners' quality of life and collective interests, the aesthetic and environment quality within the Property, and the vitality of and sense of community within the Property, all subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, needs, and desires within the community.

(b) The Property is subject to Design Guidelines as set forth in Article 11 and other restrictions governing land development, architectural and design control, individual conduct and uses of or actions upon the Property. This Declaration, including the Use Restrictions attached hereto as Exhibit B, and the rules and resolutions adopted by the Board establish affirmative and negative covenants, easements, and restrictions on the Property.

All provisions of this Declaration and any rules shall apply to all Owners, their contractors, family members, occupants, tenants, guests and invitees of any Lot.

**12.2 Authority to Promulgate Rules.**

(a) Subject to the terms of this Article and in accordance with its duty of care and undivided loyalty to the Association and its Members, the Board may adopt rules not inconsistent with the Use Restrictions set forth in Section 12.4 hereof and in Exhibit B, and other such rules and regulations permitted by, and not inconsistent with, the Act, including such rules and regulations relating to the use of, and parking and traffic, on public and private streets located within the Property.

(b) The Board shall send a copy of the rule to each Owner specifying the effective date of such rule within a reasonable period of time, as determined by the Board, prior to the effective date of the rule. The Association shall provide, without cost, a copy of the rules then in effect to any requesting Member or Mortgagee.

(c) Nothing in this Article shall authorize the Board or the Owners to modify, repeal or expand the Declaration, the Bylaws, the Articles, or the Design Guidelines. Such documents may be amended as provided therein.

12.3 Owners' Acknowledgment. All Owners are subject to the Use Restrictions and are given notice that: (a) their ability to use their privately owned property is limited thereby; and (b) the Board may adopt, delete, modify, create exceptions to, or amend the rules.

Each Owner by acceptance of a deed acknowledges and agrees that the use and enjoyment and marketability of his or her property can be affected by this provision and that the Use Restrictions and rules may change from time to time.

12.4 Use Restrictions. The property described in Exhibit A shall be used only for residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices for Declarant or the Association consistent with this Declaration and any Supplemental Declaration), subject to applicable laws. The Property shall be subject to the additional Use Restrictions attached hereto as Exhibit B. Any Supplemental Declaration or additional covenants imposed on property annexed into the Property may provide for different uses (i.e. commercial uses) and impose standards and restrictions other than those contained in this Declaration and the Association shall have standing and the power to enforce such standards and restrictions.

12.5 Rights of Owners. Except as may be specifically set forth in the Use Restrictions, and Initial use Restrictions, neither the Board nor the Owners may adopt any rule in violation of the following provisions:

(a) Equal Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Flags/Speech. The rights of Owners and occupants to display on their Lots flags, political signs, signs and symbols of the kinds normally displayed in or outside of residences located in single-family residential neighborhoods in individually owned property shall not be abridged; provided, however, the Board may adopt reasonable time, place, size and manner of display restrictions regulating flags, political signs, signs and symbols which are visible from outside the Lots. Notwithstanding any provision of this Declaration, including without limitation the provisions of this Article 12, no rule or regulation adopted by the Board of Directors or the Association, nor any amendment to the Declaration adopted by the Association or the Declarant shall regulate or prohibit the display of the flag of the United States of America and/or the flag of the State of North Carolina, of a size no greater than four (4) feet by six (6) feet, which is displayed in accordance with or in a manner consistent with the patriotic customs set forth in 4 U.S.C. §§ 5-10, as amended.

(c) Religious and Holiday Displays. The rights of Owners and occupants to display religious and holiday signs, symbols, and decorations on their Lots of the kinds normally displayed in residences located in residential neighborhoods shall not be abridged, except that the Association may adopt reasonable time, place, and manner restrictions regulating displays which are visible from outside the Lot.

(d) Household Composition. No rule shall interfere with the freedom of occupants of Dwelling Units to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Dwelling Unit on the basis of the size and facilities of the Dwelling Unit and its fair share use of the Common Elements.

(e) Activities Within Dwelling Units. No rule shall interfere with the activities carried on within the confines of Dwelling Units, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Dwelling Units, that generate excessive noise or traffic, that create unsightly conditions visible outside the Dwelling Unit, or that create an unreasonable source of annoyance.

(f) Allocation of Burdens and Benefits. The initial allocation of financial burdens and rights to use Common Elements among the various Lots shall not be changed to the detriment of any particular Owner. Nothing in this provision shall prevent the Association from changing the use of the Common Elements as provided in Section 4.7, from adopting generally applicable rules for use of Common Elements, or from denying use privileges to those who abuse the Common Elements, violate rules or this Declaration, or fail to pay assessments. This provision does not affect the right to increase the amount of assessments as provided in Article 10.

(g) Rights to Develop. No rule or action by the Association or Board shall impede Declarant's right to develop the Property, including, but not limited to, the rights of Declarant as set forth in Article 15.

(h) Abridging Existing Rights. Any rule which would require Owners to dispose of personal property being kept on the Property shall apply prospectively only and shall not require the removal of any property which was being kept on the Property prior to the adoption of such rule and which was in compliance with all rules in force at such time unless otherwise required to be removed by law.

The limitations in this Section 12.5 shall apply to rules only; they shall not apply to amendments to this Declaration adopted in accordance with Section 17.2(b).

**Article 13. Easements.**

13.1 Easements of Encroachment. During the Development Period, Declarant reserves unto itself, easements of encroachment, and for Upkeep and use of any permitted encroachment, between each Lot and any adjacent Common Elements and between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with this Declaration) to a distance of not more than three (3) feet, as measured from any point on the common boundary along a line perpendicular to such boundary. In the event that any Townhome Unit shall encroach upon any adjacent Lot or Common Element for any reason not caused by the purposeful or negligent act of the Owner, or agents of such Owner, then an easement appurtenant to such Townhome Lot shall exist for the continuance of such encroachment upon the adjacent Lot or Common Element for so long as such encroachment naturally shall exist.

13.2 Easements for Utilities, Etc. Declarant reserves unto itself, and grants to the Association perpetual easements for the purpose of access and Upkeep upon, across, over, and under all of the Property to the extent reasonably necessary to install and provide Upkeep for cable television systems, master television antenna systems, security and similar systems, roads, walkways, bicycle pathways, trails, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephone, gas, and electricity. Declarant and/or the Association may assign these easements and rights to any Utility Company providing a service or utility to Kingfish Bay subject to the limitations herein.

This easement shall not entitle the holders to construct or install any of the foregoing systems, facilities, or utilities over, under or through any existing Dwelling Unit on a Lot, and any damage to a Lot resulting from the exercise of this easement shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of this easement shall not unreasonably interfere with the use of any Lot and, except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

Declarant specifically grants to the Utility Companies easements across the Property for ingress, egress, installation, reading, and providing Upkeep of meters and boxes. However, the exercise of this easement shall not extend to permitting entry into the Dwelling Unit on any Lot, nor shall any utilities be installed or relocated on the Property, except as approved by the Board or Declarant.

13.3 Easements to Serve Contiguous Property. Declarant hereby reserves for itself and its duly authorized agents, representatives, employees, successors, assigns, licensees, and Mortgagees, a perpetual easement over the Lots and the Common Elements for the purposes of enjoyment, use, access, and development of any Contiguous Property whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Elements for construction of roads and for connecting and installing utilities on such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Elements as a result of vehicular traffic connected with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property and such property or any portion

thereof is not made subject to this Declaration, Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of maintenance of any access roadway serving such property.

13.4 Development and Other Easements. Declarant specifically reserves all of the easements identified as being so reserved in this Declaration including, but not limited to, those set forth in Article 15.

13.5 Easements for Cross-Drainage. Every Lot and the Common Elements shall be burdened with easements for natural drainage of stormwater runoff from other portions of the Property; provided, no Person shall alter the natural drainage on any Lot to increase materially the drainage of stormwater onto adjacent portions of the Property without the consent of the Owner(s) of the affected property and the Board.

13.6 Right of Entry. The Association shall have the right, but not the obligation, and a perpetual easement is hereby granted to the Association, to enter all portions of the Property, including each Lot, for emergency, security, and safety reasons. Such right may be exercised by the authorized agents of the Association, its Board, officers or committees, and by all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in emergencies, entry onto a Lot shall be only during reasonable hours and after notice to the Owner thereof. This easement includes the right to enter any Lot to cure any condition which increases the risk of fire or other hazard if an Owner fails or refuses to cure the condition within a reasonable time after request by the Board, but does not authorize entry into any Dwelling Unit without permission of the Owner, except by emergency personnel acting in their official capacities.

13.7 Easements for Maintenance and Enforcement. Authorized agents of the Association shall have the right, and a perpetual easement is hereby granted to the Association, to enter all portions of the Property, including each Lot to (a) perform its Upkeep responsibilities under Article 5, and (b) make inspections to ensure compliance with the Association Documents. Except in emergencies, entry onto a Lot shall be only during reasonable hours and after notice to the Owner. This easement shall be exercised with a minimum of interference to the quiet enjoyment to Owners' property, and any damage shall be repaired by the Association at its expense.

The Association also may enter a Lot to abate or remove, using such measures as may be reasonably necessary, any structure, thing or condition which violates the Declaration, any Supplemental Declaration, the Bylaws, the Design Guidelines, or the rules. All costs incurred, including reasonable attorneys' fees, shall be assessed against the violator as a Benefited Assessment.

The Property is hereby burdened with perpetual, non-exclusive easements in favor of the Association for overspray of water from any irrigation system serving the Common Elements. The Association may use treated effluent in the irrigation of any Common Elements. Under no circumstances shall the Association be held liable for any damage or injury resulting from such overspray or the exercise of this easement.

13.8 Rights to Stormwater Runoff, Effluent and Water Reclamation. Declarant hereby reserves for itself and its designees all rights to ground water, surface water, water within ponds, lakes, rivers, streams and wetlands located with the Property, stormwater runoff, and effluent located or produced within the Property, and each Owner agrees, by acceptance of a deed to a Lot, that Declarant shall retain all such rights. Such right shall include perpetual easements over the Property for access, and for installation and maintenance of facilities and equipment to capture and transport such water, runoff and effluent.

**Article 14. Mortgage Provisions.**

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots in the Property. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

14.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage which provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Lot subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of ninety (90) days, or any other violation of the Declaration or Bylaws relating to such Lot or the Owner or Occupant which is not cured within ninety (90) days. Notwithstanding this provision, any holder of a first Mortgage is entitled to written notice upon request from the Association of any default in the performance by an Owner of a Lot of any obligation under the Declaration or Bylaws which is not cured within ninety (90) days; or

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

14.2 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Elements.

14.3 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

**Article 15. Declarant's Rights.**

15.1 Declarant's Rights. Declarant's Rights are those rights reserved for the benefit of Declarant as provided for in the Act and the Association Documents which shall include, without limitation, the following rights:

- (a) To complete improvements on the Property;
- (b) To maintain models, management offices, construction offices, sales offices, customer service offices, and signs advertising the Property within any portion of the Common Elements Declarant deems appropriate;
- (c) Those rights set forth in Article 9 of this Declaration;
- (d) To designate any portion of the Property as Common Elements or Limited Common Elements;
- (e) To exercise all rights of architectural review and establishment of Design Guidelines and all other rights as set forth in Article 11 of this Declaration;
- (f) To construct improvements within portions of the Property and to operate the same as public or private facilities in the sole discretion of Declarant;
- (g) To appoint, remove and replace the members of the Executive Board;
- (h) To disapprove actions of the Board or any committee during the Development Period;
- (i) To disapprove any amendment or change in any Association Documents during the Development Period;
- (j) To enforce any covenants, restrictions and other provisions of the Association Documents during the Development Period; and
- (k) To amend this Declaration as set forth in 17.2(a).

15.2 Transfer of Declarant's Rights. Any or all of Declarant's Rights and obligations of Declarant set forth in this Declaration or the Bylaws may be transferred to other Persons, provided that the transfer shall neither reduce an obligation nor enlarge a right. No such transfer shall be effective unless it is in a written instrument signed by Declarant and the transferee and duly recorded in the Register of Deeds.

15.3 Modification of Development Plan. Each Owner, by accepting title to a Lot and becoming an Owner, and each other Person, by acquiring any interest in the Property, acknowledges awareness that Kingfish Bay is a planned community, the development of which is likely to extend over many years, and agrees not to protest or otherwise object to (a) zoning or changes in zoning or to uses of, or changes in density of, the Property, or (b) changes in any conceptual or master plan for the Property, such revision is or would be lawful (including, but not limited to, lawful by special use permit, variance or the like) and is not inconsistent with what is permitted by the Declaration (as amended from time to time).

15.4 Development Easements. Declarant, its employees, agents and designees, specifically reserve a non-exclusive easement over, upon, under and above the Common Elements and other portions of the Property (expressly excluding a Dwelling Unit) for any and all purposes deemed reasonably necessary or desirable by Declarant for the development of the Property and any Contiguous Property including, but not limited to, easements of access, the installation and maintenance of utilities, and easements as may be required from time to time by any governmental agency or pursuant to the Permit. Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Elements for the purpose of making, constructing, installing, modifying, expanding, replacing, and removing such improvements to the Common Elements as it deems appropriate in its sole discretion.

15.5 Marketing and Sales. During the Development Period, Declarant and its designees may maintain and carry on upon the Common Elements and any property owned by Declarant such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Lots, including, but not limited to, business offices, signs, model units, sales offices, and storage of building materials. Declarant and its designees shall have easements for access to and use of such facilities. Declarant's or any designee's unilateral right to use the Common Elements for purposes stated in this section shall not be exclusive and shall not unreasonably interfere with use of such Common Elements by Owners unless leased pursuant to a lease agreement with the Association providing for payment of reasonable rent.

15.6 Declarant Approval to Changes in Association Documents. During the Development Period, the Association shall not, without the prior written approval of Declarant, adopt any policy, rule or procedure that:

- (a) Limits the access of Declarant, its successors, assigns and/or affiliates or their personnel and/or guests, including visitors, to the Common Elements of the Association or to any property owned by any of them;
- (b) Limits or prevents Declarant, its successors, assigns and/or affiliates or their personnel from advertising, marketing or using the Association or its Common Elements or any property owned by any of them in promotional materials;
- (c) Limits or prevents new Owners from becoming members of the Association or enjoying full use of its Common Elements and Recreational Facilities, subject to the membership provisions of the Association Documents;

(d) Discriminates against or singles out any group of Members or prospective Members or Declarant. This provision shall expressly prohibit the establishment of a fee structure (i.e., assessments and other mandatory fees or charges) that discriminates against or singles out any group of Members or Declarant, but shall not prohibit the establishment of Benefited Assessments;

(e) Impacts the ability of Declarant, its successors, assigns and/or affiliates, to carry out to completion its development plans and related construction activities for Kingfish Bay as such may be amended and updated from time to time. Policies, rules or procedures affecting the provisions of existing easements established by Declarant and limiting the establishment by Declarant of easements necessary to complete Kingfish Bay shall be expressly included in this provision. Easements that may be established by Declarant shall include but shall not be limited to easements for development, construction and landscaping activities and utilities; or

(f) Impacts the ability of Declarant, its successors, assigns and/or affiliates to develop and conduct customer service programs and activities in a customary and reasonable manner.

15.7 Unimpeded Access. The Association shall not exercise its authority over the Common Elements (including, but not limited to, any gated entrances and other means of access to the Property) to interfere with the rights of Declarant set forth in this Declaration or to impede access to any portion of the Property, or over the streets and other Common Elements within the Property.

15.8 Additional Declarations/Restrictions. No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Property without Declarant's review and written consent during the Development Period. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by recorded consent signed by Declarant.

15.9 Governmental Interests. During the Development Period, Declarant may designate sites within the Property for fire, police and utility facilities, and parks, and other public facilities in accordance with applicable laws. The sites may include Common Elements.

15.10 Termination of Declarant's Rights. All of Declarant's Rights and obligations set forth in this Declaration and the Act shall terminate upon the earliest of (a) the date the Development Period terminates; or (b) the date specified by Declarant in a written document recorded in the Register of Deeds that some or all of the Declarant's Rights are to terminate on that date so stated.

**Article 16. Compliance and Enforcement.**

16.1 General Remedies. Every Owner and occupant of any Lot shall comply with the Association Documents and the Act. Failure to comply shall be grounds for an action

by the Association to recover sums due, for damages, injunctive relief or any other remedy available at law and equity or under the Act.

16.2 Enforcement/Sanctions. The Board or such other Association agent with the Board's approval, may impose sanctions for violations of Association Documents after notice and a hearing in accordance with the procedures set forth in the Declaration. Such sanctions may include, without limitation:

- (a) Imposing reasonable monetary fines which shall constitute a lien upon the Lot of the violator;
- (b) Suspending an Owner's right to vote;
- (c) Suspending any Person's right to use any Recreational Facilities within the Common Elements; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from the Lot;
- (d) Suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association; and
- (e) Levying Benefited Assessments to cover costs incurred in bringing a Lot into compliance in accordance with Section 10.5(d).

16.3 Self-Help Remedies. The Board or such other Association agent with the Board's approval, may elect to enforce any provision of the Association Documents by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations in accordance with any applicable ordinance(s) of Brunswick County, North Carolina) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in Article 17 or in the Bylaws.

16.4 Cumulative Remedies/Attorneys' Fees. The Association shall have all powers and remedies under the Act and the Association Documents which shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Association Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorney's fees and court costs, reasonably incurred in such action.

16.5 Association's Right Not to Take Action. The Association shall not be obligated to pursue enforcement action in any particular case, such decisions to be within the discretion of the Board, except that the Board shall not be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing, the Board may determine that, under the circumstances of a particular case: (a) the Association's position is not strong enough to justify taking any or further action; or (b) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or (c) although a technical violation may exist or may have occurred, it is not of such a material nature as to be

objectionable to a reasonable person or justify expending Association funds; or, (d) it is not in the best interest of the Association, based upon hardship, expense or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed a waiver of the right of the Association to enforce such covenant, restriction, rule or provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction, rule or provision, nor shall it preclude any Owner from taking action at law or in equity to enforce the Association Documents.

16.6 Enforcement by Owner. Nothing set forth in this Article 16 shall prevent any aggrieved Owner from instituting any available remedy in law or in equity for a violation of the Association Documents.

**Article 17. General Provisions.**

17.1 Term. This Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded. After such time, this Declaration shall be automatically extended for successive periods of ten (10) years, unless the Owners of Lots to which at least eighty percent (80%) of the votes in the Association are allocated agree to terminate this Declaration pursuant to N.C. Gen. Stat. § 47F-2-118.

17.2 Amendment.

(a) By Declarant. During the Development Period, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, Declarant may unilaterally amend this Declaration if such amendment is (i) necessary to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable it to make or purchase Mortgage loans on the Lots; (iv) necessary to enable any governmental agency or reputable private insurance company to guarantee or insure Mortgage loans on the Lots; or (v) otherwise necessary to satisfy the requirements of any governmental agency for approval of this Declaration. However, any such amendment shall not adversely affect the title to any Lot unless the affected Owner shall consent thereto in writing.

(b) By Owners. Except as otherwise specifically provided in this Declaration, this Declaration may be amended only by the affirmative vote of, or written agreement signed by, Owners of Lots to which at least sixty-seven percent (67%) of the total votes in the Association are allocated, and Declarant's written consent during the Development Period.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date of Amendments. Amendments to this Declaration shall become effective upon recordation in the Register of Deeds unless a later effective date is specified therein. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority so to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege during the Development Period.

17.3 Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of sixty-seven percent (67%) of the Members and the consent of Declarant during the Development Period. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of the Association Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 10; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

No judicial, quasi-judicial, administrative or governmental proceeding shall be commenced or prosecuted by the Association against or involving Declarant unless approved by a vote of seventy-five percent (75%) of the Members.

17.4 Hearing Procedures. Except as may be otherwise specifically authorized by the Association Documents, and permitted by the Association Documents, the Board shall not (i) impose a fine or penalty, (ii) undertake permitted remedial action, or (iii) suspend voting or infringe upon other rights of a Member or other occupant of a Lot or Dwelling Unit for violations of the Association Documents, or for assessments or other amounts due and owing to the Association remaining unpaid for a period of thirty (30) days, or longer, unless and until the following procedure is completed:

Written demand to cease and desist from an alleged violation shall be served upon the Responsible Person specifying (i) the alleged violation; (ii) the action required to abate the violation; and (iii) a time period, not less than five (5) days, during which the violation may be abated without further sanction, if such violation is a continuing one, or a statement that

any further violation may result in the imposition of a sanction after notice and hearing if the violation is not continuing.

(a) Notice. At any time within twelve (12) months following receipt of notice of the alleged violation, the Board, or an adjudicatory panel appointed by the Board, shall serve the Responsible Person (for purposes of this Section 17.4, the "Responsible Person" shall be any Member, Owner, or occupant of a Lot or Dwelling Unit) with a written notice of a hearing to be held by the Board of the Association in closed session or an adjudicatory panel appointed by the Board; provided, however, any adjudicatory panel appointed by the Board shall be composed of members of the Association who are not officers of the Association or members of the Board. The notice shall contain: (i) the nature of the alleged violation; (ii) the time and place of the hearing, which shall not be less than ten (10) days from the giving of the notice; (iii) an invitation to attend the meeting and produce any statement, evidence and witness on his or her behalf; and (iv) the possible sanction to be imposed. The notice prescribed herein may be served by mailing a copy of said notice to the alleged violator by placing said notice in the United States mail, postage prepaid, by any method as permitted for the service of summons as set forth in Rule 4 of the North Carolina Rules of Civil Procedure or by the delivery of said notice by an officer, director or agent of the Association to the Responsible Person or to any person who may be served on the Responsible Person's behalf as provided in said Rule 4.

(b) Hearing. The hearing shall be held in closed session of the Board or an adjudicatory panel appointed by the Board pursuant to the notice affording the member a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the Responsible Person appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. In addition, a written statement of the results of the hearing and the sanction, if any, imposed shall be mailed by the United States mail, postage prepaid, by the Association to the violator.

(c) Appeal. If the hearing is held before an adjudicatory panel, following such hearing and notice of a decision adverse to the violator, the Responsible Person shall have the right to appeal the decision to the Board. To perfect this right, a written notice of appeal must be received by the managing agent of the Association, President or Secretary of the Association within fifteen (15) days after the date of the decision, said written notice to contain information by which the Board may notify the Responsible Person of the date of the appeal hearing. If no adjudicatory panel is appointed by the Board, no right of appeal shall exist.

(d) Sanction as Assessment. Pursuant to the provisions of this Section, a fine may be imposed by the Association is an amount not exceeding One Hundred and No/100 Dollars (\$100.00) (or any greater amount as may be provided otherwise by law or the Act) per violation of the Association Documents and without further hearing, for each day after five (5) days after the decision to impose such fine that the violation occurs. Any such fine shall be an assessment as set forth in this Declaration and the Act. If it is decided pursuant to the provisions

of this Section that a suspension of privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured.

17.5 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

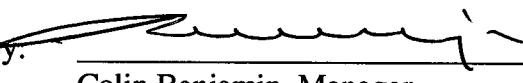

17.6 Use of the Words "Kingfish Bay". No Person shall use the words "Kingfish Bay" or any derivative, or any other term which Declarant may select as the name of this development or any component thereof, in any printed or promotional material without Declarant's prior written consent. However, Owners may use the words "Kingfish Bay" in printed or promotional matter solely to specify that a particular property is located within the Property, and the Association shall be entitled to use the words "Kingfish Bay" in its name.

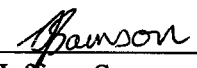

17.7 Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Lot shall give the Board at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title. The Association may require the payment of a reasonable administration or registration fee by the transferee.

17.8 Attorneys' Fees. In the event of an action instituted to enforce any of the provisions contained in the Association Documents, the party prevailing in such action shall be entitled to recover from the other party thereto as part of the judgment, reasonable attorneys' fees and costs, including administrative and lien fees, of such suit. In the event the Association is a prevailing party in such action, the amount of such attorneys' fees and costs shall be a Benefited Assessment with respect to the Lot(s) involved in the action.

IN WITNESS WHEREOF, the undersigned Declarant and Property Owner have caused this Declaration to be executed under seal this 5<sup>th</sup> day of August, 2016.

**EXHIBIT A**

Being all of those tracts or parcels of land lying and being situate in Brunswick County, North Carolina, and being more particularly shown and described on the map entitled "Kingfish Bay Development Phase 1A – Buildings 4 and 5" recorded in Map Cabinet 84, at Page 70 in the office of the Register of Deeds of Brunswick County, North Carolina.

## EXHIBIT B

### Initial Use Restrictions

The following restrictions shall apply to all of the Property until such time as they are amended, modified, repealed or limited pursuant to the Declaration.

1. Use. No Lot shall be used for any purpose other than as a single family residence. Except as otherwise provided herein, only one (1) single family dwelling, either a detached residence or a Townhome Unit, designated for use as, and used as, a single family residential dwelling may be constructed, erected, used or allowed to remain on any Lot.

Nothing in the Association Documents shall be construed to prohibit the Declarant or its assignees from using any Lot owned by the Declarant (or any other Lot with the permission of the Owner thereof) or any portion of the Common Elements for promotional, marketing, display or customer service purposes (such as a visitors' center) or for the settlement of sales of Lots. Further, the Declarant specifically reserves the right to operate a construction office or a rental, brokerage and management office at any time on Lots owned by the Declarant (or any other Lot with the permission of the Owner thereof) and on any portion of the Common Elements. The Declarant may assign its rights under this subsection to or share such rights with one or more other Persons, exclusively, simultaneously or consecutively with respect to the Common Elements and Lots owned by the Declarant or such Persons.

2. Restricted Activities. The following activities are prohibited within the Property unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board of Directors:

- (a) Any activity which tends to cause an unclean, unhealthy or unsafe condition to exist outside of enclosed structures on the Lot;
- (b) Any activity which emits foul or obnoxious odors, fumes, dust, smoke, or pollution outside the Dwelling Unit or which creates noise, unreasonable risk of fire or explosion, or other conditions which are a nuisance;
- (c) Any activity which violates local, state or federal laws or regulations;
- (d) Outside burning of trash, leaves, debris or other materials;
- (e) Outdoor storage of goods, materials, or equipment, except that outdoor storage of building materials shall be permitted during construction on the Lot on which such materials are being stored;
- (f) Any activity which would constitute a public or private nuisance;
- (g) Use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to occupants of other Dwelling Units, except alarm devices used exclusively for security purposes;
- (h) Use and discharge of firecrackers and other fireworks;

(i) Dumping grass clippings, leaves or other debris, petroleum products, fertilizers, or other potentially hazardous or toxic substances in any storm sewer, drainage ditch, or other component of the storm drainage system serving the Property, any stream, pond, or lake, or elsewhere within the Property, except that fertilizers may be applied to landscaping on Dwelling Units provided care is taken to minimize runoff, and Declarant may dump and bury rocks and trees removed from a building site on such building site;

(j) Subdivision of a Lot into two or more Lots, combination of Lots, or changing the boundary lines of any Lot after a subdivision plat including such Lot has been approved and recorded, except that Declarant shall be permitted to subdivide, combine, or replat Lots which it owns;

(k) Use of any Dwelling Unit for operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Dwelling Unit rotates among participants in the program on a fixed or floating time schedule over a period of years;

(l) On-site storage of gasoline, heating, or other fuels on Lots, except that a reasonable amount of propane gas and other fuel may be stored on each Dwelling Unit for emergency purposes and operation of gas cooking grills, lawn mowers and similar tools or equipment, and the Association shall be permitted to store fuel for operation of maintenance vehicles, generators, and similar equipment. This provision shall not apply to any underground fuel tank authorized pursuant to Article 11;

(m) Use of any Dwelling Unit for a Business or Trade, garage sale, moving sale, rummage sale, or similar activity, except that an Owner or occupant residing in a Dwelling Unit may conduct business activities within the Dwelling Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Dwelling Unit; (ii) the business activity conforms to all zoning requirements for the Property; (iii) the business activity does not involve door-to-door solicitation of residents of the Property; (iv) the business activity does not, in the Board's reasonable judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Property which is noticeably greater than that which is typical of Dwelling Units in which no business activity is being conducted; and (v) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Property, as may be determined in the sole discretion of the Board.

Leasing of a Dwelling Unit shall not be considered Business and Trade. This subsection shall not apply to any activity conducted by Declarant with respect to its development and sale of the Property or its use of any Dwelling Units which it owns within the Property;

(n) Any activities which materially disturb or destroy the vegetation, wildlife, wetlands, or air quality within the Property or which use excessive amounts of water or which result in unreasonable levels of sound or light pollution;

(o) Vehicles and Parking. Vehicles, including without limitation, automobiles, trucks, boats, trailers, motorcycles, campers, vans, golf carts, ATVs, and recreational vehicles, shall only be permitted on the Property in accordance with rules and procedures determined by the Board;

(p) Any construction, erection, placement, or modification of any thing, permanently or temporarily, upon a Lot or on the outside portions of the Dwelling Unit, whether such portion is improved or unimproved, except as specifically authorized in Paragraph 4(d) of this Exhibit or after approval of the thing by the Reviewing Body in writing, and otherwise in strict compliance with the provisions of the Declaration. This shall include, without limitation, signs, basketball hoops, swing sets and similar sports and play equipment; clotheslines; garbage cans; woodpiles; above-ground swimming pools; docks, piers and similar structures; and hedges, walls, dog runs, animal pens, storage sheds, or fences of any kind;

(q) No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence either temporary or permanently. No trailer, mobile home, camper or like vehicle shall be allowed on the property at any time, or any other structure which is finished or partially finished at a manufacturing unit or plat and transported for quick assembly and which is designed to be disassembled and relocated shall be allowed. It is specifically the intention and purpose of this covenant to prohibit the location of any manufactured home as defined in NCGS 143-145 and any structure for which a "Label of Compliance" as defined in NCGS 143-145 is issued, including but not limited to those structures which are generally referred to as mobile homes, trailers, relocatable houses, or similar type structures on the property;

(r) Removal, alteration, damage or change to any of the Stormwater Management Facilities.

(s) Placing or permitting to remain garbage or trash on any Lot excepting in covered containers of a type, size and style which are approved in accordance with Article 11 or as required by applicable governing authority. Except during construction activities upon the Lot, any such containers shall be kept inside garages or other structures on Lots except when they are being made available for collection and then only for the shortest time reasonably necessary to effect such collection.

(t) Pets. The Association may adopt reasonable rules regarding household pets designed to minimize damage and disturbance to other Owners and occupants, including rules requiring damage deposits, waste removal, leash controls, noise controls, pet occupancy limits based on size and facilities of the Lot and fair share use of the Common Elements. Nothing in this provision shall prevent the Association from requiring removal of any animal that presents an actual threat to the health or safety of residents or from requiring abatement of any nuisance or unreasonable source of annoyance. No Owner shall be permitted to raise, breed or keep mammals, birds, fish, or reptiles of any kind for commercial purposes.

3. Prohibited Uses. In addition to uses which are inconsistent with applicable zoning or are prohibited or restricted by other recorded covenants, conditions, restrictions or easements, the following uses are prohibited within the Property:

- (a) trailer courts, mobile home parks, and recreation vehicle campgrounds;
- (b) oil, gas or mineral exploration; drilling, boring, excavation, development, refining, quarrying, or mining operations, and all construction and equipment incident thereto; and oil or gas wells or related equipment or facilities;

(c) commercial excavation of building or construction materials, except in the usual course of construction of improvements;

(d) dumping, storage, disposal, incineration, treatment, processing or reduction of garbage, or refuse of any nature, except as is incidental to the use, operation and ownership of any property (or a portion thereof) in accordance with this Declaration and in a manner which is not unsightly and does not result in noxious odors emitting from the subject property.

4. Prohibited Conditions. The following shall be prohibited at the Property:

(a) Plants, animals, devices or other things of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Property;

(b) Structures, equipment or other items on the exterior portions of a Dwelling Unit which have become rusty, dilapidated or otherwise fallen into disrepair;

(c) Sprinkler or irrigation systems or wells of any type which draw upon water from lakes, creeks, streams, rivers, ponds, wetlands, canals, or other ground or surface waters within the Property, except that Declarant and the Association shall have the right to draw water from such sources and the Reviewing Body pursuant to Article 11 may, in its discretion, approve a private water well on certain Dwelling Units which the Reviewing Body determines to be of sufficient size to accommodate a well without adversely impacting neighboring property;

(d) Satellite dishes, antennae and similar devices for the transmission of television, radio, satellite, or other signals of any kind, except that Declarant and the Association shall have the right, without obligation, to erect or install and maintain any such apparatus for the benefit of all or a portion of the Property. Notwithstanding the foregoing, (i) antennae or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (ii) antennae or satellite dishes designed to receive video programming services via multi-point distribution services which are one meter or less in diameter or diagonal measurement; or (iii) antennae or satellite dishes designed to receive television broadcast signals which are less than one meter in diameter ("Permitted Devices") shall be permitted, *provided that* any such Permitted Device is placed in the least conspicuous location on the Lot in which an acceptable quality signal can be received and is screened from the view of adjacent Dwelling Units, streets and Common Elements in a manner consistent with the Community-Wide Standard and the Architectural Guidelines.

5. Leasing of Dwelling Units. Nothing contained herein shall prohibit the leasing or subleasing of a Dwelling Unit; provided, however, that:

(a) No Dwelling Unit shall be leased for a period of less than one hundred eighty (180) consecutive calendar days without the prior written consent of the Board.

(b) All leases for any Dwelling Unit shall be in writing signed by the Owner and the tenant.

(c) All leases shall be in such form, and contain such provisions, as approved by the Board, including provisions (a) requiring the tenant to comply with the Association

Documents, (b) providing that the failure of any tenant under a lease to comply with the Association Documents shall constitute an event of default under the lease, and (c) providing that the Board may exercise any and all remedies for a default under the Association Documents against the Owner and the tenant under the lease including, without limitation, the right to remove a tenant from possession of a Dwelling Unit by judicial process or otherwise.

(d) No structure on any Lot other than the Dwelling Unit may be leased or otherwise occupied, and no fraction or portion of any Dwelling Unit may be leased separately from any other portion of the Dwelling Unit.

(e) A true executed copy of any lease for a Dwelling Unit shall be provided to the Association prior to the occupancy by the tenant of such Dwelling Unit.

The Board may also adopt reasonable rules and regulations regarding leasing which may include, but are not limited to, (a) the imposition of a fee to the Owner leasing the Dwelling Unit equal to the costs of administration and ensuring compliance incurred by the Association with the restrictions and rules and regulations relating to leasing, and (b) prohibiting or restricting the leasing of more than twenty percent (20%) of the Dwelling Units at any one time within the Property.

"Leasing," for purposes of this Declaration, is defined as regular, exclusive occupancy of a Dwelling Unit by any person other than the Owner, or the Immediate Family of the Owner, for which the Owner receives, or the tenant provides, any consideration or benefit, including, but not limited to, a fee, service, gratuity, or emolument. As used in these Initial Use Restrictions, "Immediate Family" shall mean the parents, grandparents and children of such Owner.

Notwithstanding the above, Declarant retains the right to lease any Dwelling Unit it owns for period of less than thirty (30) days.
