

Job Site Safety Compliance Form

Thank you for selecting The Ascot Corporation as your preferred homebuilder!

To promote job safety and avoid any accidents during the construction of your new home we politely request you do not enter the job site without permission from the builder. If you wish to visit the job site while it is under construction, you must first contact your real estate broker to schedule an appointment through the listing agent. Your signature below acknowledges receipt of this document and waives all responsibility from The Ascot Corporation, associated agents, staff, and subcontractors.

Disclaimer:

Floorplans, elevations, and the home selections list on file are for reference purposes only. The builder reserves the right to change dimensions, features, and finishes during construction. The final-built product may differ from what is featured in the attached documents. Please confirm at time of contract.
