(a) The Association may make and amend reasonable rules and regulations governing use of the Common Elements by the Owners;

(b) The Association may grant a security interest in or convey the Common Elements, or dedicate or transfer all or part of the Common Elements, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Owners of at least eighty percent (80%) of the Lots, excluding the Developer; provided, however, that the Association may without the consent of the Owners grant easements, leases, licenses and concessions through or over the Common Elements. No conveyance or encumbrance of Common Elements shall deprive any Lot of its rights of access or support. The Association shall be responsible for the maintenance of all Common Elements and any and all stormwater improvements at such time when sixty-six percent (66%) of the Lots are sold.

SECTION 2. Easements in Favor of Declarant and the Association. The following easements are reserved to Declarant and the Association, their agents, contractors, employees, successors, and assigns:

and safe utility installation and to maintain reasonable standards of health, safety and appearance.) No structures or plantings or other material shall be placed or permitted to remain upon such easement areas or other activities undertaken thereon which may damage or interfere with the installation or maintenance of utilities or other services, or which may retard, obstruct or reverse the flow of water or which may damage or interfere with established slope ratios or create erosion. These easement areas (whether or not shown on the recorded plats for the Planned Community) but not the improvements within such areas shall be maintained by the respective Owner except those for which a public authority or utility company is responsible.

(b) The right to locate wells, pumping stations, and tanks within residential areas, or upon any Lot with the permission of the Owner of such Lot.

ARTICLE III.

HOMEOWNERS' ASSOCIATION

SECTION 1. Formation of Association. The Association was formed on May 3, 2017. The Association is a North Carolina nonprofit corporation organized pursuant to the North Carolina Nonprofit Corporation Act for the purpose of establishing an association for the Owners of Lots to operate and maintain the Common Elements and facilities located on the Common Elements and any Limited Common Elements and facilities located on the Limited Common Elements, the stormwater runoff system, sign easement areas and other property and facilities maintained by the Association; to enforce covenants, conditions and restrictions of this

Declaration; and to make and enforce rules and regulations governing the Owners' use and occupation of Lots. The Association shall perform its functions in accordance with this Declaration, its Articles of Incorporation, and Bylaws. The Association shall be empowered to perform and/or exercise those powers set forth in the Act as it may be amended from time to time, in addition to any powers and authority otherwise granted to it.

SECTION 2. Membership. Every Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from fee simple ownership of a Lot or fee simple ownership of an undivided interest in a Lot.

SECTION 3. Voting Rights. The Association shall have two classes of voting Membership.

Class A. Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one Person holds an interest in any Lot, all such Persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot. Fractional voting with respect to any Lot is prohibited.

Class B. The Declarant shall be a Class B Member and shall be entitled to three (3) votes for each Lot owned and for each planned but currently unplatted Lot to be in the Planned Community. The total number of planned Lots for the Planned Community is currently one hundred forty seven (147) Lots; provided however, that the actual number of Lots may be more or less, and the Class B member makes no representation whatsoever regarding the actual number of Lots to be included in the Planned Community. The Class B Membership shall cease and be converted to Class A Membership on the happening of any of the following events, whichever occurs earlier:

(a) when the total vote outstanding in the Class A Membership equals the total vote outstanding in the Class B Membership (taking into account all Lot(s), including Lots(s) shown on the Plat, and Lot(s) added to the Planned Community through the annexation of additional land as provided in this Declaration;

(b) on December 31, 2032; or

(c) upon the voluntary surrender of all Class B Membership by the holder thereof.

SECTION 4. Declarant Control Period.

(a) The Declarant Control Period shall commence on the date this Declaration is executed, and shall end (i) when three-fourths (3/4ths) of the Lots are no longer owned by the Declarant (taking into account all Lot(s), including Lots(s) shown on the Plat, and Lot(s) added or which are planned to be added to the Planned Community through the annexation of additional land as provided in this Declaration), (ii) December 31, 2032, or (iii) the Declarant executes a written document stating the Declarant Control Period under this Declaration has ended, whichever occurs first.

(b) During the Declarant Control Period, the Declarant shall have the right to designate and appoint the Executive Board, the right to remove any Person or Persons designated and appointed by the Declarant to serve on the Executive Board, and the right to designate and appoint a Person or Persons to serve on the Executive Board for the remainder of the term of any Person serving on the Executive Board who may resign, die, or be removed by the Declarant.

SECTION 5. Government Permits. After completion of construction of any facilities required to be constructed by Declarant pursuant to permits, agreements and easements for the Planned Community, all duties, obligations, rights and privileges of the Declarant under any water, sewer, land use, stormwater and utility agreements, easements and permits for the Planned

Community with municipal or governmental agencies or public or private utility companies, shall be the duties, rights, obligations, privileges and the responsibility of the Association, notwithstanding that such agreements, easements or permits have not been assigned or the responsibilities thereunder specifically assumed by the Association. Declarant reserves the right to assign any such permits, easements, or agreements to the Association, in which case the Association shall be required to assume the same. There are additional provisions made in this Declaration concerning stormwater facilities and the Stormwater Permit. The WATERSTONE OF WILMINGTON HOMEOWNERS ASSOCIATION, INC., shall be responsible for the maintenance of all roads until such time as the roads have been accepted by the NCDOT as well as all stormwater matters including but not limited to the stormwater pond and the stormwater permit.

SECTION 6. Common Elements. The Association shall at its sole cost and expense be responsible for the operation and maintenance of each Common Element within the Planned Community from the date of completion of its construction or improvement by the Developer, whether or not (i) such Common Element has actually been deeded to the Association, or (ii) any permit issued by a governmental agency to Declarant for the construction and operation of the Common Element has been transferred from the Declarant to the Association or assumed by the Association. If the Declarant is required by any government agency to provide any operation or maintenance activities to a Common Element for which the Association is liable to perform such operation and maintenance pursuant to this section, then the Association agrees to reimburse the Declarant the cost of such operation and maintenance within thirty (30) days after Declarant renders a bill to the Association therefore. Furthermore, the Association shall be responsible for maintaining the wetlands flood control system and must obtain written approval from the USACOE before entering the wetlands to perform maintenance. The Association agrees to levy a Special Assessment within thirty (30) days of receipt of such bill to cover the amount thereof if it does not have other sufficient funds available. Declarant shall be entitled to specific performance to require the Association to levy and collect such Special Assessment.

SECTION 7. Insurance. The Executive Board on behalf of the Association, as a Common Expense, may at all times keep the Common Elements and other assets of the Association, if any, insured against loss or damage by fire or other hazards and such other risks, including public liability insurance, upon such terms and for such amounts as may be reasonably necessary from time to time to protect such property, which insurance shall be payable in case of loss to the Association for all Members. The Association shall have the sole authority to deal with the insurer in the settlement of claims. In no event shall the insurance coverage obtained by the Association be brought into contribution with insurance purchased by Members or their mortgagees. At a minimum, the Executive Board shall maintain the insurance coverages required by the Act. The Executive Board shall maintain liability insurance with mandatory Directors and Officers coverage.

SECTION 8. Architectural Control Committee. The Executive Board shall perform all duties of the Architectural Control Committee if no such committee is appointed by it, subject, however, to the Special Declarant Rights. Any Architectural Control Committee appointed by the Executive Board shall consist of at least 3 members.

ARTICLE IV: COVENANTS FOR ASSESSMENTS

SECTION 1. Creation of the Lien and Personal Obligation of Assessments. Each Lot Owner covenants and agrees to pay to the Association the following assessments (collectively the "Assessments" or "Assessment"):

- (a) Annual Assessments;
- (b) Special Assessments;
- (c) Insurance Assessments;

- (d) Ad Valorem Tax Assessments;
- (e) Working Capital Assessments; and
- (f) Individual Assessments.

The Assessments, together with interest, costs, and Reasonable Attorneys' Fees, shall be a charge on the land and shall be a continuing lien upon the respective Lot against which the Assessments are made. Each such Assessment, together with interest, costs and Reasonable Attorneys' Fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

SECTION 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and residents of the Planned Community and for the maintenance, repair, improvement, and replacement of the Common Elements and any Limited Common Elements. The funds arising from said assessments or charges, may be used for any or all of the following purposes: operation, maintenance and improvement of the Common Elements and any Limited Common Elements, including payment of utilities; enforcing this Declaration; paying taxes, insurance premiums, legal and accounting fees and governmental charges; establishing and funding reserve accounts; establishing working capital; paying dues and assessments to any organization or Master Association or other association of which the Association is a member; and in addition, doing any other things necessary or desirable as determined by the Executive Board to keep the Common Elements and Limited Common Elements in good operating order and repair.

SECTION 3. Annual Assessments. The Executive Board shall adopt a proposed annual budget at least sixty (60) days before the beginning of each fiscal year of the Association. Within thirty (30) days after adoption of the proposed budget for the Planned Community, the Executive Board shall provide to all of the Lot Owners a summary of the budget and notice of a meeting to consider its ratification, including a statement that the budget may be ratified without a quorum. The budget is ratified unless at the meeting a majority of all of the Lot Owners in the Association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Lot Owners shall be continued until such time as the Lot Owners ratify a subsequent budget proposed by the Executive Board. The Annual Assessment for each Lot shall be established based on the annual budget thus adopted; provided, however, that the first Annual Assessment shall be set by the Declarant prior to the conveyance of the first Lot to an Owner. The date in each Fiscal Year upon which the Annual Assessment shall become due and payable shall be established by the Executive Board. The Executive Board shall have the authority to require the Assessments to be paid in periodic installments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. The Board of Directors shall be entitled to raise the Annual Assessments by a rate of ten percent (10%). In the event the Board of Directors desire to raise the Annual Assessments by greater than ten percent (10%), an approval of two-thirds (2/3rd) of the Lot owners shall be required.

SECTION 4. Special Assessments. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to the year only for the following purposes:

(a) To defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements and any Limited Common Elements, including fixtures and personal property related thereto, provided that any such Special Assessment shall have the assent of two-thirds (2/3rd) of the Members of each class who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of any meeting of Owners called for the purpose of approving such Special Assessment shall be sent to all Members not less than ten (10) days or more than sixty (60) days in advance of the meeting.

(b) Without a vote of the Members, to provide funds to reimburse the Declarant as provided for in these Declarations.

SECTION 5. Insurance Assessments. All premiums on insurance policies purchased by the Executive Board or its designee and any deductibles payable by the Association upon loss shall be a Common Expense, and the Association may at any time levy against the Owners equally an "Insurance Assessment", in addition to the Annual Assessments, which shall be in an amount sufficient to pay the cost of all such deductibles and insurance premiums not included as a component of the Annual Assessment.

SECTION 6. Ad Valorem Tax Assessments. All ad valorem taxes levied against the Common Elements, if any, shall be a common expense, and the Association may at any time of year levy against the Owners equally an "Ad Valorem Tax Assessment", in addition to the Annual Assessments, which shall be in an amount sufficient to pay ad valorem taxes not included as a component of the Annual Assessment.

SECTION 7. Working Capital Assessments. Upon acquisition of record title to a Lot by the first Owner other than the Declarant or a Builder, such first Owner shall pay the sum of One Thousand and no/100 Dollars (\$1,000.00) to the Association as working capital to be used for operating and capital expenses of the Association. Such amounts paid for working capital are not to be considered as advance payment of the Annual or any other Assessments. Working Capital Assessment amounts may be adjusted by the Board at its sole discretion.

SECTION 8. Individual Assessments. In addition to the other Assessments set forth in this Article IV, the Executive Board may levy an Individual Assessment against specific Lot(s) for the following purposes:

(a) For the payment of Limited Common Expenses associated with the maintenance, repair, or replacement of a Limited Common element against the Lot or Lots to which the Limited Common Element is assigned.

(b) For the payment of any Common Expenses which are designated to benefit specific Lot(s).

(c) For the payment of those amounts levied against any Lot owned by an Owner under Article VIII, Sections 2(a) and (b) and Article VI, Section 4.

SECTION 9. Rate of Assessment. All Assessments except Individual Assessments shall be levied at a uniform rate against all Lots.

SECTION 10. Commencement of Assessments. Assessments for each Lot shall commence upon the date of acceptance by an Owner of a deed from Declarant. The Declarant shall not be required to pay Assessments.

SECTION 11. Effect of Nonpayment of Assessments and Remedies of the Association. Any Assessment or installment thereof not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate allowable by law or at any other interest rate adopted by the Executive Board. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Owner's Lot. The Association may collect Reasonable Attorneys' Fees from any Owner for attorney's fees incurred by the Association as a result of any Owner's failure to timely pay any Assessment or installment thereof. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Elements or abandonment of his Lot. All unpaid installment payments of Assessments shall become immediately due and payable if an Owner fails to pay any installment within the time permitted. The Association may also establish and collect late fees for delinquent installments.

SECTION 12. Lien for Assessments. The Association may file a lien against a Lot when any Assessment levied against said Lot remains unpaid for a period of thirty (30) days or longer.

(a) The lien shall constitute a lien against the Lot when and after the claim of lien is filed of record in the office of the Clerk of Superior Court of the county in which the Lot is located. The Association may foreclose the claim of lien in like manner as a mortgage on real estate under

power of sale under Article 2A of Chapter 45 of the General Statutes. Fees, charges, late charges, fines, interest, and other charges imposed pursuant to but not limited to N.C.G.S. §47F-3-102, §47F-3-107, §47F-3-107.1, §47F-3-115, §47F-3-116, and §47F-3-116.1 of the Act are enforceable as Assessments.

(b) The lien under this section shall be prior to all liens and encumbrances on a Lot except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the Lot) recorded before the docketing of the claim of lien in the office of the Clerk of Superior Court, and (ii) liens for real estate taxes and other governmental assessments and charges against the Lot.

(c) The lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing of the claim of lien in the office of the Clerk of Superior Court.

(d) Any judgment, decree, or order in any action brought under this section shall include costs and Reasonable Attorneys' Fees for the prevailing party.

(e) Where the holder of a first mortgage or deed of trust of record, or other Purchaser of a Lot obtains title to the Lot as a result of foreclosure of a first mortgage or first deed of trust, such Purchaser and its heirs, successors and assigns shall not be liable for the Assessments against the Lot which became due prior to the acquisition of title to the Lot by such Purchaser. The unpaid Assessments shall be deemed to be Common Expenses collectible from all of the Lot Owners including such Purchaser, its heirs, successors, and assigns.

(f) A claim of lien shall set forth the name and address of the Association, the name of the record Owner of the Lot at the time the claim of lien is filed, a description of the Lot, and the amount of the lien claimed.

ARTICLE V.

RIGHTS OF DEVELOPER

In addition to any and all other rights, powers and privileges reserved to the Declarant in this Declaration, the Declarant shall have, and there are hereby reserved to the Declarant, as part of the Special Declarant Rights defined in Article I, Section 21, of this Declaration, the following rights, powers and privileges.

SECTION 1. Architectural Control Committee/Executive Board. All duties and responsibilities conferred upon the Architectural Control Committee by this Declaration or the Bylaws of the Association shall be exercised and performed by the Declarant or its designee, so long as Declarant shall own any Lot within the Property, any Additional Property, or the Planned Community. The Declarant shall be entitled during the Declarant Control Period to appoint and remove the officers of the Association and members of the Executive Board.

SECTION 2. Plan of Planned Community. The right to change, alter or redesignate the allocated planned, platted, or recorded use or designation of any of the lands constituting the Planned Community including, but not limited to, the right to change, alter or re-designate road, utility and drainage facilities and easements and to change, alter or re-designate such other present and proposed amenities, Common Elements, or facilities as may in the sole judgment and discretion of Declarant be necessary or desirable. The rights reserved in this Section specifically include, but are not limited to, the right of the Declarant to redesignate, change or alter any platted Lot(s) into road(s). The Declarant hereby expressly reserves unto itself, its successors and assigns, the right to re-plat any one (1) or more Lots shown on the plat of any subdivision of the Property or Additional Property in order to create one or more modified Lots; to further subdivide tracts or Lots shown on any such subdivision plat into two or more Lots; to recombine one or more tracts or Lots or a tract and Lots to create a larger tract or Lot (any Lot resulting from such recombination shall be treated as one Lot for purposes of Assessments); to eliminate from this Declaration or any plats of the Planned Community Lots that are not otherwise buildable or are needed or desired by Declarant for access or are needed or desired by Declarant for use as public or private roads or access areas, whether serving the Planned Community or other property owned by the Declarant

or others, or which are needed for the installation of utilities, Common Elements or amenities, and to take such steps as are reasonably necessary to make such re-platted Lots or tracts suitable and fit as a building site, access area, roadway or Common Elements. The Declarant need not develop, or develop in any particular manner, any lands now owned or hereafter acquired by the Declarant, including any lands shown on plats of the Planned Community as "Future Development". Any such lands shall not be subject to this Declaration unless Declarant expressly subjects them hereto by filing of a supplemental declaration in the Register of Deeds office of the county where the Planned Community is located. Declarant is required by DWQ to state herein the maximum allowed built-upon area for all lots, which Declarant has planned to develop within the Planned Community. By listing the maximum built-upon area herein for all such lots, Declarant does not obligate itself to develop in any particular manner or for any particular uses any lands now owned or hereinafter acquired by Declarant which are not shown as Lots on the recorded Plat, or which are not shown as Lots on any subsequently recorded plats showing Lots that are made part of the Planned Community.

SECTION 3. Amendment of Declaration by the Declarant. This Declaration may be amended by the Declarant without approval of the Members or the Board of the Association, as the case may be, as follows:

- (a) in any respect, prior to the sale of the first Lot.
- (b) to the extent this Declaration applies to Additional Property.
- (c) to correct any obvious error or inconsistency in drafting, typing or reproduction.
- (d) to qualify the Association or the Property and Additional Property, or any portion thereof, for tax-exempt status.
- (e) to incorporate or reflect any platting change as permitted by this Article or otherwise permitted under this Declaration.
- (f) to accomplish the purposes of Article V, Section 2 above.
- (g) to conform, by amendment or otherwise, this Declaration to the requirements of any law or governmental agency having legal jurisdiction over the Property or any Additional Property or to qualify the Property or any Additional Property or any Lots and improvements thereon for mortgage or improvement loans made, insured or guaranteed by a governmental agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by, or under the substantial control of the United States Government or the State of North Carolina, regarding purchase or sale of such Lots and improvements, or mortgage interests therein, as well as any other law or regulation relating to the control of property, including, without limitation, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety and general welfare. A letter from an official of any such corporation or agency, including, without limitation, the Department of Veterans Affairs, U. S. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Corporation, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion. The Declarant may at any time amend this Declaration to change the maximum allowable built-upon area as permitted by DENR. Notwithstanding anything else herein to the contrary, only the Declarant, during the Declarant Control Period, shall be entitled to amend this Declaration pursuant to this Section.

SECTION 4. Annexation of Additional Property. Declarant may annex to and make a part of the Planned Community any Additional Property without the consent of the Association or any Lot Owners. Except for the annexation of Additional Property by the Declarant, the annexation of Additional Property to the Planned Community shall require the assent of the Owners of Lots to which at least sixty-seven percent (67%) of the votes of the Class A Members who are voting in

person or by proxy at a meeting called for this purpose are allocated; provided, however, Additional Property may be annexed to the Planned Community by the Declarant or any assignee of Special Declarant Rights without the assent of the Owners of Lots so long as the Additional Property is used for residential purposes, roads, utilities, drainage facilities, amenities, landscape areas, and other facilities not inconsistent with residential developments. Subdivisions or Planned Communities formed from Additional Property need not have the same name as prior portions of the Planned Community.

ARTICLE VI.

USE RESTRICTIONS, ARCHITECTURAL CONTROL AND MAINTENANCE

SECTION 1. Approval of Plans for Building and Site Improvements. No dwelling, wall or other structure shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change in or alteration therein (including painting or repainting of exterior surfaces) be made until the plans and specifications showing the nature, kind, shape, heights, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee. If the Architectural Control Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted to it, approval will not be required and full compliance with this Article will be deemed to have occurred. Refusal or approval of any such plans, location, or specification may be based upon any ground, including purely aesthetic and environmental considerations that in the sole and uncontrolled discretion of the Architectural Control Committee shall be deemed sufficient. One copy of all plans and related data shall be furnished to the Architectural Control Committee for its records. The Architectural Control Committee shall not be responsible for any structural or other defects in plans and specifications submitted to it or in any structure erected according to such plans and specifications.

SECTION 2. Minimum Standards for Site Improvements.

(a) Each dwelling shall have a minimum of two thousand (2,000) square feet of enclosed, heated dwelling area; provided, however, the Architectural Control Committee may permit a dwelling to have a minimum of one thousand eight hundred (1,800) square feet if the Committee in its sole discretion finds that the variance will not adversely impact property values within the Planned Community. The term "enclosed, heated dwelling area" shall mean the total enclosed area within a dwelling, which is heated by a common heating system; provided, however, that such term does not include garages, terraces, decks, open/screened porches, and like areas.

(b) Since the establishment of inflexible building setback lines for location of houses on Lots tends to force construction of houses directly to the side of other homes with detrimental effects on privacy, view, preservation of important trees and other vegetation, ecological and related considerations, no specific setback lines shall be established by this Declaration. In order to assure, however, that the foregoing considerations are given maximum effect, the site and location of any house or dwelling or other structure upon any Lot shall be controlled by and must be approved absolutely by the Architectural Control Committee; provided, however, that no structure shall be constructed closer to a Lot line than is permitted by applicable governmental regulations.

(c) The exterior of all dwellings and other structures must be completed within twelve (12) months after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder, due to strikes, fires, national emergency, natural calamities, or the complexity of design and construction.

(d) All service utilities, fuel tanks, and wood piles are to be enclosed within a wall or plant screen of a type and size approved by the Architectural Control Committee so as to preclude the same from causing an unsightly view from any highway, street, or way within the Planned Community, or from any other residence within the Planned Community. All mail boxes shall be provided in amenity area. No mail or newspaper boxes shall be permitted on any Lot. No fences shall be permitted unless the design, placement, and materials of any fence are approved by the Architectural Control Committee. Clotheslines are not permitted on any Lot.

(e) Off-street parking for not less than two (2) passenger automobiles must be provided on each Lot prior to the occupancy of any dwelling constructed on said Lot, which parking areas and the driveways thereto shall be constructed of concrete, brick, asphalt, or turf stone, or any other material approved by the Architectural Control Committee.

(f) All light bulbs or other lights installed in any fixture located on the exterior of any building or any Lot for the purpose of illumination shall be clear, white or non-frosted lights, or bulbs.

SECTION 3. Use Restrictions.

(a) Land Use and Building Type. No Lot shall be used for any purpose except for residential purposes, subject, however, to the rights of the Declarant contained herein. All Lots are restricted for construction of one single family dwelling (plus, a detached garage, if there is not one attached to the residence, and such other accessory buildings as may be approved by the Architectural Control Committee).

(b) Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. There shall not be maintained any plants or animals, nor device or thing of any sort whose normal activities or existence are in any way noxious, dangerous, unsightly, unpleasant or other nature as may diminish or destroy the enjoyment of other Lots by the Owners thereof. It shall be the responsibility of each Owner to prevent the development of any unclean, unsightly, or unkept condition of buildings or grounds on the Owner's Lot which would tend to decrease the beauty of the neighborhood as a whole or the specific area.

(c) Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, shed, barn or other outbuilding shall be used on any Lot any time as a residence either temporarily or permanently without the written consent of the Architectural Control Committee.

(d) Vehicles/Boats. No boat, motor boat, personal water craft, camper, trailer, motor or mobile homes, tractor/trailer, construction equipment or similar type vehicle/equipment, shall be permitted to remain on any Lot or on any street at any time, without the written consent of the Executive Board. No inoperable vehicle or vehicle without current registration and insurance will be permitted on any Lot, street or Common Element. All lawn maintenance equipment shall be stored when not in use, in a method so as not to be visible from the street. The Association shall have the right to have all such vehicles, boats, or equipment towed away or removed at the Owner's expense. No repairs to any vehicle may be made on streets or in driveways but only in garages or other areas and not visible from the street.

(e) Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that domesticated dogs, domesticated cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and provided further that they are not allowed to run free, are at all times kept properly leashed or under the control of their owner and do not become a nuisance.

(f) TV Satellite Dishes and Outside Antennas. No TV satellite signal receiving dishes are permitted on any Lot and no outside radio or television antennas shall be erected on any Lot or dwelling unit unless and until permission for the same has been granted by the Architectural Control Committee; provided, however, satellite dishes not over 18" in diameter which cannot be seen from the street are permitted.

(g) Construction in Common Elements. No Person shall undertake, cause, or allow any alteration or construction in or upon any portion of the Common Elements except at the direction or with the express written consent of the Executive Board.

(h) Signs. No signs (including "for sale" or "for rent" signs), other than political signs (as defined in N.C.G.S. §47F-3-121), shall be permitted on any Lot or in the Common Elements

without permission of the Executive Board; provided, however, the Declarant may, so long as Declarant owns any Lot, maintain for sale signs on Declarant's Lots and maintain signs and marketing materials on the Common Elements advertising the Planned Community. Additionally, McClammy Farms, LLC, their successors, and or assigns shall have the ability to maintain marketing materials in the subdivision as long as they or the developer owns lots.

(i) Subdividing. Subject to any rights reserved to the Declarant herein, no Lot shall be subdivided, or its boundary lines changed except with the prior written consent of the Declarant during the Declarant Control Period and thereafter by the Executive Board.

(j) Storage Sheds. No Lot Owner shall be allowed to have a storage shed, outbuilding, or built-upon area on any Lot(s).

(k) Flags/Statuary. No flags, outdoor statuary, or other decorative objects may be placed on any Lot unless and until permission for the same has been granted by the Architectural Control Committee. **Notwithstanding any other provision in this Section, either the American Flag or the North Carolina flag having the maximum dimensions of four feet by six feet (4'x6') may be flown on a pole no longer than 5 feet 6 inches from a pole holder attached to the home in an approved location which can be reached by hand from the ground below so as to be easily installed and removed. No flagpoles shall be installed in any other locations on any Lot.** Flags will be displayed in accordance with traditional rules and patriotic customs set forth in 4 U.S.C. §5-10, as amended, governing the display and use of the American Flag. The Association may display the American Flag or the North Carolina flag from flagpoles or otherwise on any Common Element. However, any Lot used as a Model Home shall be allowed to have any size, type, or number of flags.

SECTION 4. Maintenance. Each Lot Owner shall keep his Lot free from weeds, underbrush or refuse piles, or unsightly growth or objects. All structures shall be kept neat and in good condition and repair. All shrubs, trees, grass and plantings shall be kept neatly trimmed and properly cultivated. In the event that any maintenance activities are necessitated to any Common or Limited Common Element by the willful act or active or passive negligence of any Owner, his family, guests, invitees or tenants, and the cost of such maintenance, repair or other activity is not fully covered by insurance, then, at the sole discretion of the Executive Board, the cost of the same shall be the personal obligation of the Owner and if not paid to the Association upon demand, may be added to and become an Individual Assessment levied against said Owner's Lot.

ARTICLE VII.

STORMWATER PERMIT/FACILITIES

SECTION 1. Stormwater Permit. The Association and each of its Members agree that at any time after (i) all work required under the Stormwater Permit has been completed (other than operation and maintenance activities), and (ii) the Developer is not prohibited under DENR regulations from transferring the Stormwater Permit for the Planned Community to the Association, the Association will cause its officers, without any vote or approval of Lot Owners, and within 10 days after being requested to do so, to sign all documents required by DENR for the Stormwater Permit to be transferred to the Association and will accept a deed conveying such facilities to the Association (if not already deeded); provided, however, that at the time the Developer requests that the Association accept transfer of the Stormwater Permit, the Developer has delivered to the Association a certificate from an engineer licensed in the State of North Carolina, dated no more than forty-five (45) days before the date of the request, that all stormwater retention ponds, swales and related facilities are constructed in accordance with the plans and specifications therefor. If the Association fails to cause the documents required by this paragraph to be signed by its officers or to accept a deed conveying such facilities, the Developer shall be entitled to specific performance in the courts of North Carolina requiring that the Association's officers sign all documents necessary for the Stormwater Permit to be transferred to the Association and accept a deed conveying such facilities to the Association. Failure of the Association's officers to sign as provided herein shall not relieve the Association of its obligations to operate and maintain the stormwater facilities covered by the Stormwater Permit.

SECTION 2. Stormwater Facilities Operation and Maintenance. Any stormwater retention ponds and related facilities for the Planned Community which have or are to be constructed by or on behalf of Declarant constitute Common Elements and, subject only to the provisions of Section 3 of this Article VII, the Association, at its sole cost and expense, is responsible for the operation and maintenance of such facilities. Such operation and maintenance shall include, but not be limited to, compliance with all of the terms and obtaining any renewals of the Stormwater Permit. Except as provided in Section 3 of this Article VII, the Association shall indemnify and hold harmless the Developer from any obligations and costs under the Stormwater Permit for operation and maintenance of the stormwater retention ponds and related facilities.

SECTION 3. Damage to Stormwater Facilities. The Declarant shall, at its sole cost and expense, be responsible for repairing any damage to stormwater facilities caused by the Developer's development activities. The Developer shall not be responsible for damages to stormwater retention ponds and related facilities caused by any other cause whatsoever, including but not limited to construction of residences or other activities by Owners, their agents and contractors, upon their Lots, acts of God, or the negligence of others. Lot Owners shall be responsible for damages to such stormwater facilities caused by construction of buildings or other activities upon the Owner's Lot. Each Owner, shall within thirty (30) days after receipt of notice of damage to stormwater facilities, repair the damage at the Owner's sole cost and expense to return them to the state required by the stormwater plans and specifications for the Planned Community. If the Lot Owner fails to do so within said thirty (30) day period, the Association shall perform the work and the cost of the work shall be added to the Annual Assessment due from the Lot Owner or assessed against such Owner and his Lot as an Individual Assessment.

SECTION 4. Enforcement of Stormwater Runoff Regulations.

(a) The following covenants are intended to ensure ongoing compliance with State Stormwater Management Permit Number SW8 060745, as issued by the North Carolina Division of Energy, Mineral, and Land Resources under the Stormwater Management Regulations.

(b) The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the stormwater management permit.

(c) These covenants are to run with the land and be binding on all persons and parties claiming under them.

(d) The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Energy, Mineral, and Land Resources.

(e) Alteration of the drainage as shown on the approved plan may not take place without the concurrence of the Division of Energy, Mineral, and Land Resources.

(f) The maximum allowable built-upon area per Lot is Three Thousand Eight Hundred Fifty (3,850) square feet. This allotted amount includes any built-upon area constructed within the Lot property boundaries, and that portion of the right-of-way between the front Lot line and the edge of the pavement. Built upon area includes, but is not limited to, structures, asphalt, concrete, gravel, brick, stone, slate, and coquina, but does not include raised, open wood decking, or the water surface of swimming pools.

(g) In the case of a lot within CAMA's regulated AEC, where the Division of Coastal Management calculates a different maximum allowable built-upon area for that lot than is shown herein, the governing maximum built-upon area for that lot shall be the most restrictive of the two.

(h) Filling in or piping of any vegetative conveyances (ditches, swales, etc.) associated with the development except for average driveway crossings is strictly prohibited by any persons.

(i) Each lot shall maintain a 30 foot wide vegetated buffer between all impervious areas and surface waters and a 50 foot wide buffer for projects located in the 20 coastal counties.

(j) All roof drains shall terminate at least 30 foot from the mean high water mark of surface waters and at least 50 foot for projects located in the 20 coastal counties.

ARTICLE VIII.

LOTS SUBJECT TO DECLARATION/ENFORCEMENT

SECTION 1. Lots Subject to Declaration. The covenants and restrictions contained in this Declaration are for the purpose of protecting the value and desirability of the Planned Community and the Lots. All present and future Owners, tenants and occupants of Lots and their guests or invitees, shall be subject to, and shall comply with the provisions of the Declaration, and as the Declaration may be amended from time to time. The acceptance of a deed of conveyance or the entering into of a lease or the entering into occupancy of any Lot shall constitute an agreement that the provisions of the Declaration are accepted and ratified by such Owner, tenant, or occupant. The covenants and restrictions of this Declaration shall run with and bind the land and shall bind any Person having at any time any interest or estate in any Lot, their heirs, successors and assigns, as though such provisions were made a part of each and every deed of conveyance or lease, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless terminated by the Lot Owners.

SECTION 2. Enforcement and Remedies. The covenants and restrictions of this Declaration shall inure to the benefit of and be enforceable (by proceedings at law or in equity) by the Association, or the Owner of any Lot, their respective legal representatives, heirs, successors and assigns. The Association shall be entitled to enforce its Articles of Incorporation, Bylaws, and rules and regulations and this Declaration and to collect from any Owner the Reasonable Attorneys' Fees incurred by Association in enforcing the same. In addition to the remedies otherwise provided for herein concerning the collection of Assessments, the following remedies shall be available:

(a) **Association to Remedy Violation.** In the event an Owner (or other occupant of a Lot) is in violation of or fails to perform any maintenance or other activities required by this Declaration, the Association's Bylaws, Articles of Incorporation, or rules and regulations, the Executive Board, after thirty (30) days' notice, may enter upon the Lot and remedy the violation or perform the required maintenance or other activities, all at the expense of the Owner. The full amount of the cost of remedying the violation or performing such maintenance or other activities shall be chargeable to the Lot, including collection costs and Reasonable Attorneys' Fees. Such amounts shall be due and payable within thirty (30) days after Owner is billed. If not paid within said thirty (30) day period, the amount thereof may immediately be added to and become an Individual Assessment levied against said Owner's Lot. In the event that any maintenance activities are necessitated to any Common Elements or Limited Common Elements by the willful act or active or passive negligence of any Owner, his family, guests, invitees or tenants, and the cost of such maintenance, repair or other activity is not fully covered by insurance, then, at the sole discretion of the Executive Board, the cost of the same shall be the personal obligation of the Owner and if not paid to the Association upon demand, may immediately be added to and become an Individual Assessment levied against said Owner's Lot.

(b) **Fines.** The Association may, in accordance with the procedures set forth in the Act, establish a schedule of and collect fines for the violation of this Declaration or of the Association's Articles of Incorporation, Bylaws or rules and regulations. If an Owner does not pay the fine when due, the fine shall immediately become an Individual Assessment against the Owner's Lot and may be enforced by the Association as all other Assessments provided for herein.

(c) **Suspension of Services and Privileges.** The Association may, in accordance with the procedures set forth in the Act suspend all services and privileges provided by the Association to an Owner (other than rights of access to Lots) for any period during which any Assessments against the Owner's Lot remain unpaid for at least thirty (30) days or for any period that the Owner or the Owner's Lot is otherwise in violation of this Declaration or the Association's Articles of Incorporation, Bylaws, or rules and regulations.

SECTION 3. Miscellaneous. Failure by the Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The remedies provided herein are cumulative and are in addition to any other remedies provided by law.

ARTICLE IX.
GENERAL PROVISIONS

SECTION 1. Rights of Institutional Note Holders. Any institutional holder of a first lien on a Lot will, upon request, be entitled to (a) inspect the books and records of the Association during normal business hours, (b) receive an annual audited financial statement of the Association within ninety (90) days following the end of its fiscal year, (c) receive written notice of all meetings of the Association and right to designate a representative to attend all such meetings, (d) receive written notice of any condemnation or casualty loss that affects either a material portion of the Planned Community or the property securing its loan, (e) receive written notice of any sixty (60) day delinquency in the payment of Assessments or charges owed by any Owner of any Lot which is security for the loan, (f) receive written notice of a lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association, (g) receive written notice of any proposed action that requires the consent of a specified percentage of mortgage holders, and (h) be furnished with a copy of any master insurance policy.

SECTION 2. Utility Service. Declarant reserves the right to subject the Property or any Additional Property to contracts for the installation of utilities, cable TV and street lighting, which may require an initial payment and/or a continuing monthly payment by the Owner of each Lot, including but not limited to, a contract with Duke Energy, or its successor in interest, for the installation of street lighting which requires a continuing monthly payment to Duke Energy, or its successor in interest, by the Owner of each Lot. Each Lot Owner will be required to pay for any water connections, sewer connections, impact fees or any other charges imposed by any entity furnishing water, sewer, or other utility service to the Lot(s). In the alternative, the Declarant may collect such connection, impact and other fees, and charges directly from the Lot Owners. All Lot Owners shall be required, for household purposes, to use water and sewer supplied by the companies/governmental units servicing the Planned Community. Separate water systems for outside irrigation and other outdoor uses shall not be permitted without the consent of the Architectural Control Committee.

SECTION 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

SECTION 4. Amendment of Declaration. Except in cases of amendments that may be executed by the Declarant as provided by this Declaration or by certain Lot Owners under Section 47F-2-118(b) of the Act, this Declaration may be amended by affirmative vote or written agreement signed by Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated, or by the Declarant if necessary for the exercise of any Special Declarant Right or any other development right reserved to the Declarant herein.

SECTION 5. Conflict. In the event of a conflict between the provisions of this Declaration and the Bylaws of the Association, this Declaration shall prevail, except to the extent this Declaration is inconsistent with the Act.

SECTION 6. North Carolina Planned Community Act. It is the intent of the Declarant to comply with the requirements imposed on the Planned Community by the Act and to the extent, any of the terms of this Declaration violate the Act, the terms of the Act shall control.

SECTION 7. Gender and Number. As used in this Declaration, the masculine, feminine and neuter gender, and the singular and plural numbers, whenever the context requires or permits, shall each be deemed to include the other genders or numbers respectively.

SECTION 8. Captions. The captions in this Declaration are inserted only as a matter of convenience and for reference and they in no way define, limit or describe the scope of this Declaration or the intent of any provision hereof.

IN TESTIMONY WHEREOF, Declarant has caused this Declaration to be signed in its company name by its Manager, pursuant to authority duly given by its Members, as of the day and year first above written.
