ADDENDUM TO CONTRACT

This addendum to the offer to purchase and contract dated _____ between _____ Buyer, and Caviness Land Development, Seller, regarding the property known as Lot CS505, in or near the City of Lillington, County of Harnett, North Carolina, by reference hereto, is incorporated in and is a part of said contract, as follows.

1. Closing Attorney will be *Hutchens Law Firm*. Closings to be scheduled on Tuesday's, Wednesday's and Thursday's only.
2. Buyer has received a copy of the restrictive covenants from his/her agent and acknowledges his/her responsibility to read them for compliance.
3. It is the buyer's responsibility to confirm school assignment and any potential redistricting.
4. Caviness Land Development builds "pre-assigned, speculative" homes – not custom homes, which mean all selections are made from our pre-chosen samples and vendors. We do not accommodate "vendor shopping". All of the items that you can choose will be selected with a Caviness Land vendor.
5. Floor plans vary in regard to square footage, special features, and upgrades; therefore, many of the items viewed in other homes may not be standard.
6. Builder will not install or allow to be installed prior to closing any items provided/purchased by the buyer.
7. Any pricing (i.e., upgrades, fences, etc.) will be done directly through Caviness Land Development. Pricing done in the field by a trade partner or project manager will not be honored.
8. Buyers may not engage the project manager, or tradesmen/subcontractors to make additions or changes of any kind while under construction and/or prior to closing. Such changes must be coordinated between their agent and the builder representative.
9. Buyer shall at all times treat the employees of Caviness Land Development and its agents, including without limitation, all of its subcontractors, in a professional manner, and shall not use vulgar or abusive language, threaten, harass, or in any way interfere with the performance of Caviness Land or its subcontractors' work. Should Buyer act in such a manner, such conduct may void the Home Warranty in Caviness Land Developments discretion.
10. All upgrades, changes and additions must be submitted on a Change Order Form prepared by your agent. If it is not in writing and paid for, no upgrades, changes or additions will be made.
11. Fencing is a non-warranted item. Buyer understands though fencing may be contracted for and installed prior to closing, neither the fence itself nor the installation is warranted by Caviness Land

Development. Buyer will have all responsibility for fencing matters once the fence has been installed.

12. Buyer to coordinate all available interior and exterior selections through Caviness Land Development or as directed by Caviness Land Development. Buyer will have 7 days from the date of accepted contract for selections to have been made and/or make changes, upgrades or additions. A \$250.00 fee plus the cost per accepted changes will apply after 30-days from the date of the accepted contract. The stage of construction at the time of contract will determine which changes the builder will accommodate.
13. Upgrades, changes and additions must be paid for in advance and are non-refundable. Fifty percent of the cost of any upgrade, change or addition is required at the time of contract and the balance due within a minimum of 30-days or before order/installation whichever is less.
14. Builder shall diligently pursue the construction of the house and shall complete construction as a "turn-key" job on or before the closing. If seller is delayed at any time in the process of construction by a) any act or neglect of buyer, b) any changes ordered in the construction, c) material shortages, adverse weather conditions, or delays in transportation which were not reasonably anticipated or d) acts of God, then the time for completion on construction of the house and closing shall be extended automatically by a reasonable time to account for the delay experienced. Construction shall be deemed complete when i) the house has been completed in accordance with the plans and specifications and is broom-clean, ii) a certificate of compliance has been issued by the appropriate governmental authority having jurisdiction over the construction of the house. Builder is not responsible for any fees i.e., extension of interest rate lock, etc. resulting in such delays of closing.
15. In accordance with the builder's insurance company and NC State Law; a) Buyers understand and agree that they will not be on the job site between the hours of 6:00am and 6:00 pm during weekdays unless accompanied by the builder or agent, b) buyers enter the job site after hours at their own risk.
16. The buyer is responsible for having the utilities turned on in their name within three days after closing, i.e., electric, water/sewer, gas.
17. Home Inspections by a third-party company will be accepted. Home Inspections must be received at least 14-days before closing for items to be addressed and completed prior to your closing date. Any Home Inspection received less than 14-days before closing will be addressed as punch list items and will be completed with-in 30-days after closing.
18. You have received a plot plan showing the dimensions and impervious area (built upon area) prepared by a professional engineer.
19. Photography Release-Buyer authorizes Builder or any of its affiliates the absolute and irrevocable right to utilize without charge, for any purpose, photographs and/or renderings of the Property, whether taken prior to or after Closing."
20. The home building industry is currently seeing unprecedented delays and cost increases in labor and materials. Caviness Land Development has no control over these issues but will use its best efforts to stay on schedule and on budget.
