Quote Description:

CNT Foundations will Install a total of 7 helical piers to stabilize the foundation that is cracked and settling. 4 and the back left corner 3 at the back right wall

Solution Items	Qty	Unit	Description
RR Helical w/ UPB, 3+	7.0	each	Install ICC Certified Helical Pile(s) with underpinning bracket(s) where designed. Crack closure or returning the structure to level is Not Guaranteed. Lifetime Warranty. All installation depth included.
RR Documentation & Paperwork	1.0	each	This is an administration fee for "the cost to push paper for your project" a tremendous amount of CNT staff resources are required to get your local municipality to approve this work. It includes permit fees engineering fees, business license fees, and any other fees that may be included or required to get approval for your work. PLEASE NOTE THAT LOCAL MUNICIPALITIES ARE VERY UNORGANIZED AND MAKE IT DIFFICULT TO DO BUSINESS. This fee does not include any after the fact engineering if engineering was done in the beginning or any "surprise" fees the local municipality may choose to reveal later.
RR Fuel Surcharge	1.0		Fuel surcharge
