ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and or the improvement and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an owner, the maximum annual assessment shall be Two Hundred dollars (\$200.00) per lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment may be increased by more than five percent (5%) by a vote of two thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount *not in excess of* the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that such assessment shall have the assent of two thirds (2/3) of the vote of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum of Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of

each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an office of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. Developer's Rights. All duties and responsibilities conferred upon the Architectural Review Committee by this Declaration or the Bylaws of the Association shall be exercised and performed by the Declarant or its Designee, so long as Declarant shall own any lot in the Properties or any additions annexed thereto by Supplemental Declaration or Amendment to this Declaration.

Section 2. Building and Site Improvements. (a) No dwelling, fence, wall or other structure shall be commenced, erected, or maintained upon any Lot in the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, or its designee, or, after the sale of all lots by Declarant, by the Board of Directors of the Association, or by an Architectural Review Committee composed of three (3) or more representatives appointed by the Board. In the event the Declarant, or its designee, or, if applicable, the Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specification have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Refusal of approval of any such plans, location or specification may be based upon any ground, including purely aesthetic and environmental considerations, that in the sole and uncontrolled discretion of the Declarant or Architectural Review Committee shall seem sufficient. One copy of all plans and related data shall be furnished to the Declarant or Architectural Review Committee, as the case may be, for its record.

Neither the Declarant nor the Architectural Review Committee shall be responsible for any structural or other defects in plans or specifications submitted to it or any structure erected according to such plans and specifications.

(b) No concrete block, concrete brick, asbestos siding, aluminum siding, cinder block nor tar paper composition shall be used for the exterior of any residence constructed on any building lot herein conveyed, it being intended that only conventional brick, clay brick, vinyl or exterior composition sidings for exteriors be constructed on the lots subject to these covenants.

Section 3. Approval of Plans. (a) No house plans will be approved unless the proposed house shall have a minimum of 2,000 square feet of enclosed dwelling area for one story homes and 2,300 square feet of enclosed dwelling area for two story homes. The term "enclosed dwelling area" as used in the minimum requirements shall be the total enclosed area within a dwelling, provided, however, that such term does not include garages, terraces, decks, open porches, and like areas; provided, further, that shed type porches, even though attached to the house are specifically excluded from the definition of the aforesaid term "enclosed dwelling area".

(b) Since the establishment of inflexible building setback lines for location of houses on lots tends to force construction of houses directly to the side of other homes with detrimental effects on privacy, view, preservation of important trees and other vegetation, ecological and related consideration, specific setback lines are established by Pender County Zoning. In order to assure, however, that the foregoing considerations are given maximum effect, the site and location of any house or dwelling or other structure upon any lot shall be controlled by and must be approved absolutely by the Declarant or the Architectural Review Committee, as the case may be. Provided, however, that no dwelling shall be constructed closer than twenty (20) feet to an adjoining property line.

(c) The exterior and landscaping of all houses and other structures must be complete within twelve (12) months after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner of builder, due to strikes, fires, national emergency or natural calamities.

(d) No structure shall be erected, altered, placed, or permitted to remain on any lot, except one (1) single family dwelling not to exceed two (2) stories in height, unless the Declarant or the Architectural Review Committee, as the case may be, approves in writing a structure of more than two (2) stories, and one or more small accessory buildings (which may include a detached private garage, servants quarters, or guest facilities) provided the use of such dwelling or accessory building does not in the opinion of the Declarant or Architectural review Committee overcrowd the site, and provided further, that such buildings are not used for any activity normally conducted as a business. Such accessory building may not be constructed prior to the construction of the main building.

(e) All service utilities, fuel tanks, clothes lines, wood piles, and trash and garbage accumulations are to be enclosed within a fence, wall or plant screen of a type and size approved by a Declarant of the Architectural Review Committee, so as to preclude the same from causing an unsightly view from any highway, street or way within the subdivision, or from any other residence within the subdivision. All mail boxes shall be uniform in design. Design for mail

boxes shall be furnished by the Declarant.

(f) Off street parking for not less than two (2) passenger automobiles must be provided on each lot prior to the occupancy of any dwelling constructed on said lot, which parking areas and the driveways thereto shall be constructed of concrete, brick, asphalt or turfstone.

(g) All front yards shall be sodded, except for planting beds, shrubbery, trees, or other areas designated by the Declarant or the Architectural Control Committee.

Section 4. Maintenance by Association. The association at its expense shall be responsible for maintaining, repairing, and replacing utility and drainage lines and pipes which are located on the properties, except those located within individual lots. The association shall have the right to go onto the lots at reasonable times for the purpose of maintaining, repairing, or replacing all utility and drainage lines and pipes that might be located on such lots; and each Owner hereby grants permission to the Association to enter his lot for such purposes.

In the event that the need for maintenance, repair, or replacement (other than said be caused by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles, and smoke as the foregoing are defined and explained in North Carolina Standard Fire and Extended Coverage Insurance Policies) is caused through the willful, or negligent act of the Owner, his family, guests or invitees, the costs of such maintenance, replacement or repairs shall be added to and become a part of the assessment to which such lot is subject.

ARTICLE VI

USE RESTRICTIONS

Section 1. Land Use and Building Type. No Lot in Harbour at Summerset shall be used except for residential purposes, provided, however, this shall not prevent the Declarant from constructing models or sales offices within the subdivision and from operating offices for the purpose of sales and other related activities from said model or office. All Lots (herein referred to as "single family lots") in Harbour at Summerset shall be restricted for the construction of single family dwellings only. Any building erected, altered, placed or permitted to remain on any lot shall be subject to the provisions of Article V of this Declaration relating to architectural control. Different land use restrictions and architectural control guide lines may be established for adjoining properties to developed by the Declarant.

Section 2. Nuisances. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. There shall not be maintained any plants or animals, nor device or thing of any sort whose normal activities or existence are in any way noxious, dangerous, unsightly, unpleasant or other nature that may diminish or destroy the enjoyment of other property in the neighborhood by the Owners thereof. It shall be the responsibility of each Lot Owner to prevent the development of ant unclean, unsightly, or un-kept condition of buildings or grounds on such lot which would tend to substantially decrease the beauty of the neighborhood area as a whole or the specific area.

Section 3. Lot Maintenance. In the event that any Lot Owner shall fail or refuse to keep such premises free from weeds, underbrush or refuse piles, or unsightly growth or objects, then, after thirty (30) days' notice from the Architectural Review Committee, the Association or its designee shall enter upon such lands and remove the same at the expense of the Owner, and such entrance shall not be deemed a trespass, and in the event of such removal a lien shall arise and be created in the favor of the Association for the full amount thereof chargeable to such Lot, including collection costs and such amounts shall be due and payable within thirty (30) days after the Owner is billed therefore. Such lien shall be enforceable by Court proceedings as provided by law enforcement liens.

Section 4. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or any other out building shall be used on any Lot at any time as a residence either temporarily or permanently.

Section 5. Recreational Vehicles. Any boat, motor boat, camper, trailer, or motor homes, or similar type vehicle remaining on any lot at any time shall be parked in the back yard and screened from view as not to be readily visible from the street.

Section 6. Animals. No animals, livestock, or poultry of any kind shall be maintained on any Lot or in any dwelling except that dogs, cats, or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and provided further that they are not allowed to run free and are at all times properly leashed.

Section 7. Outside Antennas. No outside radio or television antennas shall be erected on any Lot or dwelling unit within the Properties unless and until permission for the same has been granted by the Board of Directors of the Association or its Architectural review Committee.

Section 8. Window Coverings. All drapes, curtains and other similar materials hung at windows, or in any manner as to be visible from the outside, of any building erected upon any Lot shall be a white or neutral background material.

Section 9. Exterior Lights. All light bulbs or other lights installed in any fixture located on the exterior of any building or any Lot shall be clear, white or non-frost lights or bulbs.

Section 10. Junk Vehicles and Tractor-Trailers. No inoperable vehicle or vehicle without current registration and insurance, and no tractor-trailers will be permitted on the premises. The Association shall have the right to have all such vehicles towed away at the Owner's expense.

Section 11. Signs. No "FOR SALE" signs or any other signs shall be permitted on any lot or in the common areas without the permission of the Declarant or the Board of Directors, except that a sign conforming to the Pender County Sign Ordinance may be placed by Declarant on any Lot used by Declarant as a sale/rental office for the project so long as Declarant owns any Lot in the Properties.

Section 12. Tree Cutting. No trees located within Harbour at Summerset with a diameter in excess of ten (10) inches as measured at the base of the trunk at the ground level shall be cut without the written consent of the Architectural Review Committee.

ARTICLE VII

WATER SERVICES

Section 1. Water Service. All lot owners shall be required to use water supplied by the companies servicing the Properties for all household uses.

ARTICLE VIII

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation of additional property shall require the assent two-thirds (2/3) of the members at a meeting duly called for these purposes, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at a law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of the Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive period of ten (10) years each. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety (90) percent of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five (75) percent of the Lot Owners. Any amendment must be recorded.

As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration of the Veterans Administration: (a) annexation of additional properties, (b) dedication of Common Area, and (c) amendment of this Declaration of Covenants, Conditions and Restrictions.

The following covenants are intended to ensure ongoing compliance with State Stormwater Management Permit Number SW8-040713 as issued by the Division of Water Quality under NCAC 2H.1000.

The allowable built-upon area per lot is 5,700 square feet, inclusive of that portion of the right-of-way between the front lot line and the edge of the pavement, structures, pavement, walkways of brick, stone, slate, but not including wood decking, or the water surface of swimming pools. The covenants pertaining to storm water regulations may not be changed or deleted without concurrence of the Division of Water Quality. Filling in, piping or altering any vegetative conveyances (ditches, swales, etc.) associated with the development except for average driveway crossings, is strictly prohibited by any persons. Lots within CAMA's Area of Environmental Concern may have the permitted built upon area reduced due to CAMA jurisdiction within the AEC. Further, filling in, piping or altering any designated curb outlet swale associated with the development is prohibited by any persons.

Each owner, the Declarant and Harbour at Summerset Homeowners' Association, Inc., hereby specifically agree that this Covenant is intended to insure continued compliance with storm water runoff rules adopted by the State of North Carolina and therefore, benefits may be enforced by the State of North Carolina.
