

US HWY 70 & Future I-42 Disclosure

U.S. 70 between Raleigh and Morehead City plays important roles, including being a primary hurricane evacuation route as well as being a major corridor for freight transport. Future Interstate 42 generally follows the U.S. 70 corridor southeasterly, connecting Garner, Clayton, Smithfield, Selma, Goldsboro, Kinston, New Bern and Havelock with the Port of Morehead City.

I-42 will begin at the current systems interchange with I-40 near Garner and follow U.S. 70 southeast toward Smithfield, Selma and I-95. Near Goldsboro, I-42 will overtake the U.S. 70 Bypass around the north side of the city. **A new bypass will carry I-42 around the south side of Kinston, connecting with the existing controlled-access and freeway portions east to New Bern. Southeast of New Bern, Future I-42 will follow another new bypass to the west of Havelock. Ultimately I-42 will end near the Port of Morehead City.**

By signing this disclosure, Buyer and Seller Acknowledge they have been informed about pending road construction that will be taking place in New Bern, Havelock and James City areas of Craven County NC. Buyer and Seller further acknowledge that said construction may result in lane closings, detours, and traffic delays.

Residential Property And Owners' Association Disclosure Statement

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: 407 Conner Grant Rd, New Bern, NC 28562

Owner's Name(s): Donna L Sherman

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA).

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge.
If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.
If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem.
If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: " Dwelling " means any structure intended for human habitation, " Property " means any structure intended for human habitation and the tract of land, and " Not Applicable " means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. Buyers are strongly encouraged to:

- Carefully review the entire Disclosure Statement.
Obtain their own inspections from a licensed home inspector and/or other professional.

DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign.

- Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.
Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.
