AMENDMENTS

First Amendment: Article II, Section 2 shall be amended to add the following:

- (b) Lots 205R2-225R grant to the Association, and the landscaping contractor of its choosing, the right to entry upon those Lots to perform the landscaping maintenance obligations set forth in Article VIII, Section 2 and as otherwise determined by the Board.

Second Amendment: Article VI, Section 6 shall be deleted and replaced with the following:

SECTION 6. Rate of Assessment. The Association may differentiate in the amount of Assessments charged when a reasonable basis for distinction exists, such as between vacant Lots of record with completed dwellings for which certificates of occupancy have been issued by the appropriate governmental authority, for the landscaping maintenance performed by the Association on Lots 205-225, or when any other substantial difference as a ground of distinction exists between Lots. However, Assessments must be fixed at a uniform rate for all Lots similar situated.

Third Amendment: Article VIII, Section 2 shall be deleted and replaced with the following:

SECTION 2. Maintenance

- (a) Lots 205R2-225R. The Association shall provide the following maintenance for Lots 205R2-225R: basic yard maintenance consisting generally of mowing, fertilizing, pruning of shrubbery not in excess of 8 feet in height, weed control, edging, blowing walks and driveways, annual application of pine straw around front yard beds and shrubbery, and any other matters the Association Board of Directors finds reasonably necessary for the normal maintenance of the landscaped yards. The Association may form a Landscape Committee to

oversee this basic yard maintenance and the Association will hire a landscaping contractor to perform the work described herein. The cost associated with this work shall be paid by the owners of Lots 205R2-225R as an assessment pursuant to Article VI, Section 6.

The Association shall have no obligation to maintain, repair or replace Owner added landscaping, which requires approval from the Association's Architectural Review Committee prior to installation. Owners that have fences will be responsible for the maintenance and plantings inside the fences.

The basic landscape maintenance performed by the Association does not include replacement of grass, shrubs, plants or trees. All dead or diseased plants, shrubs and trees shall be removed and replaced by the Lot Owner. Irrigation water lines and heads shall be maintained by the Lot Owner. The Lot Owner shall be responsible to properly irrigate the yard and the Association shall have no obligation to repair or replace any portion of the yard that has not been adequately irrigated. Pine straw application of side and rear yards is not included in the basic landscape maintenance provided by the Association.

To the extent the Association is not obligated to provide maintenance pursuant to this Declaration, each Lot Owners shall keep his Lot free from weeds, underbrush or refuse piles, or unsightly growth or objects. In the event the Owner fails to do so, then after thirty (30) days' notice from the Architectural Review Committee, the Association or its designee may enter upon the Lot and remove the same at the expense of the Owner, and such entry shall not be deemed a trespass, and in such event a lien shall arise and be created in favor of the full amount of the cost thereof chargeable to the Owner's Lot, including collection costs and reasonable attorney's fees, and such amounts shall be due and payable within thirty (30) days after the Owner is billed therefore. Such lien shall be enforceable by Court proceedings as provided by law for enforcement of liens.

In the event that any maintenance activities are necessitated to any Common Areas by the willful act or active or passive negligence of any Owner, his family, guests, invitees or tenants and the cost of such maintenance, repair or other activity is not fully covered by insurance, then, at the sole discretion of the Association's Board of Directors, the cost of the same shall be a personal obligation of the Lot Owner and, if not paid to the Association upon demand, may be added to the assessments levied against said Owner's Lot and shall become a lien against the Lot.
