Subject: Renewal of coverage / General Permit NCG550000
250 Rays Drive
Certificate of Coverage NCG551234
Chatham County

Dear Permittee:

In accordance with your renewal application [received on February 1, 2007], the Division is renewing Certificate of Coverage (CoC) NCG551234 to discharge under NCG550000. This CoC is issued pursuant to the requirements of North Carolina General Statute 143-215.1 and the Memorandum of Agreement between North Carolina and the US Environmental Protection Agency dated May 9, 1994 [or as subsequently amended].

If any parts, measurement frequencies or sampling requirements contained in this General Permit are unacceptable to you, you have the right to request an individual permit by submitting an individual permit application. Unless such demand is made, the certificate of coverage shall be final and binding.

Please take notice that this Certificate of Coverage is not transferable except after notice to the Division. The Division may require modification or revocation and reissuance of the certificate of coverage. **Contact the Raleigh Regional Office prior to any sale or transfer of the permitted facility. Regional Office staff will assist you in documenting the transfer of this CoC.**

This permit does not affect the legal requirements to obtain other permits which may be required by the Division of Water Quality or permits required by the Division of Land Resources, Coastal Area Management Act or any other Federal or Local governmental permit that may be required.

If you have any questions concerning the requirements of the General Permit, please contact Toya Fields [919 733-5083, extension 551 or toya.fields@ncmail.net] or Susan Wilson [919 733-5083, extension 510 or susan.a.wilson@ncmail.net].

Sincerely,

for Coleen H. Sullins
