DOWNTOWN SOUTHPORT

LIVE OAK

HISTORIC SOUTHPORT, NC

HISTORY & ACTIVITIES

Originally incorporated in 1792, Smithville was named after Benjamin Smith, a Continental Army colonel who later became governor of North Carolina.

In 1887, Smithville was renamed Southport to promote efforts of becoming a major southern port for steamships and railroads.

It has been a fishing village and military town since it was established and more recently known as the “movie town.”

The historic charm of Southport will captivate you as you walk under a canopy of 200+ year old live oak trees. Take a stroll through the town and enjoy the historical heritage.

THE ROYAL ORDER OF THE HONORARY ST. JAMES OYSTER
BUILDING OUR "WATERWAY PARK LIVING SHORELINE"

The St. James Oyster Enrichment Program partners with the University of N.C. Wilmington (UNCW) Center for Marine Science and N.C. Coastal Federation, along with other supporting groups to maintain our environment.

Each helps to establish five large reefs of bagged oyster shells at St James' Waterway Park and four reefs of unbagged shells at Beaver Creek for live oysters to grow on. Each oyster can consume 30-50 gallons of seawater daily, dispose pollutant materials and expel clean water.
