**Regulations**

GS 160D-1111. Expiration of permits. A permit issued pursuant to §160D-1110 expires six months, or any lesser time fixed by ordinance of the County, after the date of issuance if the work authorized by permit has not commenced. If, after commencement, the work discontinued for a period of twelve (12) months, the permit therefore shall immediately expire. No work authorized by a permit that has expired may thereafter be performed until a new permit has been secured. Inspection required with six (6) months to activate permit. One inspection each twelve (12) months to keep permit active. The undersigned does hereby declare the information given above is correct and agrees to comply with all state and local law, local ordinances and regulations, and the NC State Building Code. The applicant furthermore declares that s/he is the property owner or legally represents the property owner, and that the subcontractors, if listed, will be performing the work specified.
