\*Permit Conditions

The issuance of this permit by the Health Department in no way guarantees the issuance of other permits. The permit holder is responsible for checking with appropriate governing bodies in meeting their requirements.  
 Septic system consists of a 1000 gal septic tank, 1 d-box, all piping, & 4 (3' x 45') accepted drainlines (reduction taken). A pump tank may be required depending on elevation of plumbing.

Characters Remaining  
3811

The Department and Local Health Department may impose conditions on the issuance and may revoke the permits for failure of the system to satisfy the conditions, the rules, or this article. This permit is subject to revocation if the site plan, plat, or intended use changes (NCGS 130A-335(f)). The person owning or controlling the system shall be responsible for assuring compliance with the laws, rules, and permit conditions regarding system location, installation, operation, maintenance, monitoring, reporting, and repair (1938(b)).
