FIRST FLOOR PLAN

[illegible]

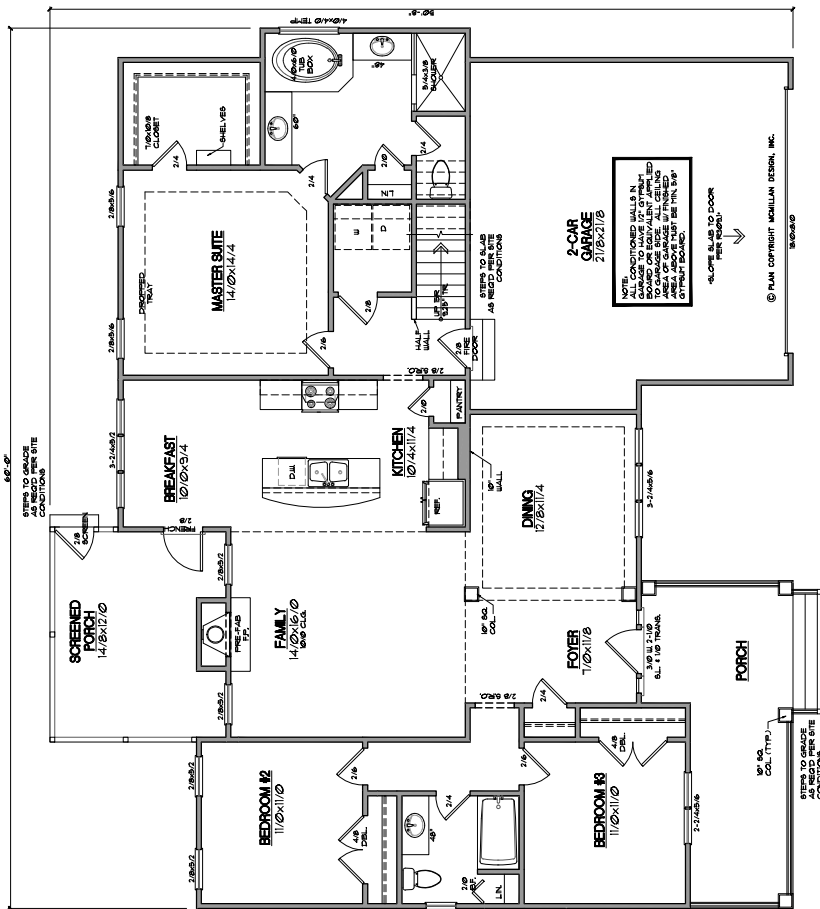

These drawings are often used as the standard for a contractor's use. The contractor is hired to prepare all the specified items and only for each location.

McMillan Design assumes no liability for any home constructed from these plans. Contractors of Miller shall verify all construction conditions prior to construction. Certain materials and conditions may be required. Changes may be requested when making modifications to these plans. If changes are made to these drawings, they will be made by Miller Design.
