This Addendum supersedes and overrides any conflicting clauses or statements in the Agreement between Buyer(s) and Seller with respect to the above property (the "Agreement").

Ownership:

The terms and conditions of the Agreement and this Addendum which apply to Seller are SUBJECT TO the Seller becoming owner.

Earnest Money; Default; Brokers:

In the event of a default by the Buyer(s), it is agreed that any earnest money or deposit shall be retained by the Seller as liquidated damages. Any provisions of the Agreement (i) with respect to any payments or amounts due to brokers; and/or (ii) agreeing to indemnify or hold Broker harmless with respect to any matters are null and void. Broker compensation and relationship is governed exclusively by the Listing Agreement between Seller and Listing Broker.

Insurance Premiums:

Insurance premiums shall not be prorated. All existing insurance policies will be canceled at the time of closing.

Taxes / Assessments / Bonds / Homestead Exemptions:

Tax, assessment, and bond prorations shall be based on the last known bill or upon the tax assessor's latest valuation and the current tax or assessment rate, and shall be prorated at the time of closing. **If it is common practice and/or local custom to have no prorations at the closing there shall be no prorations.** There will be no re-proration or readjustment of taxes or assessments based on actual statements after the date of closing. The seller represents that it has no knowledge, actual or constructive, as to whether or not a homestead exemption applies to the property.

This paragraph shall supersede and override any other clauses or statements in the agreement that concern taxes, assessments, bonds or homestead exemptions.

Mortgage:

Should the lender's commitment be conditioned on any repairs, the Seller reserves the right to cancel the Agreement, and return all earnest money deposits to the Buyer(s) with no further obligation by Seller. Buyers assume all risk of any changes in the interest rate and mortgage discount points, and agree to close this transaction, regardless of any such changes.

Arbitration:

Seller does not agree to participate in any arbitration, mediation or other such process in the event of any dispute arising from this transaction.

Disclosure:

Buyer(s) agree to execute the attached Seller's Real Estate Disclosure Acknowledgment (SRED), as a part of the Agreement. By closing Buyers confirm that they have had an opportunity to review the contents of such disclosures.

Condition:

Buyer(s) acknowledge that the property is the subject of a relocation transaction, that Seller has never occupied the property and has limited, if any, first-hand knowledge about the property.

Neither Seller nor Seller's agent has made any warranties or representations, either expressed or implied (except as may have been given to the Buyer(s) in writing as part of the agreement), as to the condition of the property. No representations or warranties made by Seller shall survive the closing. Buyer(s) acknowledge that they have the opportunity to inspect the property and/or have it inspected by others on their behalf. Except for any repairs specifically required to be made by Seller in accordance with the terms of the Agreement, or attached hereto, Buyer(s) understand that they are purchasing the property in "As-Is" condition, subject only to any specific items set forth in the Agreement.

Naturally occurring radon, molds, fungi, spores, pollens and/or botanical substances, or other allergens (e.g., dust, pet dander, insect waste material, etc.) may be found in any dwelling. In addition, certain building materials (such as asbestos, urea-formaldehyde foam insulation ("UFFI") and defective drywall—also known as wallboard, gypsum board or plasterboard have been linked to health concerns and/or property damage. Collectively, these are all referred to as "Substances." Buyer(s) acknowledge and accept that Seller does not in any way disclose (except as expressly set forth in any other documents provided to Buyer by Seller), warrant or indemnify indoor air quality conditions (including the presence or absence of Substances) at the property and is not responsible in any way for conditions that may exist at the property or health problems or property damage that might develop from or be related to such conditions. Buyer(s) agree to indemnify and hold Seller and prior owners, harmless from any claims raised after the closing transaction relating to the presence or non-disclosure of Substances in the property (said indemnity to include reasonable attorneys' fees). Buyer(s) are directed to consult the U.S. Environmental Protection Agency website at www.epa.gov or the equivalent state environmental/health services agency if additional information concerning indoor air quality and Substances is desired.

Buyer(s) acknowledge that they have, per the terms of the Agreement, the opportunity to investigate and verify any inspections or matters disclosed on the Real Estate Disclosure, and/or perform their own inspections of the property. Buyer(s) shall report, in writing, the results of any such inspection(s), and repair requests. Buyer(s) shall supply Seller with a copy thereof, within ten (10) days after acceptance of the Agreement. Failure to do so *shall be deemed a waiver of the Buyer's right to inspect and request repairs* otherwise permitted under this Agreement. In the event of any claim or demand by Buyer(s), as a result of Buyer's inspection(s), the Seller shall have the option of:

1. Making said items operational or functional, agreeing to the expense in writing, or
2. Giving the Buyer(s) a credit for items, agreeing to the credit in writing, or
3. Canceling the Agreement and refunding the Buyer's earnest money or other deposit.

The parties expressly agree that any deadlines set for Seller to respond to Buyer(s) in the Contract are not applicable. In any case, Seller shall not be responsible for the quality of any repairs which may be required, and Buyer(s) agree to look solely to the person or company performing any such repairs. Buyers agree to promptly inspect any repairs following notice from Seller that the repairs have been completed. If repairs are performed, credit is given (including without limitation, a closing cost/prepaid credit agreed to after inspections are performed), or price reduced in response to inspection issues, Buyer(s) agree to sign a general release and hold harmless with respect to the condition of the property. If Buyer and Seller cannot agree on the amount of the credit, Seller may elect Option 3 above and cancel the Agreement. If Buyer and Seller agree to a credit, Buyer is responsible for ensuring that Buyer's lender will allow such credit. In the event that Buyer's lender does not permit all or any part of a credit, Seller is under no obligation to provide buyer a credit to the extent not approved. Nor will Seller be obliged to pay any such credit outside of closing.

In order for the Buyer(s) to verify that the property is in the same physical condition, ordinary wear and tear excepted, as at the signing of the Agreement, Buyer(s) have the right to make a final walk-through no later than seventy-two (72) hours prior to scheduled closing and shall inform Seller in writing of any objections within twenty-four (24) hours thereafter.

Closing:

Buyer(s) acknowledge that title to the property may be conveyed by someone other than Seller.

In connection with the purchase of the property, you may need to obtain title insurance and closing services.

In states where the buyer customarily selects the settlement provider and pays for title insurance: We recommend that you use our title company which is listed for your area on the Affiliated Business Arrangement Disclosure Form provided to you along with Cartus' other disclosures. That company has already performed a title search on behalf of the Seller and is knowledgeable with respect to the uniqueness of the relocation process. Please note, however, that you are NOT required to use our title company as a condition for the purchase of this property. If you would like to use a different title agent, please let us know in writing within 10 days. If you do not so inform us within that time, we will interpret your silence as your selection of our title company and place the title order with our title company accordingly.

In states where the seller customarily selects the settlement provider and pays for title insurance: If Seller pays for Buyer's owner's title insurance policy, Seller may choose the title agent to issue such policy. Buyer may elect either to use the same title agent to issue the lender's title insurance policy or to select an alternative title insurer or agent. If Buyer selects an alternative title insurer or agent to issue the lender's title insurance policy, Buyer should contact Seller to confirm the title insurance provider selected in accordance with the previous paragraph; and agrees to schedule the closing at a time and place convenient for Seller's closing representative. In cases where Seller agrees to pay for owner's title insurance policy, Seller does NOT agree to pay for other costs of the closing agent.

The closing of this sale and acceptance of a deed by Buyer(s) shall constitute acknowledgment that the condition of the property and systems contained therein are acceptable and that any repairs performed by or on behalf of Seller are acceptable and deemed to have been performed in a workmanlike manner; and **Seller shall have no further responsibility or obligation concerning the property and/or any repairs performed, and Buyer(s) waive all rights they may have concerning the condition of the property.**

Any and all credits granted by the Seller to the buyer must appear on the closing disclosure/TILA form. Seller shall not have any obligation to grant any credit that does not appear on the closing disclosure/TILA form. Nor shall Seller have any obligation to give any credit to the extent it is not approved by Buyer's Lender.

Acceptance:

This Agreement is subject to Seller's approval, which shall be evidenced only by full execution of this Addendum.

Authorization to Disclose Information:

Seller and Buyer authorize any closing attorney, closing agent and/or escrow company to release and disclose any seller's and/or buyer's closing disclosure, settlement statement and/or disbursement summary, or any information therein to the parties to this transaction, the real estate agents and Buyer's lender(s).
