HOME INSPECTION REQUIREMENTS

Home Inspections

- Contractor reserves the right to have an appointed representative accompany the *Home Inspector* at its discretion. The homeowner may not accompany the *Home Inspector* during this appointment.
- **All inspections must be scheduled through the *Contractor*. These inspections must be scheduled one week in advance and are to take place and be completed during normal working hours (Monday-Friday, 8am-4pm) and must be in accordance with the *Site Manager's* production schedule.**
- **Inspection firm MUST be licensed to do business in the local jurisdiction and by the State of North Carolina. The Home Inspector must have a GENERAL CONTRACTOR LICENSE in the state of North Carolina (NOT just a licensed home inspector). Contractor will provide a list of approved home inspection companies.
