 Authorized Agent Signature

Actions of local health department representatives or the State engaged in the evaluation and determination of measures required to effect compliance with the applicable laws and rules shall in no way be taken as a warranty that sewage treatment and disposal systems approved and permitted will function in a satisfactory manner for any given period of time. The issuance of this permit does not preclude the Permittee from complying with any and all statutes, rules and regulations or ordinances which may be imposed by other government agencies (local state, and federal) which have jurisdiction.
