Clubhouse

Our 7000 square foot clubhouse features a great room; two meeting rooms; a large, well-stocked kitchen; a lending library; a TV, game and billiard room; an exercise facility; as well as a regularly staffed beauty/barber shop. *There is plenty of room for private parties, special events, committee and board meetings, educational classes and more.* Outdoors you'll find a swimming pool, tennis/pickleball and shuffleboard courts, and horseshoes.

Maintenance

Outdoor yard and grounds maintenance are provided year-round by a full-time landscape crew, as is power washing and house painting, on a rotating basis. *Roofs on all homes are covered for Lifecycle replacement, when necessary.* These services are covered by your monthly dues. You may provide your own flowers and gardens, on your own property, to suit your taste.

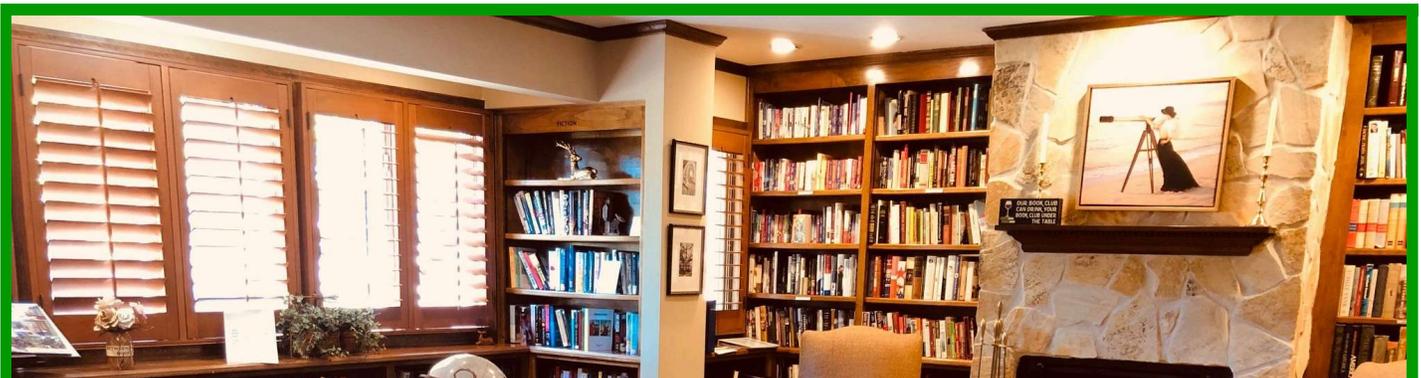

Activities

Several very involved committees provide an active social life for Pinehurst Trace residents.

Numerous card games and other indoor and outdoor games and activities; monthly on-site catered dinners; dining out opportunities and covered dish meals; as well as holiday picnics and festive celebrations, offer residents a myriad of activities and events to choose from.

You can be as active as you choose.

Serving on the HOA Board or on one of the committees offers many volunteer and educational opportunities. Speakers and entertainment add to the interest and enjoyment of our hosted events.
