

Residential Property And Owners' Association Disclosure Statement

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: 465 N. 6th Street, Aurora, NC

Owner's Name(s):

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA). An owner is not required to disclose any of the material facts that have a NR option, even if they have knowledge of them.

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge. If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.

For purposes of completing this Disclosure Statement: "Dwelling" means any structure intended for human habitation, "Property" means any structure intended for human habitation and the tract of land, and "Not Applicable" means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. Buyers are strongly encouraged to:

- Carefully review the entire Disclosure Statement.
- Obtain their own inspections from a licensed home inspector and/or other professional.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign.

- Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.
- Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.
