

## 3782 Ridgecrest Drive

3782 Ridgecrest Drive is a gorgeous and elegant property that beautifully balances luxury with the warmth and coziness of home. Offering 4 bedrooms, 4.5 bathrooms, and 4,715 square feet of thoughtfully designed living space, this residence is nestled on a perfectly manicured lot that backs up to a peaceful pond. Its timeless cottage charm is highlighted by tapered porch columns, stacked stone accents, and a gracious arched doorway that creates an inviting first impression. Every detail of this home encourages you to relax and enjoy a refined lifestyle in a serene setting.

A bright and inviting entryway greets you with beautiful **hardwood** flooring that flows seamlessly into the formal dining room, where a lovely chandelier is suspended from an octagon-shaped tray ceiling. From there, the space transitions effortlessly into the living room, showcasing a stunning coffered ceiling, a cozy gas fireplace with a finely crafted millwork hearth and mantle, and custom built-in cabinets and shelving on either side. Expansive sliding doors, accented with transom windows, invite abundant natural light while offering serene views of the backyard, creating an atmosphere that feels both elegant and welcoming.

Hardwood flooring continues into the expansive eat-in kitchen and adjoining family room, the central hub for gatherings with friends and family. The kitchen is a true showpiece, boasting a coffered ceiling, **quartz** countertops, pristine white cabinetry, and top-of-the-line stainless steel appliances, including a 6-burner gas stove and convenient pot filler. A beverage station with a wine cooler and glass-front cabinetry complements the large central island, which offers a prep sink, built-in microwave, and counter-height bar seating. The casual dining area is bordered by a wall of custom built-ins and flows seamlessly into the sun-filled family room, where a vaulted ceiling, gas fireplace with a dramatic floor-to-ceiling stone hearth, and access to the large tiled deck set the stage for both everyday comfort and effortless entertaining—perfect for grilling and outdoor dining. Just beyond, a separate paver patio by the pond offers a tranquil setting for al fresco meals, evening cocktails, or simply enjoying the serene pond views.

The main floor private primary suite is a relaxing oasis, highlighted by an octagon-shaped tray ceiling, bay windows with tranquil backyard views, and plush carpeting for added comfort. Two spacious walk-in closets provide ample storage, while the spa-like en suite bathroom invites you to unwind with a dual sink vanity, luxurious soaking tub, and a walk-in tiled shower complete with a built-in bench and multiple showerheads, including a soothing rain shower. Family and friends will feel equally at home in one of two inviting guest suites, each offering cozy carpeting, generous closet space, and a well-appointed private en suite bathroom.

Overflow guest quarters await on the second floor in a spacious bonus area designed for comfort and versatility. This level features a dedicated bedroom, a full bathroom with a walk-in shower, and multiple entertaining spaces perfect for game nights, movie nights, or casual gatherings. A convenient beverage bar with a mini-fridge enhances the space, making it ideal for hosting or even setting up for multigenerational living.

This home is thoughtfully designed with an array of extra features that enhance both comfort and convenience. A versatile flex space, set behind French doors and accented with vaulted ceilings, pairs with a nearby powder room to serve beautifully as a home office, den, or library. The incredible laundry room, located just off the garage entry, offers abundant storage, counterspace, and a utility sink, with plenty of room for a drop zone after a day at the golf course or beach. It also provides direct access to a walk-in pantry, ensuring kitchen storage is never in short supply. Entertainment is elevated with ceiling speakers in the living room and kitchen, along with outdoor speakers on the patio. Additional highlights include a whole-house water filtration system, two Rinnai tankless water heaters, a two-zone heating and air system, in-ground sprinklers, and even an outdoor shower for rinsing off after time outdoors.
