You can use **BrokerBay** to book online or on the app. Please use this resource that all MLS members pay for as it keeps our clients “in the know” for what is going on at their property and keeps from any misunderstandings when you or a vendor need to be at the property.

We desire a high level of communication with you and our team for the sake of all clients involved. **Please choose “reply all” to ensure that anyone who pertains to the success of the transaction is receiving updates to communications back to our team.** Please send text messages directly to the team line at (252) 672-2090 or the Thompson Homes Sales Agent you are working with.

Please close out any selling transactions with a member of our team representing a buyer in the MLS as **Thompson Homes Real Estate Group** as the Selling Member, and the Agent as Co-Selling Member.
