

Thank you for choosing Keystone!

Below you may find some information regarding our warranty procedures, utility information with suggestions as to who to call to transfer your utilities after closing and contact information for your HOA representative.

Congratulations on the purchase of your new home!

Keystone Warranty Procedure

Non-emergency

Check warranty coverage or submit a warranty repair request here: www.buildkeystone.com/warranty.

Emergency

Contact appropriate Trade Partner.

Electrical:

Ferrell Electric (706) 833-1531

Heating & Air:

Southern Mechanical (706) 823-0004

Plumbing:

Hardy Plumbing (706) 863-2110

If treated as an emergency and later deemed non-emergency, you will be subject to corresponding charges. Some trades may require a credit card number before they attend to your needs.
