**ARTICLE II**  
**PROPERTY SUBJECT TO THIS DECLARATION**  
**AND WITHIN THE JURISDICTION OF THE**  
**SEASPRAY AT CAROLINA PLACE COMMUNITY**

Section 1. This section has been intentionally omitted.

Section 2. Existing Property. The real property which is and shall be held, transferred, sold, conveyed, used and occupied subject to this Declaration as of the date of recording hereof, which is within the jurisdiction of the Association, and which is described on Exhibit A attached hereto.

Section 3. Annexation of Additional Property. At any time prior to December 31, 2025, additional land within the property described in Exhibit B attached hereto and made a part hereof (the "Exhibit B Property") may be annexed by the Declarant without the consent of the Members and therefore become subject to this Declaration by the recording by Declarant of a plat showing such property to be annexed and of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed. Furthermore, at any time Declarant owns any Lot within the Properties, additional land not within the Exhibit B Property may be annexed by the Declarant without the consent of the Members and therefore become subject to this Declaration by the recording by Declarant of a plat showing such property to be annexed and of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed. Any property annexed must be contiguous to property already subject to this Declaration. Any property annexed pursuant to this subsection may be annexed and subjected to this Declaration as one parcel or as several parcels at different times. The addition of such property pursuant to this Section may increase the cumulative number of Lots within the Properties and, therefore, may alter the relative maximum voting strength of the various types of Members.

A supplementary declaration may contain such complementary additions to and modifications of the covenants and restrictions contained in this Declaration, including, without limitation, different voting rights and different annual and special assessments for the Lots or Units so annexed, as Declarant, in its sole discretion, may deem necessary or appropriate to reflect the different character or use of the property added. In no event, however, shall any supplementary declaration revoke, modify or add to the covenants and restrictions established by this Declaration so as to materially and adversely affect any portion of the Properties already subject to this Declaration. A supplementary declaration annexing additional property need only be executed by the Declarant and, if applicable, by the owner of the property being annexed, and shall not require the joinder or consent of the Association or any of its Members.

Nothing contained in this Article shall be construed to obligate or require Declarant to make any additions to the Properties.

Section 4. Conveyance of Common Area in Annexed Property. Promptly upon request of Declarant, the owner of the annexed property shall convey any or all Common Area located

-3-

Inst # 283002 Book 2209Page: 1424

within the newly annexed property to the Association or, if requested by the Declarant, to the Declarant. Title to such Common Area shall be conveyed in the same manner as set forth in Section 3 of Article IV of this Declaration.

Section 5. Merger. Additional property may also be made subject to this Declaration by merger or consolidation of the Association with another non-profit corporation formed for the same or similar purposes. The surviving or consolidated association shall administer the covenants and restrictions established by this Declaration within the Properties and the covenants and restrictions established upon property owned by the other association as one scheme. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 6. Effect of Addition of Property. Except by amendment of this Declaration as provided in Section 3 of Article XII hereof, no addition of property, whether by annexation, merger or consolidation, shall revoke or modify any provision of this Declaration as to the Properties already subject hereto or diminish the rights of the Owners of Lots and Units within the Properties, except for the dilution of voting strength that occurs as a result of inclusion of additional Members of the Association.

Section 7. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex Additional Property pursuant to this Article for the purpose of removing any portion of the Properties then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Subdivision, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Subdivision.

Section 8. Good Faith Lender's Clause. Any violation of these covenants, conditions or restrictions shall not affect any lien or deed of trust of record held in good faith, upon any Lot or commercial Unit, which liens may be enforced in due course, subject to the terms of this Declaration.

### ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots and may not be separated from ownership of any Lot.

There shall be three classes of Lots with respect to voting rights:

(a) Class A and Class A-1 Lots. Class A Lots shall be those Lots upon which single-family dwellings are built, or to be built, to be known as "Scaspray Cove". Class A-1 Lots shall refer to the individual single-family condominium units contemplated by the Declarant, to be known as "Scaspray Villas". All Lots in the Subdivision shall be either Class A or Class A-1

KNOWN AS "Seaspray Villas". All Lots in the subdivision shall be either Class A or Class A-1 Lots except those Lots which are Class B Lots as the same are hereinafter defined. Ownership of a Class A or Class A-1 Lot shall entitle the Owner of such Lot to one (1) vote. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their Lot shall be exercised as

-4-

Inst # 283002 Book 2209Page: 1425

they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Class A or Class A-1 Lot.

(b) Class B Lots. Class B Lots shall be all Lots owned by Declarant or a Builder and which have not been converted to Class A Lots as set forth below. Declarant and each Builder shall each be entitled to nine (9) votes for each Class B Lot it owns. The Class B Lots shall cease to exist and shall be converted to Class A Lots upon the earlier of the following to occur: (i) when Declarant no longer owns any Lots or Units within the Properties; (ii) upon written waiver of Class B membership by the Declarant and/or Builder; or (iii) December 31, 2025. When the Class B Lots cease to exist and are converted to Class A Lots, Declarant and Builder shall have the same voting rights as other Owners of Class A Lots.

(c) Declarant's Voting Rights. Until the Class B Lots cease to exist, as provided above, Declarant shall be vested with the sole voting rights of the Association on all matters (including election and removal of directors and officers of the Association), except such matters as to which the Declaration, the Articles of Incorporation, or the Bylaws of the Association specifically require a vote of the Class A Members.

Section 3. Leased Units. Notwithstanding any other provision of this Declaration or the Bylaws of the Association, the vote as expressed by the Owners of Lots or Units which are leased (or rented to or otherwise occupied by persons) other than the Owner shall not be entitled to any weight greater than forty-nine (49) percent on any matter pending before the Association.

#### **ARTICLE IV PROPERTY RIGHTS**

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by the provisions of this Section I and by the rules and regulations adopted by the Board of Directors of the Association, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

(a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated or constructed on the Common Area and to limit the use of such facilities to Owners who occupy a residence on the Properties and to their families, tenants and guests, as provided in Section 2 of this Article IV.

(b) the right of the Association to suspend the voting rights of an Owner for any period during which any assessment against his Lot remains unpaid, or for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association.

(c) the right of the Association to dedicate, sell or transfer all or any part of the Common Area to any public or quasi-public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. After Class B Lots cease to exist, no

such conditions as may be agreed upon by the members. After Class B Lots cease to exist, no such dedication or transfer shall be effective unless the Members entitled to at least 80% of the votes of the entire membership of the Association and at least three-fourths (3/4) of the votes appurtenant to each Class of Lots agree to such dedication, sale or transfer and signify their agreement by a signed document recorded in the applicable public registry for Brunswick County, North Carolina. Nothing herein shall be deemed to prohibit the Board of Directors of the

Association, without consent of the Members, from granting easements over and across the Common Area to any public agency, authority or utility for the installation and maintenance of sewerage, utility (including cable television) or drainage facilities when, in the opinion of the Board, such easements are necessary for the convenient use and enjoyment of properties within the Subdivision. Notwithstanding anything herein to the contrary, the Common Area shall be preserved for the perpetual benefit of the owners of Lots within the Subdivision and shall not be conveyed except to a governmental entity or another non-profit corporation organized for similar purposes.

(d) the right of the Association, to borrow money and, after Class B Lots cease to exist, with the assent of Members' entitled to at least 80% of the votes of the entire membership of the Association and at least two-thirds (2/3) of the votes appurtenant to each Class of Lots, mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Members and the Association as set forth herein.

(e) the right of the Association to exchange all or part of the Common Area for other property and consideration of like value and utility, provided, however, that, after Class B Lots cease to exist, any such dedication shall require the assent of the Members as set forth in subparagraph (c) above, and further provided that, if the Board of Directors of the Association determines, in its sole discretion, that such exchange is necessary to cure an encroachment or setback violation on any Lot, the Board may effect such exchange without the consent of or approval by the Members.

(f) the right of the Association to open the Common Area and, in particular, the recreational facilities constructed thereon, for use by non-members of the Association.

(g) the right of the Association to expand or add to the Common Area and to improve, maintain and operate the Common Area.

(h) the right of the Association to adopt, promulgate and enforce rules and regulations concerning the use of the Common Area.

(i) the right of the Association to otherwise deal with the Common Area as provided in the Articles of Incorporation and Bylaws of the Association.

#### Section 2. Delegation of Use.

(a) Family. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Properties as their principal residence in Brunswick County,

North Carolina.

(b) Tenants: Contract Purchasers. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy a residence within the Properties, or a portion of said residence, as their principal residence in Brunswick County, North Carolina.

-6-

Inst # 283002 Book 2209Page: 1427

(c) Guests. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

(d) Suspension of Rights. The rights of any delegate of an Owner shall be suspended by, upon and during suspension of such Owner's rights as provided in Section 7 of Article XII of this Declaration.

Section 3. Conveyance of Common Area To The Association. No later than the time Declarant no longer exercises voting control over the Association as provided in Article III hereof, Declarant shall convey, and the Association shall accept, fee simple title to all Common Area (except Common Area easements) within the Properties, and shall reserve for or grant to the Association all Common Area easements, all subject to such easements, reservations, conditions and restrictions as then may be of record, and the Association shall accept all such conveyances, grants and reservations, provided, however, that so long as Declarant owns any Lots within the Properties, Declarant reserves an easement over and across any Common Area deeded to the Association for the purpose of constructing and maintaining any improvements on the Common Area as it deems necessary or advisable, provided that any such improvements must comply with the requirements of the appropriate governmental authority. Any improvements placed on the Common Area by Declarant shall become the property of the Association upon completion of such improvements.

Section 4. Regulation and Maintenance of Common Area and Common Area Easements. It is the intent of the Declarant that the Common Area be preserved for the perpetual benefit of the Owners.

(a) Regulation of Common Area. The Association may adopt and promulgate rules and regulations governing the use of the Common Area by Owners and their family, guests and invitees. No Owner or other permitted user shall use the Common Area or any portion thereof in violation of the rules and regulations contained in this Declaration or subsequently adopted by the Association.

Without limiting the generality of the foregoing, no Owner or tenant, guest or invitee of an Owner shall, without the specific prior written consent of the Association: (i) damage or waste the Common Area or improvements thereon or remove any trees or vegetation therefrom; (ii) erect any gate, fence, structure or other improvement or thing on the Common Area; (iii) place any garbage receptacle, trash or debris on Common Area; (iv) fill or excavate any part of the Common Area; (v) landscape or plant vegetation on Common Area; or (vi) use the Common Area or any part thereof in a manner inconsistent with or in any way interfering with the rights of other Owners.

**Lot Owners.**

Each Owner of a Lot upon which a Common Area easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Common Area easement.

(c) Rights and Responsibilities of the Association as to Common Area. The Association shall have the right and obligation to ensure that the Common Area is preserved for the perpetual benefit of the Owners, and, to that end, shall: (i) maintain the Common Area in its natural or

-7-

improved state, as appropriate, and keep it free of impediments to its use by the Owners, subject to the provisions of this Declaration; (ii) procure and maintain adequate liability insurance covering the Association and its Members, Directors and officers, against any loss or damage suffered by any person, including the Owner of the Lot upon which Common Area lies, resulting from use of the Common Area, and adequate hazard insurance covering the real and personal property owned in fee by the Association; and (iv) pay all property taxes and other assessments levied against all Common Area owned in fee by the Association.

(d) Declarant's and Association's Right of Entry. The Declarant and the Association and the employees, agents, contractors and subcontractors of each, shall have a non-exclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as a Common Area easement for the purposes of: (i) installing and maintaining subdivision entrance signs, features, fencing and landscaping; and (ii) making such improvements to the Common Area; and (iii) maintaining the Common Area easement in its natural or improved state.

## ARTICLE V

### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments and special assessments, such assessments to be established and collected as hereinafter provided. All assessments which are unpaid when due, together with interest and late charges set forth in Section 9 of this Article V and all costs of collection, including reasonable attorney's fees, shall be a charge against and, a continuing lien upon the Lot against which such assessment is made. Each such assessment or charge, together with interest and costs of collection, including reasonable attorneys' fees, shall also be the personal or corporate obligation of the person(s), firms) or corporation(s) owning such Lot at the time when the assessment fell due, but such personal obligation shall not be imposed upon such Owner's successors in title unless expressly assumed by them. Although unpaid assessments and charges are not the personal obligation of such Owner's successors in title unless expressly assumed by them, the unpaid assessments and charges shall continue to be a lien upon the Lot against which the assessment or charge was made.

It is the intent of the Declarant that any monetary fines imposed against an Owner pursuant to the Bylaws of the Association or Section 7 of Article XII of this Declaration shall constitute a lien against the Lot of such Owner to the same extent as if such fine were an

assessment against such Lot.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement and maintenance of properties, services and facilities related to the use and enjoyment of the Common Area; (ii) repair and reconstruction of the streets and roadways within the subdivision and other improvements on the Common Area, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) payment of taxes and public assessments levied against the Common Area owned by the Association in fee; (iv) procurement and maintenance of insurance in accordance with the

-8-

Inst # 283002 Book 2209Page: 1429

Section 4(c) of Article IV of this Declaration; (v) employment of attorneys, accountants and other persons or firms to represent the Association when necessary; (vi) payment of principal and interest on funds borrowed for Association purposes; (vii) such other needs as may arise; (ix) payment for the maintenance and operation of stormwater facilities and street lights; and (x) lawn care for Class A (Scaspray Cove) lots, including maintenance of the irrigation system to irrigate those lawns.

Section 3. Annual Assessments.

(a) Maximum Annual Assessment. Declarant shall establish the Maximum Annual Assessment and initial annual assessment for Class A and Class A-1 Lots; thereafter, the terms "Maximum Annual Assessment", annual assessment, and special assessment shall mean the Maximum, annual and special assessments applicable to Class A and Class A-1 Lots. Until December 31, 2006, the Maximum Annual Assessment shall be \$150.00 per month for each Class A Lot and \$10.00 per month for each Class A-1 Lot. The Declarant anticipates that the annual dues for the Class A Lots will exceed those of the Class A-1 Lots because of the lawn and irrigation system maintenance provided to the Class A Lots. The owners of Class A-1 Lots will be members of a subassociation to be formed under the applicable provisions of the North Carolina Condominium Act, Chapter 47C of the North Carolina General Statutes which will be responsible for collecting dues and paying the generally accepted expenses specific to condominium projects.

From and after January 1, 2007, the Maximum Annual Assessment may be increased by the Board of Directors effective January 1 of each year without a vote of the Members, but subject to the limitation that the percentage of any such increase shall not exceed 10% of the Maximum Annual Assessment for the previous year unless such increase is approved as set forth in Section 3(b), below.

From and after January 1, 2007, the Maximum Annual Assessment for Class A and Class A-1 Lots may be increased without limitation if such increase is approved by a majority of the votes cast, in person or by proxy, at a meeting duly called for that purpose.

(b) Annual Assessments: Ratification of Budgets. Notwithstanding the 10% increase restriction contained in (a) above, for so long as a Class B Lot exists, the Board of Directors, in its sole discretion, shall have the authority to adopt an annual budget. After Class B Lots cease to exist, the Board of Directors shall adopt a proposed budget (including the proposed annual

assessment for each Class of Lots) at least annually. Within 30 days after adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than 10 days nor more than 60 days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. Except as required by Section 7 below, there shall be no requirement that a quorum be present in order to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget. Notwithstanding the foregoing, if the budget provides for annual assessments not greater than 10% larger than the assessment in effect for the immediately preceding year, such budget shall be deemed ratified unless Members having at least 80% of the votes of the entire membership vote to reject the budget. If the

-9-

Inst # 283002 Book 2209Page: 1430

proposed budget is rejected, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

Any annual assessment ratified by the Members shall continue thereafter from year to year as the annual assessment until changed by the Board and ratified by the Members as set forth herein.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of a capital improvement on the Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other purpose, provided that any such assessment shall have the same assent of the Members as provided in Section 3(b) of this Article.

Section 5. Assessment Rate: Collection Period. Except as provided in Section 6 of this Article V, the annual and special assessments shall be fixed at a uniform rate for all Lots within each subclass of Lots and may be collected on a yearly, semi-annually, quarterly or monthly basis, as determined by the Board of Directors.

Section 6. Declarant's and Builder's Assessments. Notwithstanding any other provision of this Declaration, the Articles of Incorporation, or the Bylaws of the Association, the Declarant shall not be obligated for, nor subject to, any annual or special assessment for any Lot or other property that it owns within the Properties, provided, however, that the Declarant shall be responsible for paying the difference between: (i) the operating expenses of the Association; and (ii) the total operating revenues of the Association from all sources including, without limitation, annual and special assessments, revenues generated from fees charged by the Association for use of the Common area, and investment income (said difference being hereinafter referred to as the "Operating Deficit"). For purposes of this Section, the term "operating expenses" shall not include contributions to any reserves for replacement, operating reserves, depreciation reserves, capital expenditures, or special assessments.

Declarant may, by written notice given by the Declarant to the Association on or before November 30 of any year, to be effective as of January 1, terminate its obligation to pay the Operating Deficit and waive its right to exclusion from assessments. In such event, each Lot

owned by the Declarant which contains a Dwelling for which a certificate of occupancy has been issued shall be assessed at the rate of twenty-five percent (25%) of the annual assessment in effect for Class A Lots or Class A-1 Lots, as applicable, as the same may change from time to time. Upon sale of such Lot by Declarant to any other person or entity, such Lot shall be assessed at Class A or Class A-1 rate, as appropriate, commencing on the day title to such Lot is transferred to such third party and prorated on a daily basis for the remainder of that year. Notwithstanding any other provision of this Declaration, a Lot owned by the Declarant which contains a Dwelling occupied as a residence, (but not as a model or sales center) shall be assessed at the rate applicable to Class A or Class A-1 Lots, as the case may be.

The Declarant, at its option and upon such terms and conditions as Declarant may impose, including, without limitation, the obligation to pay any Operating Deficit, may extend Declarant's exclusion from assessments to any Builder, in which event such Builder may exercise the rights and shall have the obligations of Declarant set forth in the immediately preceding paragraph, and, in such event, any reference to Declarant in this Section 6 shall be

-10-

Inst # 283002 Book 2209Page: 1431

deemed to apply to any such Builder.

So long as the Declarant or a Builder is obligated to pay any Operating Deficit, the Association, at the request of Declarant and upon such terms as the Declarant may require, shall open the Common Area and, in particular, the recreational facilities thereon, for use by non-members of the Association (including the general public) and shall grant any easement or license necessary for access to and from and for parking at or near such facilities.

Section 7. Notice and Quorum for any Action Authorized Under Sections 3(a) and 4. After Class B lots cease to exist, written notice of any meeting called for the purpose of taking any action authorized under Section 3(a) or 4 shall be sent to all Members not less than fifteen (15) days nor more than thirty (30) days prior to the meeting. At such meeting, the presence of Members, in person or by proxy, entitled to cast sixty (60%) percent of the votes of the entire membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and if called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting.

Section 8. Date of Commencement of Annual Assessments; Amount of Initial and Subsequent Annual Assessments; Certificate of Payment. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to all Lots in any phase on the first day of the month following the conveyance of a Lot or Unit within that phase to an Owner other than the Declarant or a Builder. Unless a lower amount is set by the Board of Directors and ratified by the Members, the first annual assessment shall be the "Maximum Annual Assessment" set forth in Section 3 of this Article and shall be prorated according to the number of days remaining in the calendar year.

At least thirty (30) days before January 1 of each year, the Board of Directors shall fix the amount of the annual assessment against each Lot. At least fifteen (15) days before January 1 of each year, the Board of Directors shall send written notice of such assessment to every Owner subject thereto. The due dates for the payment of annual and special assessments shall be established by the Board of Directors.

The Association shall, upon demand, and for such reasonable charge as the Board of Directors may determine, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 9. Working Capital Assessments. At the time of sale of each lot by the Declarant or a Builder to a third party, there shall be due and payable at closing a capitalization fee equal to twice the monthly assessment then in effect at time of closing, payable by the purchaser to the Association. Such amounts paid for working capital are not to be considered as advance payment of the Annual or any other assessments. Declarant reserves the right to amend this section including the amount at any time.

Section 10. Effect of Nonpayment of Assessments; Remedies. An assessment not paid within ten (10) days after the due date shall incur such late charge as the Board of Directors may from time to time establish, and, if not paid within thirty (30) days after the due date, shall also bear interest from the due date at the rate of eighteen percent (18%) per annum or the highest rate

-11-

allowed by law, whichever is less. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot for which such assessment is due. Interest, late payment charges, reasonable attorneys' fees, and the costs of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first mortgage on a Lot. Sale or transfer of a Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessment which became due prior to the date of such conveyance. No such sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof; but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage.

Section 12. Exempt Property. All property dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 2. Notice to Lenders. After Class B Lots cease to exist and upon written request to the Association, the owner or holder of a first mortgage on any Lot shall be entitled to timely written notice of:

Inst # 203002 Book 2209Page: 1433

Section 3. Approval of Owners and Holders of First Mortgage. After Class B Lots cease to exist, unless at least seventy-five percent (75%) of the owners and holders of the first mortgages on Lots located within the Properties have given their prior written approval, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association. The granting of easements for utilities or other purposes shall not be deemed a transfer within the meaning of this subsection. Nothing herein shall be deemed to prohibit the Association from exchanging Common Area for other real property of like utility and value as provided in Section 1(c) of Article IV of this Declaration, or to require the approval of such exchange by the holders of first mortgages on the Lots;

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

(c) Fail to maintain hazard insurance on insurable improvements on the Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value; or

Section 4. Payment of Taxes and Insurance Premiums. The owners or holders of first mortgages on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or

corporations making such payments shall be owed immediate reimbursement therefor by the Association.

## **ARTICLE VII EASEMENTS**

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveways, walkways, water, gas, telephone, cable television and electric power transmission lines, sanitary sewer and storm water drainage facilities, and for other public utility installations are reserved as shown on the recorded plats of the Properties. The Association may reserve or grant easements over the Common Area as provided in Article IV, Section 1(c), of this Declaration. Within any such easement herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements.

For a period of thirty (30) years from the date hereof, Declarant reserves, for itself and its employees, agents, successors and assigns, an easement upon and a right of ingress, egress and regress on, over and under the Properties for the purposes of constructing and maintaining water, sewer, gas, storm water drainage and retention, telephone, cable television, and electric, and

-13-

Inst # 283002 Book 2209Page: 1434

other utility facilities to the extent required by any applicable governmental entity or deemed by the Declarant to be necessary or convenient for the development, use and enjoyment of the Properties and the Common Area and for the conduct of construction, sales and marketing activities. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil or take any other similar action that it deems reasonably necessary or appropriate. After such action has been completed, Declarant shall grade and seed the affected property and otherwise restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. Declarant shall give reasonable notice of its intent to take such action to each Owner whose Lot is affected.

Section 2. Easements for Governmental Access. An easement is hereby established over the Common Area and every Lot within the Properties for the benefit of applicable governmental agencies for installing, removing, and reading water meters, maintaining and replacing water and sewer facilities, and acting for other purposes consistent with public safety and welfare, including, without limitation, law enforcement, fire protection, garbage collection and the delivery of mail.

Section 3. Owner's Easement and Right of Entry for Repair, Maintenance and Reconstruction. If any Dwelling is located closer than five (5) feet from its Lot line, the Owner thereof shall have a perpetual access easement over the adjoining Lot to the extent reasonably necessary to perform repair, maintenance or reconstruction of such Dwelling. Such work shall be done expeditiously and, upon completion of the work, the Owner shall restore the adjoining Lot to as nearly the same condition as that which existed prior to the commencement of the work as is reasonably practicable.

Section 4. Association's Easement and Right of Entry. The Association, for itself and its

employees, agents, contractors, subcontractors and invitees, shall have a perpetual access easement over the each Lot to the extent reasonably necessary to perform the maintenance to be performed by the Association.

Section 5. Easement Over Common Area. An perpetual, non-exclusive easement over the Common Area is hereby granted to each Lot and its Owners, family members and tenants of such Owners, the occupants of such Lot, and guests and invitees of such Owners, tenants or occupants, for the purpose of providing access, ingress and egress to and from streets, parking areas and walkways serving the Properties.

## **ARTICLE VIII ARCHITECTURAL CONTROL**

Section 1. Architectural Approval. Since the establishment of inflexible building setback lines for location of houses on lots tends to force construction of houses directly to the side of other homes with detrimental effects on privacy, view, preservation of important trees and other vegetation, ecological and related considerations, no specific setback lines are established by this Declaration. In order to assure, however, that the foregoing considerations are given maximum effect, the site and location of any house or dwelling or other structure upon any Lot shall be controlled by and must be approved absolutely by the Declarant or the Architectural Control Committee, as the case may be.

-14-

Inst # 283002 Book 2209Page: 1435

The Architectural Control Committee shall have the sole and absolute right to determine the style and appearance of the Dwellings, including, but not limited to, fences, walls, buildings, outbuildings, garages, storage sheds, mailboxes, lawn decorations, structures of any type or color thereof, grading, landscaping, patio covers and trellises, plans for off-street parking of vehicles and utility layout, and any other improvements to be built or constructed on any Lot (hereinafter individually and collectively referred to as "Improvements").

No Lot owner may remove any tree from any Lot, or make any material changes to the landscaping in areas of Lots maintained, or to be maintained by the Association without the approval of the Architectural Control Committee.

After occupancy of a Dwelling as a residence pursuant to a certificate of occupancy or other similar certificate issued by the appropriate governmental authority, no Improvements (including, without limitation, replacement of any previously existing Improvements) shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration thereof be made (including, without limitation, changing materials or color of any exterior portion of any such Improvements), nor shall a building permit for such Improvements or change be applied for or obtained, until plans and specifications showing the nature, kind, shape, heights, materials, color and location of same shall have been submitted to and approved in writing by the Association or by an Architectural Review Committee ("ARC") composed of three or more persons appointed by the Board of Directors of the Association. If the Association or its designee fails to approve or disapprove such proposed Improvements within 60 days after complete plans and specifications have been received by it, approval will not be required, and this Article shall be deemed to have been complied with. The Association shall have the right to charge a reasonable fee, not to exceed \$25.00, for receiving and processing each

application.

The Declarant and, after the Declarant no longer owns any Lot within the Properties, the Association, shall have the right to promulgate and from time to time amend written architectural standards and construction specifications (hereinafter the "Architectural Guidelines") which may establish, define and expressly limit the standards and specifications which will be approved, including, but not limited to, architectural style, exterior color or finish, roofing material, siding material, driveway material, landscape design and construction technique. Neither the Association nor the ARC shall approve any Improvements which it determines, in its sole discretion, not to be in harmony of external design, construction and/or location in relation to the surrounding structures, topography or the general plan of development of the Subdivision.

Neither the Declarant, the Association, the Board of Directors, the ARC, nor any member or employee of any of them, shall have any liability to any person or entity by reason of any acts taken or omitted by them, or any of them, in good faith pursuant to this Article.

Section 2. Rules and Regulations. The ARC may from time to time recommend to the Board, and the Board may, in its sole discretion, adopt, promulgate, amend and repeal rules and regulations interpreting and implementing the provisions of this Article VIII, including adoption of detailed architectural guidelines and the imposition of a fee or charge for review of proposed improvements or modifications.

Section 3. Variances. The ARC may recommend to the Board, and the Board may, by the vote or written consent of a majority of the members thereof, allow reasonable variances as

-15-

Inst: # 283002 Book 2209Page: 1436

to the covenants, conditions or restrictions contained in this Declaration, on such terms and conditions as it shall require; provided, however, that all such variances shall be in keeping with the general plan for the improvement and development of the Property. Variances contained in plans that are inadvertently approved by the ARC as part of the proposed improvements shall not be considered as having been approved unless specifically approved by the Board in accordance with the provisions of this Section.

## **ARTICLE IX PARTY WALLS**

Section 1. General Rules of Law to Apply. The general rules of law regarding party walls, lateral support in below ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply to each wall which is built as part of the original construction of the Dwellings within the Properties and placed on the dividing line between the Lots, and all reconstruction or extensions of such walls, to the extent not inconsistent with the provisions of this Article.

Section 4. Easement and Right of Entry for Repair, Maintenance and Reconstruction. Every Owner shall have an easement and right of entry upon the Lot of any other Owner and the Common Area to the extent reasonably necessary to perform repair, maintenance or reconstruction of a party wall and those improvements belonging to his Lot which encroach on an adjoining Lot or Common Area. Such repair, maintenance, or reconstruction shall be done expeditiously, and upon completion of the work, the Owner shall restore the adjoining Lot(s) and Common Area to as nearly the same condition as that which prevailed prior to commencement of the work as is reasonably practicable.

Section 5. Weather-proofing. Notwithstanding any other provision of this Article, an Owner who, by his negligence or willful act, causes the party wall to be exposed to the elements, shall bear the entire cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Certification by Adjoining Property Owner That No Contribution Is Due. If any Owner desires to sell his Lot, such Owner, in order to assure a prospective purchaser that no Owner of an adjoining Lot has a right of contribution as provided in this Article, may request the adjoining property Owner to make a certification that no right of contribution exists, whereupon

-16-

Inst # 283002 Book 2209Page: 1437

Section 6. Declarant's Reserved Rights; Association's Obligation of Cooperation. Section 17. Minimum Size of Units. All Units constructed on Class A Lots shall have a minimum of 1200 square feet of enclosed dwelling area. The term "enclosed dwelling area" as used in the minimum requirements shall be the total enclosed area within a dwelling, provided, however, that such term does not include garages, terraces, docks, open porches, and like areas; provided, further, that shed type porches, even though attached to the house are specifically excluded from the definition of the aforesaid term "enclosed dwelling area".

Section 18. Attached Garages. All Class A Units constructed within the Properties shall contain an enclosed garage that is permanently attached to and part of the Unit and such garage shall be large enough to accommodate at least one automobile. Class A-1 Lots shall not have garages.

Section 19. Seasonal or Holiday Decorations. (e.g., Christmas trees and lights, pumpkins, Easter decorations) shall be removed from each Lot or residential dwelling within a reasonable period of time after such holiday passes. The ARC has the sole discretion to determine what is a reasonable period of time for seasonal or holiday decorations to exist after the holiday passes and its determination shall be final.

Section 20. Window Coverings. All drapes, curtains or other similar materials hung at windows so as to be visible from outside the home shall be of a white or neutral background material.

Section 21. Exterior Lights. All light bulbs or other lights installed in any fixture located on the exterior of any building or any Sites shall be clear, white or non-frosted lights or bulbs. Light wattage and placement shall be approved by the Architectural Control Board.

Section 22. All service utilities, fuel tanks, wood piles and trash and garbage containers are to be enclosed within a fence, wall or plant screen of a type and size approved by the Declarant or the Architectural Control Committee, so as to preclude the same from causing an unsightly view from any highway, street or way within the subdivision, or from any other residence within the subdivision.

Section 23. Deviations. Declarant at its sole discretion, is hereby permitted to approve deviations to restrictions in Article XI in instances where in its judgment, such deviation will not adversely affect the development of the Property as a whole. Such approvals must be granted in writing and when given will automatically amend these restrictions for that certain Lot only.

## ARTICLE XII

## STORMWATER MANAGEMENT

Section 1. The following covenants are intended to ensure ongoing compliance with State Stormwater Management Permit Number SW8040129, as issued by the Division of Water Quality under NCAC 2H.1000. The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the Stormwater Management Permit. These covenants are to run with the land and be binding on all persons and parties claiming under them. The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Water Quality. Alteration of the drainage as shown on the approved plans may not take place without the concurrence of the Division of Water Quality.

Section 2. The maximum allowable built-upon area per lot is 3,200 square feet. This allotted amount includes any built-upon area constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement. Built-upon area includes, but is not limited to, structures, asphalt, concrete, gravel, brick, stone, slate, and coquina and parking areas, but does not include raised, open wood decking, or the water surface of swimming pools.

Section 3. All runoff from the built-upon areas on the lot must drain into the permitted system. This may be accomplished through providing roof drain gutters which drain to the street, grading the lot to drain toward the street, or grading perimeter swales to collect lot runoff and directing them into the stormwater system or into the street. Lots that will naturally drain into the system are not required to provide these additional measures.

## ARTICLE XIII GENERAL PROVISIONS

Section 1. Enforcement. The Association or any Owner shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Further, the Board of Directors shall have the right to record in the appropriate land records a notice of violation of this Declaration or the Bylaws of the Association, or any rules, regulations, use restrictions, or design guidelines promulgated by the Association and to assess the cost of recording and removing such notice against the Owner in violation of the Declaration.

Section 2. Severability. Invalidation of anyone of these covenants or restrictions by judgment or court order shall in no way affect any other provision, which shall remain in full force and effect.

Section 3. Amendment. For so long as Declarant owns any Lot or Unit within the Properties, this Declaration may be amended by the Declarant, without the consent or joinder of any other Owner or the Association. Any such amendment shall be effective upon recording of

same in the applicable public registry for Brunswick County, North Carolina. No amendment shall be binding upon any Lot or Owner until fifteen (15) days after a copy of such amendment has provided to such Owner.

The covenants and restrictions of this Declaration, and any amendments thereto, are appurtenant to and shall run with and be binding upon the Properties and the Owners thereof for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or amended by a vote of the Owners as set forth below.

Subject to the provisions of Section 8(e) hereof and after Class B Lots cease to exist, this Declaration may be amended during the first twenty-five year period by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots and terminated during the first twenty-five year period by an instrument signed by the Owners of not less than eighty percent (80%) of the Lots, and thereafter amended by an instrument signed by the Owners of not less than sixty-seven percent (67%) of the Lots or terminated by an instrument signed by the Owners of not less than eighty percent (80%) of the Lots, provided, however, that so long as there is Class B membership, no amendment adopted by the Owners shall be effective unless and until such amendment is approved in writing by the Declarant. Amendment or termination shall be by written instrument signed by the appropriate persons or entities and recorded in the applicable public registry for Brunswick County, North Carolina, and upon recordation, shall be binding on all Lots and Units within the Properties and the Owners thereof, without regard to whether the Owner of such Lot voted for or against or signed or did not sign the amendment.

Section 4. Interpretation. Headings used herein are for indexing purposes only and shall not be used as a means of interpreting or construing any provision hereof. Unless the context otherwise requires, the use herein of the singular shall include the plural and vice versa: the use of one gender shall include all genders; and the use of the word "including" shall mean "including, without limitation". This Declaration and the provisions thereof shall be construed and enforced in accordance with the laws of the State of North Carolina.

Section 5. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total Lot area shown on the recorded plat, except by or with the consent of the Declarant and, if required, by the appropriate governmental authority.

Section 6. Declarant's Right To Change Development. With the approval of the appropriate governmental authority, and subject only to such terms and conditions as said authority may impose, Declarant shall have the right, without consent or approval of the Owners, to create Lots and Units, add Common Area, and reallocate Lots or Units within the Properties. Additionally, the Developer may convert any lot or lots or any other property subject to these restrictions to use as a roadway.

Section 7. Rules and Regulations: Enforcement. The Board of Directors shall have the authority to adopt additional rules and regulations governing the use of the Common Area and the Lots within the Subdivision and shall furnish a written copy of said rules and regulations to the Owners of each Lot at least fifteen (15) days before such rules and regulations become effective.

In addition to any other rights and remedies that the Association may have under the Bylaws and this Declaration, the Association may impose sanctions for a violation of this Declaration, the Bylaws of the Association, the rules and regulations adopted Association, and any restrictive covenants applicable to the Properties, in accordance with procedures set forth in the Bylaws, which sanctions may include, without limitation, reasonable monetary fines, which shall constitute a lien upon the Lot of the violator, and suspension of the right to vote and the right to use the Common Area any facilities thereon.

In addition, as provided in the Bylaws, the Association may exercise self-help to cure violations (specifically including, but not limited to, the towing of Owner and tenant vehicles that are in violation of parking rules) and may suspend the right of an Owner to use any Common Area and recreational facility within the Properties if the Owner is more than 30 days delinquent in paying any assessment or other charge due to the Association.

The Association shall at all times have the right and easement to go upon any Lot for the purposes of exercising its rights hereunder, including, but not limited to, enforcement of the architectural guidelines applicable to the Properties. Any entry onto any Lot for purposes of exercising this power of self-help shall not be deemed as trespass. All remedies set forth in this Declaration and the Bylaws shall be cumulative of any remedies available at law or in equity. In any action to enforce its rights and remedies, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement actions. Any such determination shall not be construed as a waiver of the right to enforce such provisions under other circumstances or to estop the Association from enforcing any other covenant, restriction or rule.

#### Section 8. Dispute Resolution.

##### (a) Consensus for Association Action.

(1) Except as provided in this Section, the Association may not commence a legal proceeding or an action under this Article without the approval of at least two-thirds of the Members. The foregoing shall not apply to: (i) actions brought by the Association to enforce the provisions of this Declaration, the Bylaws, or rules and regulations adopted by the Association (hereinafter collectively referred to as the "Governing Documents"); (ii) the imposition and collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; or (iv) counterclaims brought by the Association in proceedings against it.

-26-

(2) Prior to the Association or any Member commencing any proceeding to which Declarant is a party, including, without limitation, a proceeding based on an alleged defect in any improvement, Declarant shall have the right to be heard by the Members, or the particular

Member, and to have access to inspect and correct the condition of or redesign any portion of any improvement as to which a defect is alleged or to otherwise correct or resolve the dispute.

(b) Alternative Method for Resolving Disputes. Declarant, its officers, directors, employees and agents, the Association, its officers, directors and committee members, all Owners, Members, any Builder, its officers, directors, employees and agents, and any other person or entity not otherwise subject to this Declaration who agrees to submit to this Section 8 (each such person or entity being herein referred to as a "Bound Party" or, in groups, as the "Bound Parties") each agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those claims, grievances and disputes described in Subsection (c) hereof (herein referred to as the "Claims") to the procedures set forth in Subsection (d) hereof.

(c) Claims. Unless specifically exempted below, all Claims between any of the Bound Parties, regardless of how such Claims might have arisen or on what they might be based, including, but not limited to, Claims: (i) arising out of or relating to the interpretation, application or enforcement of the Governing Documents or the rights, obligations and duties of any Bound Party under the Governing Documents; (ii) relating to the design and construction of improvements; or (iii) based on any statements, representation, promises, warranties, or other communications alleged to have been made by or on behalf of any Bound Party, shall be subject to the provisions of Subsection (d) hereof.

Notwithstanding the foregoing, unless all parties to any such dispute otherwise agree in writing, the following shall *not* be deemed to be Claims covered by this Subsection (c) and shall *not* be subject to the provisions of Subsection (d):

(1) any proceeding by the Association against any Bound Party to enforce the provisions of Article V of this Declaration:

(2) any proceeding by the Association or the Declarant to obtain a temporary restraining order or injunction (or equivalent equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the *status quo* and preserve the Association's or the Declarant's ability to act under and enforce the provisions of Articles VIII and XI of this Declaration;

(3) any proceeding between or among Owners, which does not include the Declarant, a Builder, or the Association as a party, if such proceeding asserts a Claim which would constitute a cause of action independent of the Governing Documents; or

(4) any proceeding in which no Bound Party is an indispensable party.

With the consent of all parties thereto, any dispute involving any of the foregoing excepted actions may be submitted to the alternative dispute resolution procedures set forth in Subsection (d).

(d) Mandatory Procedures.

-27-

Inst # 203002 Book 2209Page: 1440

(1) Notice. Any Bound Party having a Claim (the "Claimant") against any other Bound Party (the "Respondent") (the Claimant and the Respondent being herein individually referred to

Party (the Respondent), the Claimant and the Respondent being herein individually referred to as a "Party" and collectively as the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including the persons or entities involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific provisions of the Governing Documents or other authority out of which the Claim arises);

(iii) the proposed remedy; and

(iv) the fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(2) Negotiation and Mediation.

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board of Directors of the Association may appoint a representative to assist the Parties in their negotiations.

(ii) If the Parties do not resolve the Claim within 30 days after the date of the Notice (or within such other time period as may be agreed upon by the Parties), Claimant shall have an additional 30 days in which to submit the Claim to mediation under the auspices of the American Arbitration Association ("AAA") in accordance with the AAA's Commercial or Construction Industry Mediation Rules, as appropriate.

(iii) If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge the Respondent from any liability to any person or entity other than the Claimant.

(iv) Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the Parties. If the Parties do not settle the Claim within 30 days after submission of the matter to AAA mediation, or within such other time as may be determined by the mediator or agreed to by the Parties, the mediator shall issue a written notice of termination of the mediation process, which notice shall state that the Parties are at an impasse and set forth the date that mediation was terminated (hereinafter "Termination of Mediation").

(v) Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all fees and expenses of the mediator and the administrative fees of mediation. If the Parties agree to a resolution of a Claim through negotiation or mediation as set forth in this Subsection (d), and any Party thereafter fails to abide by the terms of the settlement agreement, any other Party may file suit or initiate arbitration proceedings to enforce the agreement without the need to again comply with the procedures set forth in this Subsection (d). In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or, if more than one Party is in noncompliance, from all non-

complying Parties pro rata) all costs incurred by such Party in enforcing the agreement, including, without limitation, attorneys' fees and court costs.

(3) Binding Arbitration.

(i) After Termination of Mediation, Claimant shall be entitled to submit the Claim to final, binding arbitration under the auspices of the AAA in accordance with the AAA's Commercial or Construction Industry Arbitration Rules, as appropriate. No Claim subject to this Subsection (d), whether by the provisions thereof or by agreement of the Parties, shall be submitted to or decided by or in a court of law. Any judgment upon the award entered by the arbitrator may be entered in and enforced by a court of competent jurisdiction. If the amount claimed by the Complainant or, by the Respondent in a counterclaim, exceeds \$250,000, the Claim shall be heard and determined by three arbitrators. Otherwise, unless the Parties otherwise agree, the Claim shall be heard and determined by an arbitrator. An arbitrator shall have expertise in the areas) of the Claim, which may include legal expertise if legal issues are involved.

(ii) Each Party shall bear its own costs of the arbitration, including attorneys' fees, and each Party shall share equally all fees and expenses of the arbitrator and the administrative fees of arbitration.

Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the non-contesting Party shall be awarded reasonable attorneys' fees and expenses incurred in defending such contest. All decisions regarding the arbitrability of any Claim shall be decided by the arbitrator(s).

(iii) The award of the arbitrators shall be accompanied by detailed written findings of fact and conclusions of law. Except as required by law or for confirmation of an award, neither a Party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties involved in the arbitration.

(e) Amendment of Subscction. Notwithstanding any other provision of this Declaration, this Subsection 8 may not be amended prior to the expiration of 20 years from the date of recording of this Declaration without the prior written consent of the Declarant.
