Dear Mr. Ball and Ms. Ponte:

This is in response to your **No Permit Required** request for confirmation that a Department of the Army (DA) Permit is not required for work that will take place in the pond located at 2423 Town Creek Road NE. The project/review area is located along Town Creek Road NE, at 34.170985 and -78.173405; in Leland, Brunswick County, North Carolina (Parcel ID: 0680001105). The project has been assigned the file number SAW-2022-00761. This file number should be referenced in all correspondence with this office.

Based on a review of the information provided, the SAW District has made the following determination regarding your proposed project/work: The proposed work will not impact wetlands or Waters of the U.S (WOTUS).

**SECTION 404 ACTIVITIES:**

**The work as proposed does not involve work in a regulated Water of the U.S (WOTUS) identified on site; therefore, a DA permit is not required.**

This NPR does not address nor include any consideration for geographic jurisdiction on aquatic resources and shall not be interpreted as such. A jurisdictional determination may be requested by submitting a Request for Jurisdictional Determination (JD) To the Wilmington Regional Field Office or to Mr. [gary.h.beecher@usace.army.mil](mailto:gary.h.beecher@usace.army.mil).

It is your responsibility to ensure no unauthorized work in Navigable Waters of the United States or discharges of dredged or fill material into wetlands and/or other waters of the United States occurs as part of the proposed work. Note that performing such an
