Hello Lewis,

Thank you for taking my call just now.

As discussed, I am following up to confirm the details regarding the potential future placement of a gray water tank at Lot 178K Rays Point Road.

My understanding is that the Town would approve a gray water tank to be installed at Lot 178K, provided that a Licensed Site Evaluator submits an acceptable plan.

Please confirm or correct my understanding.

Thank you for your help and time.

Michael Farmer

Hi Michael,
Yes that is correct, holding tanks are allowed if designed by a licensed site evaluator.
