Gus And Murray

Brandon Jacob

HC 64 Box 1

Brookline, Maine

South St

Blue Hill,

Scale: 1" = 50'

of Soil Scientist #291, the High
ad in U.S. Army Corps of Engineers

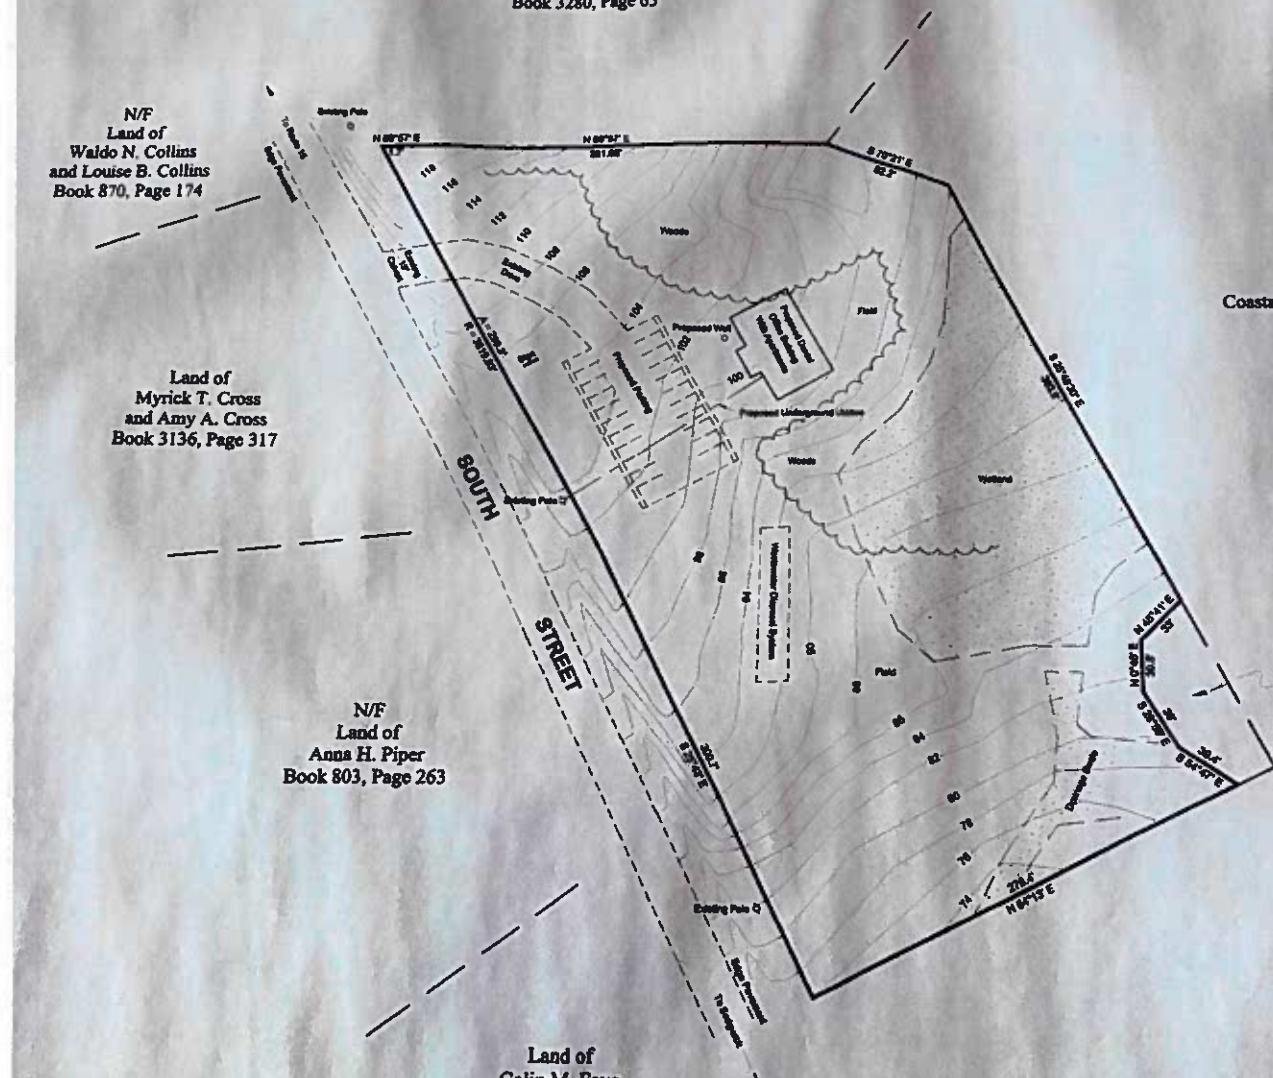

Seasonal wetland under Maine's
law may consist of isolated upland
areas there would be no useful purpose
sited or stream.

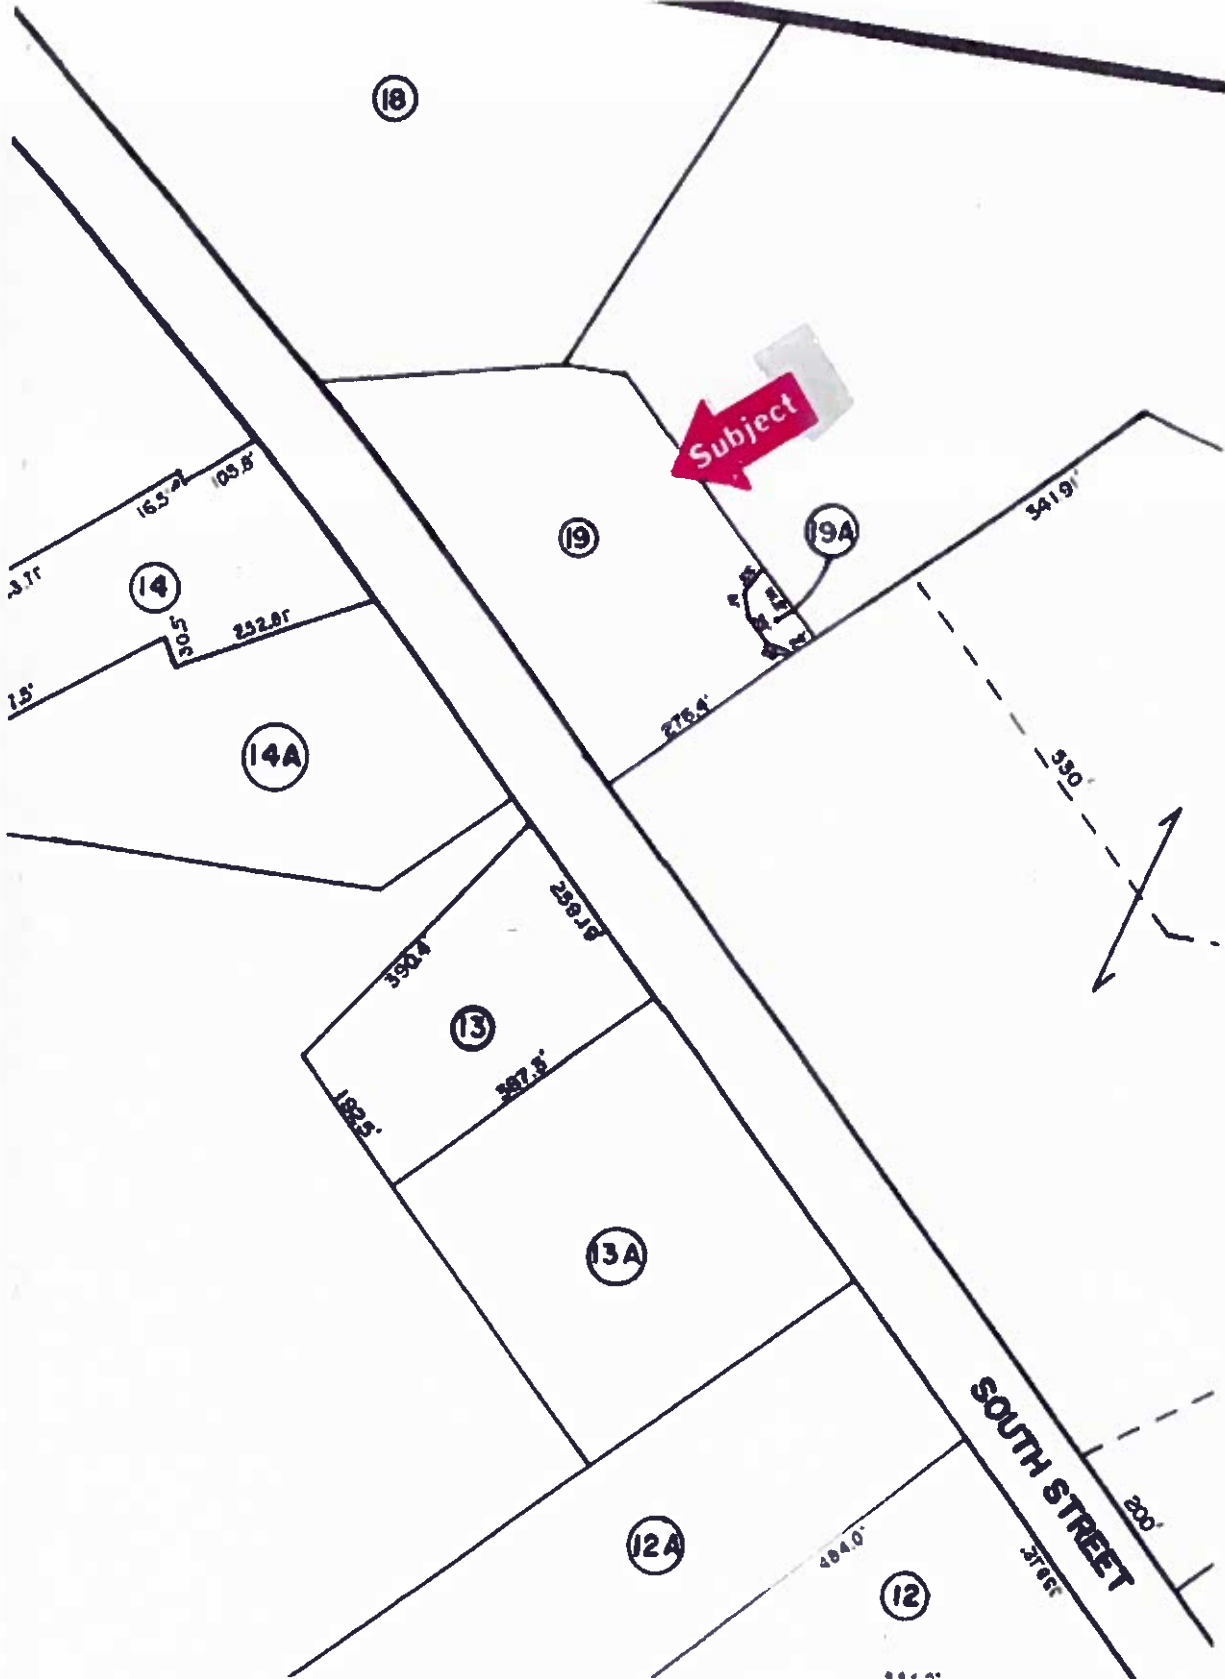

practical for investigation with land
sling separation between upland and
water the area functions as upland or
as depicted on this plan as a conservative

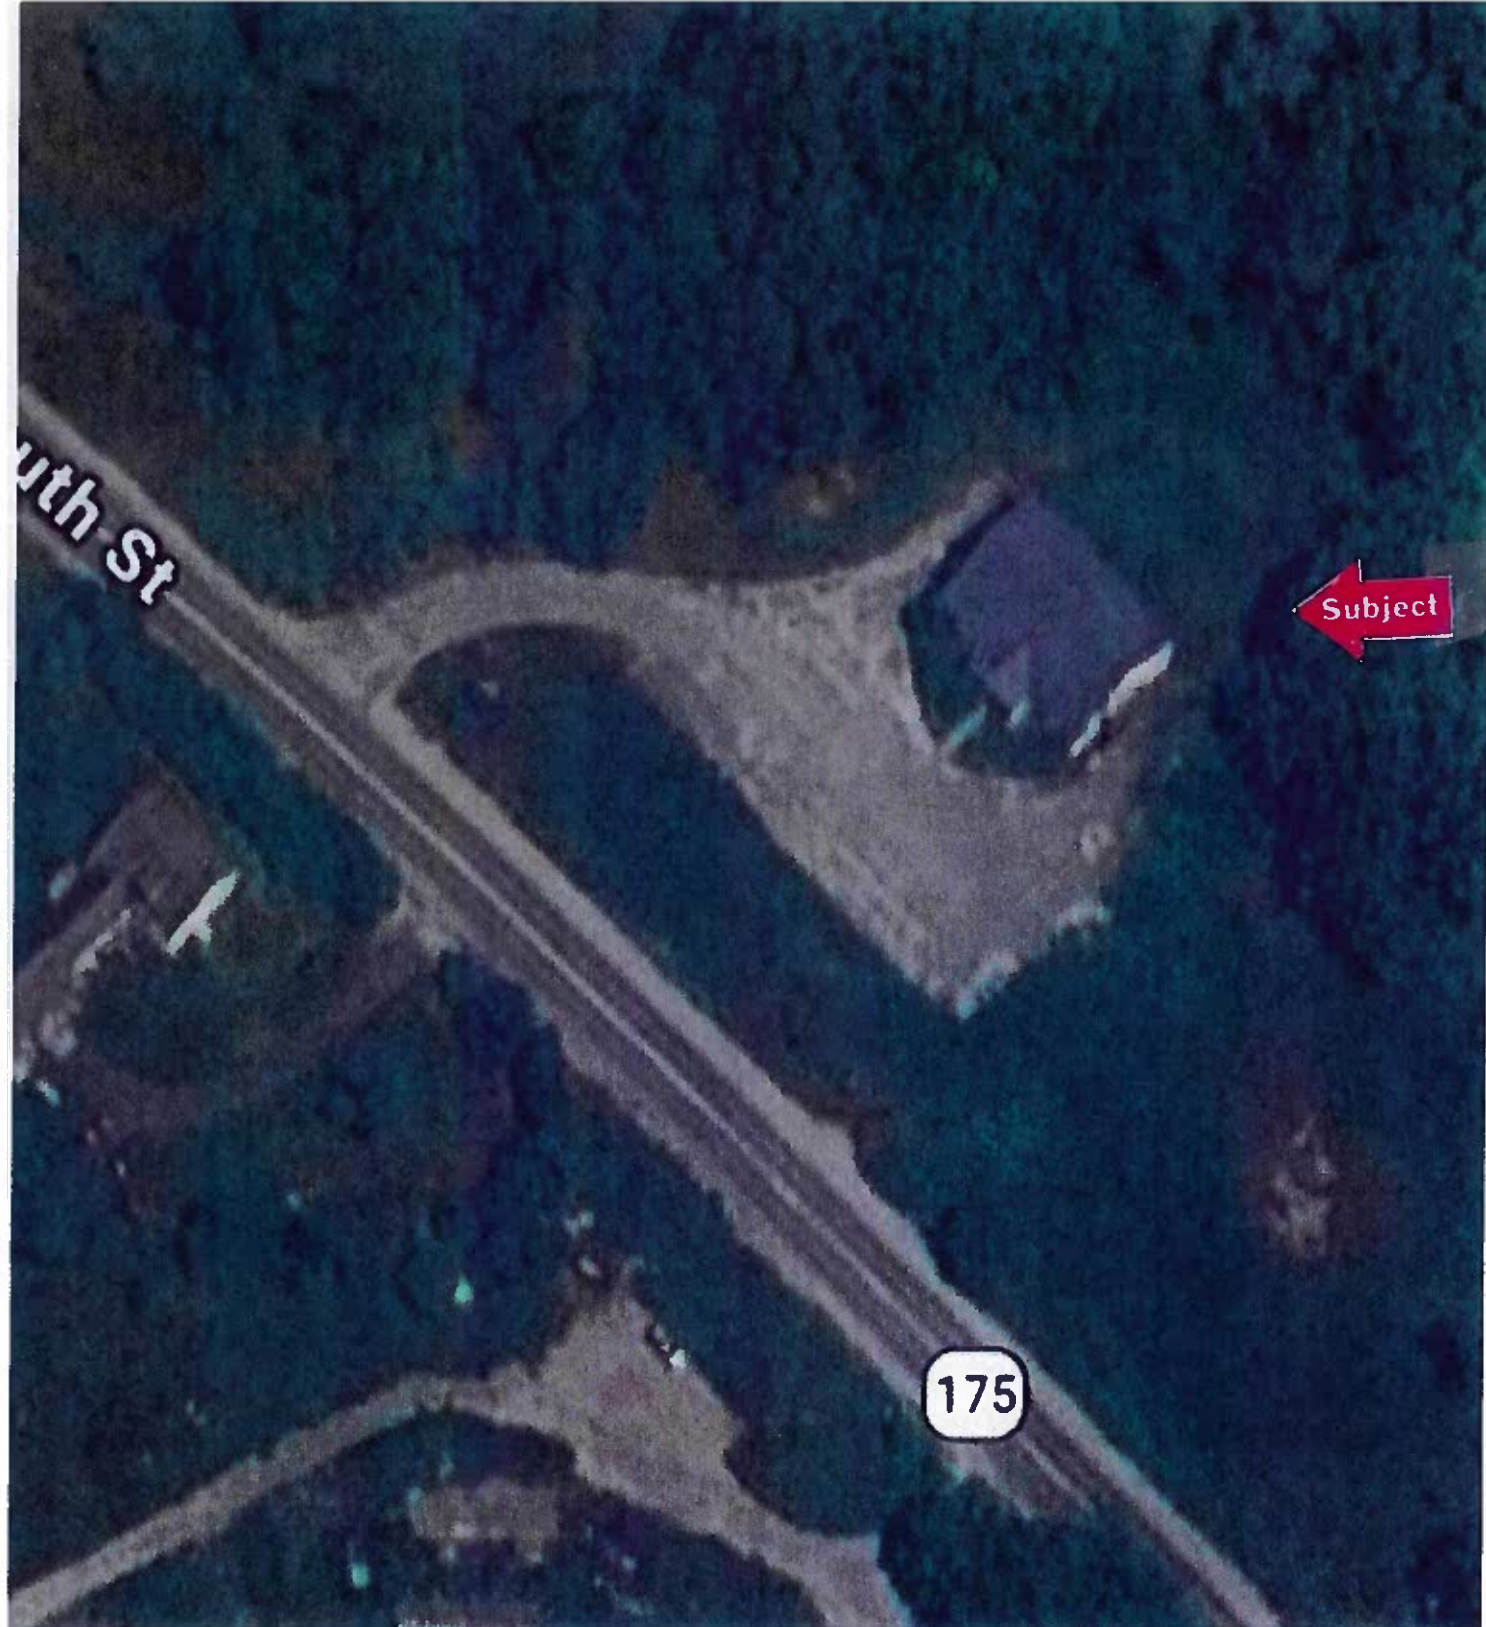

as with the Maine Subsurface Waterwater

Commission as shown on sheet 5 of 7 of
any 7.5" Blue Hill, Hancock County,
