

A black and white photograph of a large, multi-story house with a prominent chimney, surrounded by dense trees and a lawn. The house is a two-story structure with a gabled roof and a large chimney on the right side. It has several windows, some of which are dark, suggesting they might be closed or the interior is dimly lit. The house is set on a lawn, and there are many trees around it, including tall evergreens and deciduous trees with full foliage. The overall scene is a typical suburban or rural residential setting.
